**The Existence** Theodore Ihejieto, 2018-12-21 The Existence By Theodore Ihejieto The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings **How Do We Know the Bible is True Volume 1** Ken Ham, Bodie Hodge, 2011-07-01 Today there are untold voices in print on television and online calling for our attention and so many of these mock or belittle our faith From coworkers to those calling themselves Christians the tone has become one of reproach disparaging the character of God and undermining the authority of the Bible For those who have a heart for God it can be intimidating and discouraging How Do We Know the Bible is True is based on the absolute authority of God's Word not man centered explanations Clearly presented it will help bring clarity in a world filled with increasingly vague notions of truth Over 20 relevant issues are discussed including Is the Bible totally without error Did the resurrection really happen How do we know that the 66 books of the Bible are from God Does the Bible contradict itself How were people saved before Jesus came What is the purpose and meaning of life Did miracles really happen Was Genesis derived from ancient myths How should we interpret the Bible should Genesis be literal Do you have to believe in a young earth to be saved Within these pages you will find responses to those honest questions of faith helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith including Ken Ham John MacArthur Terry Mortenson Jason Lisle Brian Edwards Tommy The Glory of Living Myles Munroe, 2011-07-28 Mitchell Jobe Martin Georgia Purdom Bodie Hodge and Roger Patterson Dr Munroe surgically removes the religious rhetoric out of this most oft used word glory replacing it with words that will draw you into the powerful Presence of the Lord The Glory of Living not only introduces you to the power of the glory but also practically demonstrates how God longs to see His glory reflected through man Re-Covering in God Sue Watlov Phillips, 2014-05-28 I lost my joy of loving God and loving others as myself as I expressed my thirsting and hungering for God in unhealthy ways Instead of utilizing God's light to guide me I often turned to alcohol and the isms that had become part of my life workaholism perfectionism caretakerism and athleticism My refusal to accept that I had developed the disease of alcoholism after drinking normally for twenty five years created insane scenarios as I turned to alcohol for relief when in a

state of dis ease with life but that relief valve became my enemy This was further complicated by doctors not understanding alcoholism and the consequences of prescribing medications to me for pain and anxiety As I walked through the valley of the shadow of death I thought I walked alone My heart soul body and mind wrestled with God over my denial of this disease called alcoholism How could I a Christian for over fifty years be struggling with this disease How could I have hurt God others and me How could I be such a poor witness Would I face the truth with God and let Him reveal the damage done to my foundation Would I face God myself and others and make amends Or would I continue to run and hide in my alcoholism and other isms As I turned to God His light revealed to me the truth about myself and what I needed to do in order to be in His will As I choose to be recovered in God's Spirit each moment the spirits of alcoholism and other isms flee but only as long as I choose to Be still cease striving know God and live In His will not mine The Collected Works of Witness Lee, 1959, volume 2 Witness Lee, The Collected Works of Witness Lee 1959 volume 2 contains messages given by Brother Witness Lee in June 1959 through September 1961 Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into five sections as follows 1 Fourteen messages given in Manila Philippines Hong Kong and Taipei Taiwan on June 14 through December 14 1959 Chapters 6 through 9 consist of messages given in Manila on June 14 through July 7 chapters 1 through 5 consist of messages given in Hong Kong on July 27 through the first part of August and chapters 10 through 14 consist of messages given in Taipei on August 19 through December 14 These messages were previously published in a book entitled Christ Making His Home in Our Heart and the Building Up of the Church and are included in this volume under the same title 2 Fourteen messages given in Hong Kong on July 27 through August 8 1959 These messages were previously published in a book entitled Knowing and Experiencing God as Life and are included in this volume under the same title 3 Fourteen messages given in Hong Kong on July 31 and August 1 1959 chapters 13 and 14 and in Taipei Taiwan on March 10 through September 1 1961 chapters 1 through 12 These messages were previously published in a book entitled Leading the Young People with the Word and the Spirit and are included in this volume under the same title 4 Six messages given in Hong Kong on August 12 through 16 1959 These messages are included in this volume under the title Questions and Answers concerning Life and Service 5 Thirteen messages given in Taipei Taiwan on August 31 through October 1 1959 These messages were previously published in a book entitled Christ Being the Burden of the Gospel and are included in this volume under the same title **Gospel Portraits** K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape

how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel Thoughts: What is the true message of God? And are religions relevant? Fruitful, and Multiply Dorothy Melton, 2020-09-09 Work hard and become a leader Don t be lazy Make good use of everything that God has given you and respect your love everybody that is the only way we can get to heaven And always love your enemies and forgive them and pray for them Don t make excuses for what you are called to do just do it Always put God first in everything you do Always be obedient to God and he will pour you out a blessing you wouldn't have room to receive Work hard at everything you do Be careful what you say because life and death is in the power of the tongue Have faith in God and trust him God want us to be right with him God saved and filled with the Holy Ghost Without faith it is impossible to please God Ask God for wisdom knowledge and understanding Have a relationship with God He knew you from start to finish He know you if anything you want to know ask God don't ask people People will tell you anything Don't believe man believe God we are the apple of God's eye He loves us Following Christ you will be persecuted Jesus said be of good cheer because he has overcome the world We must have faith trusting in God and believe that God is going to do exactly what he says God will do what he said he will do I am a living witness Coming to Peace with Science Darrel R. Warring with the Mind ... How to Make Your Mind Your Friend Kirk Prescott, 2013-05 Most Christians think their minds will automatically cooperate with them in their walk as Christians However this isn t true The mind must be brought under subjection to the spirit of the living God for this to happen The book you are holding will help you with this process It lays out practical applications for using the Bible for the purpose of renewing the mind and making it your friend We must with our minds love God and purpose to serve Him We must also come to the place where we understand we have been self serving Only the teaching of the Bible will bring this to fruition in the mind of the believer That is what MAKE YOUR MIND YOUR FRIEND is all about The author used the principles laid out in this book with life changing results both in ministry and his personal life As you apply what is taught in this book to your life you may begin to experience new levels of freedom in your mind Some of the principles set forth you may or may not know however it is all supported by Scriptures As you take this journey keep a God centered mindset and you will be blessed How She Fought Melissa L. Wiebe, 2012-08 In a

world misguided by shame it is important to know that life can be better and that everyone is entitled to live a life of abundance In her guidebook God's Love for the Shameful Beverly Wiebe offers hope for others that life is not fruitless and that all of us have value through the love of God Through sharing her personal experiences of how God has worked in her own life and referencing applicable scriptures Wiebe illustrates how shame can control our lives if we allow it While encouraging spiritual seekers to walk in freedom through the glory of Jesus Christ Wiebe offers tidbits of wisdom that teach others how to move away from the past overcome the negative feelings that accompany failure and realize that God always keeps His promises None of us are on this earth just to exist God's Love for the Shameful shares the inspirational story of how one woman slowly came to realize that every individual is capable of claiming an abundant life through the warmth and transformative power of the Lord HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a quest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the

book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn t The idea is we don t have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom
