**Fur Kids** Resh Ramlakan, 2013-03 I recently wrote a book in honour of my beloved Boerboel and Cross Boerboel dogs It is a book that highlights a series of events which transformed me from a girl who didn't like dogs to a lady whose heart has been filled with unconditional love for them It is an amazing story of love in its truest and most sincere form Boerboels are intelligent self-assured dogs bred to have extremely strong guarding instincts and it is the only breed in the world bred with only one purpose to guard and protect his family The book highlights how cross breeding and inter breeding has led to many Boerboels in South Africa becoming prone to getting elbow and hip dysplasia Three of my dogs were diagnosed with hip dysplasia with two having been put to sleep as a result of this condition By writing this book I hope to create awareness in many ways Firstly to let people know the love and joy that animals bring into our lives and show them how rewarding it can be Secondly to raise awareness about buying Boerboels from registered breeders and lastly to put more focus on the beautiful South African Boerboel itself in an effort to preserve the breed The book highlights love loyalty happiness sadness and tells of my experiences over the years with my 5 fur kids This is a book that will inspire people to never give up but to keep on trying
