

How My Brother Leon Brought Home A Wife

I like this story because of its content, the way the author gives description to something or someone, like the way she describes Maria in the first part of the story. Another thing that I like about this story is the values that we should have. We can also be able to relate it to our daily lives, especially when we have to meet our special someone to our family. I only give you some details of the story and I hope you'll love to read it. :)

Summary

Baldo and his older brother Leon were both waiting for their visitor riding a carratela. When Baldo saw his older brother's wife, who is Maria, he was amazed by her beauty as he narrates their journey to their home in Nagrebcan. Maria was felt a bit anxious because of meeting Leon and Baldo's parents for the first time, but along their way home, she discovered the differences of the life of the people lived there and the life in the city where she met and fell in love with Leon.

Characters:

- Leon/Noel - Maria's husband, older brother of Baldo
- Maria - Leon's wife
- Baldo - Leon's younger brother, also the narrator of this story
- Mother and Father of Leon and Baldo
- Aurelia - Leon and Baldo's younger sister
- Labang - the carabao
