Rhodes, 2019-10-08 Have you ever wondered what best-selling authors have that you don't? What are they doing to get their books on the bestseller lists? What is their secret? A platform is a group of people; it is your reader fan base. Finding and influencing as many of them as possible as often as possible is the key to building your platform. It's real work, and it's not easy, but once you dedicate some time and effort to building your platform, you will reap the benefits. THE BESTSELLING AUTHOR features 19 tips on building a lasting platform, including: Establishing a platform-building habit, setting up your author's blog and your email list, taking advantage of social media, putting your fellow authors and readers to work for you.
