**Literate Days** Gretchen Owocki, 2007-08

Gretchen Owocki's *Literate Days Reading and Writing with Preschool and Primary Children* is a multimedia curriculum resource for preschool kindergarten and first grade teachers looking to enrich and broaden their literacy related instructional practices. Framed by research notes and kidwatching forms lessons present ideas for enhancing existing teaching practices such as whole group read aloud and circle time and for extending the quality of students literacy experiences in times that are not typically considered instructional such as independent reading and play. Ample research evidence shows that when teachers accomplish the types of teaching described in this resource children's achievement soars and their lives as literate individuals flourish. Components: A jump in and get started Teacher's Guide outlines the thinking behind Literate Days 33 lessons are organized into three lesson books Book 1 Grounding Children in Routines and Procedures for Meaningful Learning Book 2 Building Energizing and Re envisioning the Literacy Book 3 Deepening the Scholarship in the Classroom Community. Framed by research notes and kidwatching forms lessons provide that provide detailed plans teaching tools and reproducibles for children. The Lessons from Literate Days DVD models effective literacy instruction with two hours of live from the classroom video footage.

**Kidwatching** Gretchen Owocki, Yetta M. Goodman, 2002. This smart practical guidebook shows preschool kindergarten and primary teachers how to refine their literacy evaluation practices through careful kidwatching. By observing and recording children's literacy development teachers also develop new understandings of the ways children think and learn. Ultimately through kidwatching teachers plan curriculum and instruction that are tailored to individual strengths and needs. Gretchen Owocki and Yetta Goodman are the perfect pair to guide teachers through the kidwatching process. Yetta coined the term in her seminal article in 1978 and has spearheaded the use of miscue analysis as a window into the reading process. Gretchen, Yetta's former graduate student is an outstanding educator and published author on the ways young children develop literacy. Together they have written a book that will serve as a professional development tool as well as a kidwatching handbook. In each chapter they provide a clear description of how kidwatching enhances teaching and learning specific guidelines and suggestions for kidwatching practical tools and resources to be used in documentation and analysis empowerment for children a chance to evaluate and revalue themselves by partnering with teachers to document and reflect on their knowledge. Kidwatching provides a framework for engaging in systematic yet very personalized data collection in all areas of literacy. High quality kidwatching gives teachers the information they need to teach effectively and to share detailed factual information with families and administrators. Kidwatching can also be used to strengthen school reform to develop a common set of principles and practices that are in tune with local needs and interests. Learn to watch kids and see how effective you can be on these fronts.
