Groninger Volksverhalen:

The Dutch World of Washington Irving Elisabeth Paling Funk, 2025-06-15 The Dutch World of Washington Irving tells an alternative origin story of American literary culture In December of 1809 before finding fame with Rip Van Winkle and The Legend of Sleepy Hollow Washington Irving published his satirical A History of New York from the Beginning of the World to the End of the Dutch Dynasty under the pseudonym Diedrich Knickerbocker Elisabeth Paling Funk explains that the History of New York and the Hudson Valley folktales that followed were part of an early trend of responding to the national desire for a historical record Funk argues that these works uniquely describe this part of the American scene in the period of the Early Republic and bring forward the Dutch strain in its history and culture Funk explores what the young Irving would have read heard and observed during his early life and career in New York City once part of the former colony of New Netherland where he was surrounded by Dutch speaking neighbors and relatives and Dutch literature Based on these sources The Dutch World of Washington Irving argues that Irving s Knickerbocker works not only his History but also his Hudson Valley stories represent a crucial effort to preserve Dutch life and folk customs in the Hudson Valley in the face of Anglo Americanization Providing the first complete glossary of Irving s Dutch vocabulary and drawing on untranslated Dutch sources Funk offers cultural historians scholars of American folklore and literature and the latest generation of Irving s readers unprecedented access into the Dutch world of Washington Irving and his American contemporaries *Werewolf Legends* Willem de Blécourt, Mirjam Mencej, 2023-09-30 This book brings together contributions from anthropologists and folklorists on werewolf legends from all over Europe Ranging from broad overviews to specific case studies their chapters highlight the similarities and differences between werewolf narratives in different areas and attempt to explain them The result of interaction between elite and popular culture local and external influences and nature and culture that lasted several centuries or even more nineteenth to twenty first century werewolf legends represent a kaleidoscope of the darker sides of human life **The Flying Dutchman and Other Folktales from the Netherlands** Theo Meder, 2007-11-30 Here is a broad sampling of traditional and contemporary Dutch tales that will entertain and inform readers and listeners of all ages From animal tales and tales of magic to religious and realistic stories and contemporary urban legends you ll find in this collection scores of tales riddles puzzles and jokes to savor and share Many of the stories are rooted in the traditional rural society of the Netherlands while others have sprung from the modern urban and multi ethnic society that Holland is today Background information on the country and the stories and color photographs and illustrations along with a detailed bibliography makes this a well rounded resource for educators folklore scholars and general readers All levels **Nibelungenlied - Prozeßmotive** Rolf Wilhelm Brednich, Heidrun Alzheimer, Hermann Bausinger, Wolfgang Brückner, Daniel Drascek, Helge Gerndt, Ines Köhler-Zülch, Klaus Roth, Hans-Jörg Uther, Doris Boden, Susanne Friede, Ulrich Marzolph, Christine Shojaei Kawan, 2011-12-22 Keine ausführliche Beschreibung für Nibelungenlied Prozeßmotive verfügbar **The Types of**

contributions to this volume show that in pre industrial Europe women in their prime women that is who had reached
maturity and were beyond fertility but not yet in old age constitute a separate category for historical and literary analysis
These wise old women or WOWs took on tasks in society which were essentially different from the ones they had taken on
before mainly in the household The case studies presented here show that some of these women entered a second phase of
creativity and productivity and were even able to fulfil their desires at the age of forty Being able at last to find their
authentic selves they acquired a female voice of their own For some of them for example Christine de Pizan the age of forty
even functioned as a trope of female authorship **Schinden, Schinder - Sublimierung** Rolf Wilhelm Brednich,Heidrun
