

Grounded: Finding God in the World—A Spiritual Revolution

Grounded Finding God In The World A Spiritual Revolution

Rosina Ehmann

Grounded Finding God In The World A Spiritual Revolution:

Grounded Diana Butler Bass, 2015-10-06 The headlines are clear religion is on the decline in America as many people leave behind traditional religious practices Diana Butler Bass leading commentator on religion politics and culture follows up her acclaimed book *Christianity After Religion* by arguing that what appears to be a decline actually signals a major transformation in how people understand and experience God The distant God of conventional religion has given way to a more intimate sense of the sacred that is with us in the world This shift from a vertical understanding of God to a God found on the horizons of nature and human community is at the heart of a spiritual revolution that surrounds us and that is challenging not only religious institutions but political and social ones as well *Grounded* explores this cultural turn as Bass unpacks how people are finding new spiritual ground by discovering and embracing God everywhere in the world around us in the soil the water the sky in our homes and neighborhoods and in the global commons Faith is no longer a matter of mountaintop experience or institutional practice instead people are connecting with God through the environment in which we live *Grounded* guides readers through our contemporary spiritual habitat as it points out and pays attention to the ways in which people experience a God who animates creation and community Bass brings her understanding of the latest research and studies and her deep knowledge of history and theology to *Grounded* She cites news trends data and pop culture weaves in spiritual texts and ancient traditions and pulls it all together through stories of her own and others spiritual journeys *Grounded* observes and reports a radical change in the way many people understand God and how they practice faith In doing so Bass invites readers to join this emerging spiritual revolution find a revitalized expression of faith and change the world

Any Body There? Craig Michael Mueller, 2017-07-21 Any body there we may wonder as we watch people engage with their smart phones while being oblivious to what is going on around them Anybody there is the question facing the church as it wrestles with declining religious affiliation Craig Mueller considers this contemporary context and offers a response based in an incarnational spirituality accentuating the body and finding expression in corporate multisensory liturgy Mueller creatively weaves together topics from our digital lives with personal and congregational stories and theological liturgical and spiritual reflections Concepts such as virtuality the analog 24 7 connectivity access design and GPS are juxtaposed with themes of embodiment mortality sabbath mystery beauty and vocation Drawing on his experience as a pastor to millennials his studies in liturgical theology and his work on the effects of technology on daily life Mueller proposes that corporate worship is an antidote to the distraction fragmentation and spiritual hunger in society today As humans continue to merge with machines participation in the Sunday liturgy reminds us of what it means to be human a deeper connection to our bodies and the earth and a clear sense of purpose and mission for our everyday lives

The Purpose Gap Patrick B. Reyes, 2021-03-16 In *The Purpose Gap* Patrick Reyes reflects on a family member's death after a long struggle with incarceration and homelessness As he asks himself why his cousin's life had turned out so differently from his own he

realizes that it was a matter of conditions While they both grew up in the same marginalized Chicano community in central California Patrick found himself surrounded by a host of family friends and supporters They created a different narrative for him than the one the rest of the world had succeeded in imposing on his cousin In short they created the conditions in which Patrick could not only survive but thrive Far too much of the literature on leadership tells the story of heroic individuals creating their success by their own efforts Such stories fail to recognize the structural obstacles to thriving faced by those in marginalized communities If young people in these communities are to grow up to lives of purpose others must help create the conditions to make that happen Pastors organizational leaders educators family and friends must all perceive their calling to create new stories and new conditions of thriving for those most marginalized This book offers both inspiration and practical guidance for how to do that It offers advice on creating safe space for failure nurturing networks that support young people of color and professional guidance for how to implement these strategies in one s congregation school or community organization

How to Lead When You Don't Know Where You're Going Susan Beaumont,2019-09-17 How do you lead an organization stuck between an ending and a new beginning when the old way of doing things no longer works but a way forward is not yet clear Beaumont calls such in between times liminal seasons threshold times when the continuity of tradition disintegrates and uncertainty about the future fuels doubt and chaos In a liminal season it simply is not helpful to pretend we understand what needs to happen next But leaders can still lead How to Lead When You Don t Know Where You re Going is a practical book of hope for tired and weary leaders who risk defining this era of ministry in terms of failure or loss It helps leaders stand firm in a disoriented state learning from their mistakes and leading despite the confusion Packed with rich stories and real world examples Beaumont guides the reader through practices that connect the soul of the leader with the soul of the institution

Mindful Spirituality Duncan S. Ferguson,2018-02-28 The world contrary to popular understanding is not less religious but in many ways more religious than ever Two issues seem to be emerging in this resurgence One is the need for a spiritual center that gives integration a sense of inner peace ethical guidance and meaning and direction in life It is present in most of the world s great religious traditions and present elsewhere as humans seek to find their way in a confusing conflicted and rapidly changing world Accompanying this quest for a deeper spirituality is the God question and a desire to understand the divine in new ways that match a contemporary worldview This book Mindful Spirituality invites the reader to find a thoughtful credible and satisfying way to address these two major concerns While starting within a Christian frame of reference the book is not exclusive but ecumenical and interfaith in spirit It is especially helpful to those with no set spiritual pathway and those disenchanted with traditional approaches that seem out of date and for another era In a deep and sacred way it invites the reader to reach upward for a thoughtful way of understanding transcendence to open inward for a mature and gratifying spirituality and to expand outward in responsible and loving service

Unified Field Theology Gregory W. Brown,2018-09-13 I used to know it all who was bound for heaven and who

would be in hell how the contradictions in the Bible all fit together when read with guidance from the Spirit and in keeping with our church's exact teaching How to fix government end war and balance capitalism with community what was true and what was false how the world made sense and why it was fair Then my sure answers became unacceptable Now I know mostly little things the love of family the importance of children the need to live in the circle of a tribe the freedom of unknowing the joy of being in trees and on rocks under birds in flight the comfort of not being responsible for all things and all people the power each moment to choose behavior that will add to the heaven or hell experienced in the present by real people the beauty of the dance of atoms and stars bracketing the grand diversity and mysteries of life I know One Universe which creates knows sustains and is One is enough

Let Your Light Shine Through Philip C. Garside, 2024-05-10 Are you a new preacher who wants to build confidence in writing and delivering sermons Or have you been preaching for a while and are looking for new ideas and techniques to keep your sermons fresh and your congregation engaged These 62 creative sermons written by New Zealand Methodist Lay Preacher Philip Garside will provide just the input you need Sermons work well when you are honest about your theology draw meaning from the Bible readings for the day and relate them in a clear logical way to your congregation People will respond to personal stories in your sermons and you will find that you develop your own style of preaching over time Memorable sermons and services can be created by offering physical objects for the congregation to interact with e.g. at prayer stations around the church or waving flax leaves at the start of a Passion Sunday service and folding them into palm crosses later during the sermon slot If you read widely listen to new music look at new art stay up to date with the politics of the day and generally take in what is happening in your local community you will never be short of imaginative ideas to fill your sermons Keep adding to your creative toolbox Try something new Your congregation will thank you And always remember that your sermons need to tell the Good News of God's love for us shown by the life teaching and example of Jesus Christ The book includes indexes of Scripture readings and of People Themes and a Bibliography of key books recordings and other sources referred to in the sermons The book is supported by free online PowerPoints images photos video clips and audio recordings of many of the sermons Quotes from the sermons He turned Thou shalt not into Do this in remembrance of me From the sermon The Tipping Point This evolution of the story of Jesus death over a 30 to 35 year period was a deliberate choice by the gospel writers in each case From Head Heart and Hands If you can learn to love your enemy can they still be your enemy No because of your change of heart they are now your neighbour From Who is my enemy Jesus was a back to basics sort of guy He put people before rules From Good things come in threes This is a hopeful story No matter how troubled we are by what we have done or not done no matter how distant we feel from God or each other no matter who we are there is always a way back to redemption and wholeness From Have mercy on us Praise for Let Your Light Shine Through Are you a preacher of long standing jaded feeling your sermons no longer connect Or a lay preacher seeking innovative and fresh ways to tell the Jesus story Then Let Your Light Shine Through

is for you A little book of 62 creative sermons fresh ideas and resources there s much in it to stimulate congregational thought or personal reflection and transformation Wellingtonian Philip Garside is a man of many parts a Methodist Lay Preacher of over 15 years a New Zealand distributor and publisher of stimulating theological resources a musician and singing group leader a widely read thoughtful theologian and a married father of three Philip invites you to share his insights from scholars like N T Wright Bart Ehrman and Richard Rohr Joy Cowley s contemporary psalms and use video clips from an Al Jazeera documentary musical CDs from his Festival Singers choral music Bach and Handel and physical objects to sheet home your points I particularly warmed to some 2014 sermons where Philip unbundles the Trinity to make sense to modern ears as Worship God Follow Jesus Be Spirit Filled And in Jesus the Human Face of God his de coupling of the Nativity story This is a preachers goldmine I highly commend Gary Clover historian retired Methodist presbyter author of Collision Compromise and Conversion during the Wesleyan Hokianga Mission 1827 1855 Every Methodist preacher in Aotearoa New Zealand should have this sermon collection by Philip Garside Philip joins a short list of the old style Methodists who found within themselves the flame the fire to preach and publish and be damned and some of them were all power to PGPL and to Philip for this book which gets the evangel into the marketplace I like it Rev Dr David Bell former principal of Trinity Theological College Auckland I am impressed I see this as an excellent collection of role model sermons Each is well researched well structured and thoughtfully spiritual You display an innovative range of creative presentations Every reflection delivers a meaningful and meaty message for our times Thank you for sharing it with me Rosalie Sugrue Author and Lay Preacher

A Letter to My Anxious Christian Friends David P. Gushee, 2016-08-02 The last few years have seen dizzying social change in the United States Many of these changes such as the Supreme Court decision on same sex marriage seem to challenge or overturn long standing Christian teachings while disputes over issues such as immigration racism and the abuse of police authority create uncertainty and confusion about what a faithful Christian response looks like Small wonder then that the dominant mood among many Christians is anxiety about what it means to be a follower of Jesus in the world today In a clear and readable style leading Christian ethicist David P Gushee explores the many social and political changes that are causing Christian anxiety offering ways to understand and act on these issues that are grounded in the reign of God rather than in human fear What do we see when we look at a given political issue argument or candidate What do we wish to see And what might Christian faith contribute to seeing interpreting and acting rightly in this particular moment Gushee helps average Christians think through and make sense of their fears and anxieties about rapid social change in American society showing how our faith is calling us not to fear and worry but to hope

Choosing Life after Tragedy Anson Hugh Laytner, 2023-09-08 A wave of disease and death in his immediate family led Rabbi Anson Laytner to question much of what he had learned about the meaning of suffering the value of petitionary prayer and the role of God in human life As he struggled to deal with his grief and doubts he gradually found a way forward His spiritual healing process

took him from intense grief to a renewed appreciation of life and resulted in this book a work of creative theology some eighteen years in the making Choosing Life After Tragedy is written for people who struggle with the subjects of suffering divine providence God and prayer people who are looking for honest thoughtful provocative and occasionally humorous theological reflections but no easy answers Laytner intersperses his penetrating theological reflections with pertinent episodes from his life because for him theology is personal and experience based Trained as a liberal rabbi Laytner riffs on Jewish themes to offer a universal message of hope in the face of suffering and loss and of mutual support based on humanity's various teachings of lovingkindness This book will challenge you it will sometimes amuse you but you will not remain unmoved

In Tongues of Mortals and Angels Eric D. Barreto, Jacob D. Myers, Thelathia "Nikki" Young, 2018-11-15 Through close textual engagement theological exposition ethical reflection and interdisciplinary collaboration this book presents a constructive theology of divine speech in the Acts of the Apostles and 1 Corinthians in critical conversation with contemporary issues of sociopolitical ecclesial and theological importance In particular the authors attend to pericopes in Acts and Paul that open up fresh ways of thinking about divine discourse preaching and advocacy in light of contemporary matters of theological and ethical import In addition to classical modes of textual and theological analysis the authors attend to the sociopolitical and sociolinguistic aspects of speech as they arise in these pericopes As such the authors are simultaneously deconstructing these texts through postcolonial and post structural analyses to expose these texts to an alterity at work therein an alterity that has been muted by centuries of biblical interpretation

Spirituality That Makes a Difference Charles R. Kniker, 2022-04-07 Want to make your life more meaning FULL Most of us do This book is a guide offering ways to do just that Charles Kniker brings fifty plus years of listening as a teacher preacher observer and writer to a conversation with you With questions and real life stories and solutions he'll support you it won't be a one way model The many forms of spirituality will help explore life's big questions and ultimate mysteries With tomorrow's climate changes pandemics political extremism and battered moral boundaries we need a transformational spirituality a spirituality deeper than a few dusty rituals more reliable than snappy slogans from a smart phone This book is for young adults searching for answers to major questions mid life seekers thankful for family friends and faith but needing more and seniors whose traditional communities seem irrelevant Chapters in Part One are on home self voices of influence and healthy spiritual communities Chapters in Part Two offer a YESS to life through various ways of joyous Yearning truth seeking Education Soul care for yourself and others and Service to a world of neighbors Kniker passionately believes human DNA wires us to be spiritual transforming dreams to become deeds

Crossing Boundaries, Redefining Faith Michael Clawson, April Stace, 2016-11-08 The Emerging Church Movement an eclectic conversation about how Christianity needs to evolve for our postmodern world has been breaking traditional bounds and stirring up controversy for more than two decades This volume is the first academic work to adopt an interdisciplinary approach to understanding this complex and boundary crossing

phenomenon Containing contributions by researchers from a diverse set of disciplines this book brings together historical sociological ethnographic anthropological and theological approaches to offer the most thorough and multifaceted description of the Emerging Church Movement to date Contributors Juan Jose Barreda Toscano Dee Yaccino Gerardo Marti Lloyd Chia Jason Wollschleger James S Bielo Jon Bialecki Heather Josselyn Cranson Xochitl Alviso Chris James Tim Snyder

The Rise and Triumph of Methodism L Alfred Jenkins,E Hope Jenkins,2023-05-30 This book tells the story of how American democracy and early Wesleyan Methodism wed It is the story not of the institutional church but of a concept fathered by John Wesley and American democracy egalitarian universalism Anytime something new appears it needs an engine to push it along Francis Asbury his circuit riders America s early poets and the Black slaves became that engine This book will show how egalitarian universalism as defined by the New Testament became the concept that guided the development of America s new democracy The book will also show how this revolutionary concept was squeezed when the Civil War rushed in Had it not been for the gospel writer and his Luke Acts American democracy and Methodism might have been forever lost

Every Tribe Sharon Prentis,2019-04-18 The Bible tells us Jesus is for every tribe language people and nation so why are all the saints in our stained glass windows white An oppressive bias has taken hold of the storytelling of the Church Many are surprised to discover that St Augustine was from present day Algeria and even that most British of saints George was an immigrant with a Turkish father and a Palestinian mother Every Tribe celebrates the true diversity of the saints inspiring the church to become what it is meant to be the rainbow people of God serving the diverse needs of a diverse world

Common Prayer Joseph S. Pagano,Amy E. Richter,2019-04-23 Why worship In this superb new collection of essays lay people clergy poets theologians musicians novelists and scholars offer personal profound and provocative reflections on their experience of worship in The Episcopal Church Through their flesh and blood stories of longing loss and love we encounter the God who meets us in common prayer Contributors to the book include J Neil Alexander Fred Bahnson Michael Battle Luisa Bonillas Rodney Clapp Kim Edwards Melissa Deckman Fallon Stephen Fowl Paul Fromberg Katherine Greene McCreight Cameron Dezen Hammon BJ Heyboer Rhonda Mawhood Lee Ian S Markham Duane Miller Joseph Pagano Amy Peterson Spencer Reece Amy Richter C K Robertson Sophronia Scott Rachel Marie Stone Lauren Winner

After Trump Donald Heinz,2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism s distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy

and massive inequalities grew and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be re called will the churches re live as social movements that bring good news to all the people will American Christianity re contest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto **The Green Good News** T. Wilson Dickinson,2019-12-11 When was the last time that we heard some good news For those tuned in to the ecological crisis and the daily chronicle of injustice the declaration of good news might seem synonymous with denial and avoidance The gospel of Jesus Christ helps us to face the suffering of the world and live in love and hope The only catch is it requires that we change It is only by losing our consumeristic profit seeking and isolated lives that we may save them The Green Good News finds a fresh take on the Gospels painting a picture of Jesus as a humorous and subversive teacher an organizer of alternative communities and food economies as a healer of bodies and relationships and as a prophet who sought to overturn an empire and restore a more just and joyful way of life Christ teaches and incarnates a vision for sustainable life and provides practices that mark the path toward it By exploring this always inspiring sustainable gospel we can find ways to transform our lives communities and even creation **Tongue-Tied** Sara Wenger Shenk,2021-04-06 Are you tongue tied about faith Many Christians easily and eagerly talk about movies sports politics jobs and emotions So why are we tongue tied when it comes to talking about our faith even with each other Even with our kids What renders us incapable embarrassed or hesitant to talk about God In Tongue tied theologian and former seminary president Sara Wenger Shenk investigates the reasons that people who claim the name of Christ are so reluctant to talk about him Recovering an authentic vocabulary of faith and learning to speak in trustworthy captivating ways is an urgent task for followers of Jesus today In an era of dying churches polarizing cultural arguments and environmental and humanitarian crises many people are longing for deep conversations about things that matter We are longing for genuine spiritual connection with a just and loving God By reflecting theologically on biblical wisdom and our shared humanness Wenger Shenk calls readers to recover the winsome language of Christian faith We don't need to re learn Christianese or brush up on churchy clichés We need a language of faith that is authentic candid and robust enough to last *Your Kin-dom Come* William Thompson-Uberuaga,2018-05-16 So many Christians pray the Lord's Prayer It is almost second nature This book is meant to help these people pray it more deeply and lovingly Ecumenical and even striving to be global in nature this book explores what the Scriptures teach us about this prayer how the Christian tradition has approached this prayer in its long history and how many of our contemporary concerns challenge the way we can pray this prayer and also how the prayer can provide insights for those same concerns People of all persuasions believers and nonbelievers nones and followers of the world's great religions will also find many of their concerns given serious consideration in this book If you think nothing new can be said about the Our Father this book may surprise you *Vintage*

Saints and Sinners Karen Wright Marsh, 2017-09-12 Saints were not simply superstar Christians with otherworldly piety. When we take a closer look at the lives of these spiritual heavyweights we learn that they're not all that different from you and me. With humor and vulnerability Karen Marsh introduces us afresh to twenty-five brothers and sisters who challenge and inspire us with their honest faith.
