Dare to Trust (Colorado Trust Series - 5) Stacey Joy Netzel, 2014-05-01. Ad exec Jordan Blake believed image was everything until his parents were convicted of murder; the family company went bankrupt and his excessive drinking and arrest fueled the tabloids. When lawyer David Barnes offers representation in exchange for assistance in reopening his Colorado mountain resort, Jordan has no choice: it's help or jail. Hollywood wild child Lexie Sinclair disappeared by changing her name, joining the army, and marrying a soldier. Then her husband wrapped their car around a tree, killing himself and leaving her permanently injured. For the past few years, she's been content to live in peaceful obscurity as caretaker of David's defunct resort. Jordan's arrival exposes Lexie's true identity and brings her dead husband's friends calling. Jordan offers to help, but the shadow of his drinking leaves Lexie reluctant to trust. Can they conquer their fears and find the courage to face the criminals and the world together?

More Than A Kiss Stacey Joy Netzel, 2012-04-30. When a kiss All reporter Sadie Barton wants is to be taken seriously and judged on her own merits, not her stepfather's money. She and her actress sister left Wisconsin to get out from under his controlling thumb and leave behind the malicious whispers that they're no better than their gold-digging mother. But California isn't all sun and fun, and paying the rent while trying to prove herself is harder than she ever imagined. Is more than a kiss? Something about Sadie drew self-made millionaire Zach Robinson, and it wasn't just the amazing kiss they shared as impromptu actors in his company's commercial. He's used to women being interested in his wealth, and Sadie's fierce independence is an enticing breath of fresh air. He's falling fast until his brother suggests acting runs in her family, and Sadie might not be exactly what she seems. Stacey Joy Netzel has a gift for writing and creating characters with amazing chemistry. The passion between Zach and Sadie was natural and realistic. The push-pull chemistry between these characters had me barreling through this book to find out the ending. I definitely recommend this book to adult readers. More Than a Kiss is a hidden treasure, an undiscovered jewel in a pile of books.
