Growing Up In Heaven The Eternal Connection Between Parent And Child:

Growing Up in Heaven James Van Praagh, 2011-05-24 James Van Praagh has changed people's lives banished the fear of death and brought grieving parents the solace of their dead children's presence. It is impossible not to be moved. Newsweek Hereally is a healer. He is the real thing. Shirley MacLaine, World renowned psychic. James Van Praagh reveals the truth about children in the afterlife, verifying that their spirits remain enduringly connected to the world of the living even from the great hereafter. In *Growing Up in Heaven*, the New York Times bestselling author of *Ghosts Among Us* and *Unfinished Business* offers a heartwarming visionary confirmation of our deepest hopes and wishes for the children who have gone ahead of us to their great reward.

Chasing Shadows Sue Parker, 2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child. As unnatural as that may seem, many parents find themselves in that position. Whether caused by disease, illness, accident, crime, or suicide, parents can find themselves making funeral arrangements rather than planning a child's birthday party, graduation, or wedding. Author Sue Parker knows firsthand what that is like. In *Chasing Shadows: A Mother's Attempt to Process Her Grief*, Parker shares her experiences after the death of her youngest child. For much of 2012, Rowan said he wouldn't live to see 2013. After all, the Mayan calendar ended on December 22, 2012, so he reckoned everyone was going to die. Rather than dwell on the negativity, he grabbed every opportunity with enormous enthusiasm, including a quad bike ride that cost him his life on Boxing Day. Bereft, heartbroken, in a state of total shock, and struggling to survive, Parker felt she had two choices: She could follow him over a cliff or try to make some sense of the tragic turn her family's lives had taken. Everyone's experiences are different, but in *Chasing Shadows: A Mother's Attempt to Process Her Grief*, those going through similar circumstances may find help in knowing what to do next, how to go forward. You'll discover the path forward is not always easy, and there will likely be times when you find yourself wondering, "Why bother?" Through her experience, Parker shows you can go on and you should.

Taming Josh's Dragon Debbie Sumner, 2019-12-22 This book is written for Parents of a child with a life-threatening illness. Parents of a child who requires or has had a transplant. Parents who have lost a child. All the courageous people on the entire spectrum of organ and tissue donation and transplant. Organ and tissue donors and their families. Patients being considered for transplant. Those on the transplant waiting list. Organ and tissue transplant recipients. Families who lost a loved one following transplant. Families who lost a loved one on the waiting list before a donor became available. And last but certainly not least, my beloved Josh, angel in my heart and in spirit without whom my life would have been forever incomplete. Thank you for lessons learned and your teachings of pure love.

Tears for a Golden Butterfly Corine de Ruiter, 2025-05-28 In the summer of 2023, author Corine de Ruiter was suddenly confronted with her twenty-nine-year-old son Julian's mental health and substance use problems. After Julian's passing from an overdose, she started to receive messages about the planning for his celebration of life. These messages became more and more frequent, and it dawned on her that these were not her own thoughts. In *Tears for a Golden Butterfly*, Corine presents a touching memoir of loss, grief, and

spiritual awakening Attempting to comprehend her experiences she dove into the research literature on so called after death communications and near death experiences She began following online courses with Suzanne Giesemann a former US Navy commanding officer who is now an evidential medium and spiritual teacher During meditations and mediumship practice sessions Corine developed her skills to connect with beings in the spirit realm and learned that Julian was still very much a part of her life here on Earth Over time Julian shared what has happened to him with his mother as the afterlife had given him opportunity for reflection and continued learning From across the veil Julian supported his mom in her writing as she investigated the link between quantum physics and spirituality while experiencing that a field of energy connects everything so nothing is ever lost Julian s passing opened a portal to this field of love wisdom and intelligence and both he and Corine hope their story will bring healing to those who miss their loved ones An eloquent elegy to life loss and eternal love Corine s loss becomes the reader s gain as she shares a lifetime of spiritual wisdom made all the more potent when amplified from her connection with her son in the higher realms A healing balm for those wrestling to understand death as part of our ongoing journey Suzanne Giesemann spiritual teacher medium and author of *The Awakened Way* **A Blade of Grass** H.
