Korean as a Heritage Language from Transnational and Translanguaging Perspectives Hyesun Cho, Kwangok Song, 2022-12-14 This collection critically reflects on the state of the art research on Korean as a heritage language KHL teaching and learning centering KHL as an object of empirical inquiry by offering multiple perspectives on its practices and directions for further research The volume expands prevailing notions of transnationalism and translanguaging

by providing insights into the ways contemporary Korean immigrant and transnational families and individuals maintain their heritage language to participate in literary practices across borders Experts from across the globe explore heritage language and literacy practices in Korean immigrant communities in varied geographic and educational contexts In showcasing a myriad of perspectives across KHL research the collection addresses such key questions as how heritage language learners literacy practices impact their identities how their families support KHL development at home and what challenges and opportunities stakeholders need to consider in KHL education and in turn heritage language education more broadly This book will be of interest to families teachers scholars and language program administrators in Korean language education heritage language education applied linguistics and bilingual education

Mother Tongue Christine Gilbert, 2016-05-17 One woman's quest to learn Mandarin in Beijing Arabic in Beirut and Spanish in Mexico with her young family along for the ride Imagine negotiating for a replacement carburetor in rural Mexico with words you're secretly pulling from a pocket dictionary Imagine your two year old asking for more niunai at dinner a Mandarin word for milk that even you don't know yet Imagine finding out that you're unexpectedly pregnant while living in war torn Beirut With vivid and evocative language Christine Gilbert takes us along with her into foreign lands showing us what it's like to make a life in an unfamiliar world and in an unfamiliar tongue Gilbert was a young mother when she boldly uprooted her family to move around the world studying Mandarin in China Arabic in Lebanon and Spanish in Mexico with her toddler son and all American husband along for the ride Their story takes us from Beijing to Beirut from Cyprus to Chiang Mai and also explores recent breakthroughs in bilingual brain mapping and the controversial debates happening in linguistics right now Gilbert's adventures abroad prove just how much language influences culture and vice versa and lead her to results she never expected *Mother Tongue* is a fascinating and uplifting story about taking big risks for bigger rewards and trying to find meaning and happiness through tireless pursuit no matter what hurdles may arise It's a treat for language enthusiasts and armchair travelers alike

Trilingual Language Acquisition Sarah Chevalier, 2015-10-15 This book examines the language development of two children from the ages of two till four who are growing up exposed to English Swiss German and French Its aim is to ascertain the importance of different environmental factors in fostering active trilingualism These factors include the quantity of input for each language whether or not the societal language is spoken in the home and the conversational style of the caregivers Although increasing numbers of children are being raised trilingually research in this field is scarce this study thus makes an important contribution to our knowledge of trilingual language acquisition A special point of interest lies in a comparison of the acquisition of two minority languages by a single child since this allows us to pinpoint more precisely how the development of non societal languages can be influenced This book will be of considerable interest to researchers and students working on multilingualism and language acquisition alike

[Language Strategies for Trilingual Families](#) Andreas Braun, Tony Cline, 2014-02-03 This book aims to enable parents in trilingual families to consider possible language

strategies on the basis of analysing their individual circumstances It includes a tool for diagnostic self analysis that will help each reader to identify their situation and learn how parents in similar situations have approached the task of supporting their children s use of languages Based on a unique survey of parents in trilingual families in two European countries the book highlights the challenges that trilingual families face when living in mainly monolingual societies It takes into account the recent emergence of a New Trilingualism among educated parents who find themselves in trilingual families because of global trends in migration and the recent expansion of the EU
