

The background of the cover is a digital illustration. On the left, an elderly man with grey hair and a beard, wearing a tan fedora and a grey jacket, stands with his hands on his hips, looking towards the right. On the right, a white, fox-like creature with large, pointed ears and a long tail stands with its arms outstretched, looking towards the left. They are both looking at a vibrant, multi-colored rainbow that arches across the top of the frame. The landscape below them consists of a dense forest of dark green evergreen trees, with rolling hills and mountains visible in the distance under a blue sky with soft white clouds.

Grumpy Old Man Without Rainbows:

The Grumpy Old Man: a World Without Rainbows Salvatore Vitelli, 2015-11-29 The Grumpy Old Man A World Without Rainbows is a fully illustrated story describing one man's journey to seek happiness Living in the woods alone the grumpy old man finds no solace He devises a plan to rid the world of rainbows In the process he comes to learn that true joy comes from helping others The illustrated children's book instills a positive moral lesson *Secrets and Seashells at Rainbow Bay* Ali McNamara, 2019-06-27 The sun is shining on the golden castle on Rainbow Bay and change is in the air Amelia is a single mother doing her very best to look after her young son Charlie but money is tight and times are tough When she first hears that she is the last descendent of the Chesterford family and that she has inherited a Real Life Castle by the sea Amelia can't quite believe her ears But it's true She soon finds that owning a castle isn't quite the ticket to sorting out her money problems that she'd first hoped she can't sell because the terms of the ancient bequest state that any Chesterford who inherits the castle must live there and work towards the upkeep and maintenance of the family home So ever practical Amelia decides to uproot her little family and move to this magnificent castle by the sea Living in a castle on the beautiful Northumberland coast is fun at first but organising the day to day running is a lot more complicated than Amelia first imagined Luckily she has help from the small band of eccentric and unconventional staff that are already employed there and a mysterious unseen hand that often gives her a push in the right direction just when she needs it most It's only when she meets Tom a furniture restorer who comes to the castle to help repair some antique furniture that Amelia realises she might get the fairy tale ending that she and Charlie truly deserve Join bestselling author Ali McNamara in Rainbow Bay where an inheritance and some sea air are about to work their magic on Amelia's life **Watchers of the Rainbow Covenant** Derrick G. Lindsey, 2010-12 1 Now it came to pass when men began to multiply on the face of the earth and daughters were born to them 2 that the sons of God saw the daughters of men that they were beautiful and they took wives for themselves of all whom they chose 3 And the LORD said My Spirit shall not strive with man forever for he is indeed flesh yet his days shall be one hundred and twenty years 4 There were giants on the earth in those days and also afterward when the sons of God came in to the daughters of men and they bore children to them Those were the mighty men who were of old men of renown Genesis 6 1 4 NKJV 13 I saw in the visions of my head while on my bed and there was a watcher a holy one coming down from heaven Daniel 4 13 NKJV 17 This decision is by the decree of the watchers And the sentence by the word of the holy ones In order that the living may know That the Most High rules in the kingdom of men Gives it to whomever He will And sets over it the lowest of men Daniel 4 17 NKJV What are we to believe when we discover that what we've always thought and believed is so extraordinarily different it's beyond our wildest imagination Three unlikely partners become unlikely heroes Robert Joshua and Timothy find themselves in just such a plight In 23rd century Los Angeles the line that separates science from religion is about to be shattered beyond all time Join us on a thrill ride solving one mystery after
