Hannibals War Oxford Worlds Classics:

Hannibal's War Livy, 2009-06-25 Livy's great history of Rome contains in Books 21 to 30 the definitive ancient account of Hannibal's invasion of Italy in 218 BC and the war he fought with the Romans over the following sixteen years. Livy's gripping storytelling vividly conveys the drama of the great battles and individuals as well as events are brought powerfully to life. This new translation captures the brilliance of Livy's style and is accompanied by a fascinating introduction and notes. The comprehensive introduction examines Livy's work, his historical accuracy, his sources and the course of Hannibal's campaign by a scholar well known for his work on Hannibal and his times. The edition includes a glossary of Roman and Carthaginian terms, a chronological table, an index, a series of detailed maps and a discussion of the route of Hannibal from the south of Spain over the Alps to Italy. This wonderfully complete edition is perfect for lovers of classical literature, those with an interest in ancient or military history and students in an array of classes. About the Series For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study and much more.

Syracuse, City of Legends Jeremy Dummett, 2010-03-30 Dubbed the greatest Greek city and the most beautiful of them all by Cicero, Syracuse also boasts the richest history of anywhere in Sicily. Syracuse City of Legends, the first modern historical guide to the city, explores Syracuse's place within the island and the wider Mediterranean and reveals why it continues to captivate visitors today more than two and a half millennia after its foundation. Over its long and colourful life, Syracuse has been home to many creative figures including Archimedes, the greatest mathematician of the ancient world, as well as host to Plato, Scipio Africanus, conqueror of Hannibal, and Caravaggio, who have all contributed to the rich history and atmosphere of this beguiling and distinctive Sicilian city. Generously illustrated, Syracuse City of Legends also offers detailed descriptions of the principal monuments from each period in the city's life, explaining their physical location as well as their historical context. This vivid and engaging history weaves together the history, architecture and archaeology of Syracuse and will be an invaluable companion for anyone visiting the city as well as a compelling introduction to its ancient and modern history.

Rome's Italian Wars Livy, 2013-04-04 In Books 6 to 10 of his monumental history of Rome, Livy deals with the period in which Rome recovered from its Gallic disaster to impose mastery over almost the entire Italian peninsula in a series of ever greater wars. Vivid portrayals of personalities, politics, warfare and religion bring 4th century Italy vividly alive in this new translation.

Hannibal's War Livy, 2006-01-12 You know how to win a battle, Hannibal; you do not know how to use the victory. Livy's great history of Rome contains in Books 21 to 30 the definitive ancient account of Hannibal's invasion of Italy in 218 BC and the war he fought with the Romans over the following sixteen years. Livy describes the bloody siege of the Spanish city of Saguntum, Rome's ally, which sparked the war and the Carthaginian leader's famous

march with elephants over the Alps into Italy Livy's gripping story telling vividly conveys the drama of the great battles the disastrous encounters at Trasimene and Cannae and the final confrontation between Hannibal and the youthful Scipio Africanus Individuals as well as events are brought powerfully to life as the long course of the Second Punic War unfolds This new translation captures the brilliance of Livy's style and is accompanied by a fascinating introduction and notes **The Annals** Cornelius Tacitus, 2008-06-12 The Annals is a gripping account of the Roman emperors Tiberius Claudius and Nero and the brutality that marked their reigns Tacitus deplores their depravity proof of the corrupting force of absolute power J C Yardley's vivid and accurate translation is complemented by a thorough introduction and notes **Enduring Controversies in Military History** Spencer C. Tucker, 2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great's empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates Rome's Mediterranean Empire Livy, 2009-08-27 The Third Macedonian War ended the kingdom created by Philip II and Alexander the Great and was a crucial step in Rome's dominance of the Mediterranean Livy's narrative is also a moral study of the individuals involved This edition includes the Periochae later summaries of Livy's original 142 book history

Poetics Aristotle, 2013-01-10 What is poetry how many kinds of it are there and what are their specific effects Aristotle's Poetics is the most influential book on poetry ever written A founding text of European aesthetics and literary criticism from it stems much of our modern understanding of the creation and impact of imaginative writing including poetry drama and fiction For Aristotle the art of representation conveys universal truths which we can appreciate more easily than the lessons of history or philosophy In his short treatise Aristotle discusses the origins of poetry and its early development the nature of tragedy and plot and offers practical advice to playwrights This new translation by Anthony Kenny is accompanied by associated material from Plato and a range of responses from more modern literary practitioners Sir Philip Sidney P B

Shelley and Dorothy L Sayers The book includes a wide ranging introduction and notes making this the most accessible and attractive modern edition ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Citizenship in Antiquity Jakob

Filonik,Christine Plastow,Rachel Zelnick-Abramovitz,2023-06-30 Citizenship in Antiquity brings together scholars working on the multifaceted and changing dimensions of citizenship in the ancient Mediterranean from the second millennium BCE to the first millennium CE adopting a multidisciplinary and comparative perspective The chapters in this volume cover numerous periods and regions from the Ancient Near East through the Greek and Hellenistic worlds and pre Roman North Africa to the Roman Empire and its continuations and with excursuses to modernity The contributors to this book adopt various contemporary theories demonstrating the manifold meanings and ways of defining the concept and practices of citizenship and belonging in ancient societies and in turn of non citizenship and non belonging Whether citizenship was defined by territorial belonging or blood descent by privileged or exclusive access to resources or participation in communal decision making or by a sense of group belonging such identifications were also open to discursive redefinitions and manipulation Citizenship and belonging as well as non citizenship and non belonging had many shades and degrees citizenship could be bought or faked or even removed By casting light on different areas of the Mediterranean over the course of antiquity the volume seeks to explore this multi layered notion of citizenship and contribute to an ongoing and relevant discourse Citizenship in Antiquity offers a wide ranging comprehensive collection suitable for students and scholars of citizenship politics and society in the ancient Mediterranean world as well as those working on citizenship throughout history interested in taking a comparative approach Chapters Chapters 47 and 48 of this book arefreely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Hannibal* Eve MacDonald,2015-02-24 The life of the great Carthaginian general

who marched into Rome during the Second Punic War is reexamined in this revealing and scholarly biography Once of the greatest military minds of the Ancient World Hannibal Barca lived a life of daring and survival massive battles and ultimate defeat A citizen of Carthage and military commander in Punic Spain he famously marched his war elephants and huge army over the Alps into Rome s own heartland to fight the Second Punic War Yet the Romans were the ultimate victors They eventually captured and destroyed Carthage and thus it was they who wrote the legend of Hannibal a brilliant and worthy enemy whose defeat represented military glory for Rome In this groundbreaking biography Eve MacDonald employs archaeological findings and documentary sources to expand the memory of Hannibal beyond his military career Considering him in the context of his time and the Carthaginian culture that shaped him MacDonald offers a complex portrait of a man

from a prominent family who was both a military hero and a statesman MacDonald also analyzes Hannibal's legend over the millennia exploring how statuary Jacobean tragedy opera nineteenth century fiction and other depictions illuminate the character of one of the most fascinating figures in all of history

A History of the Laws of War: Volume 1 Alexander Gillespie, 2011-09-06 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and regulating the treatment of captives This first book on warfare deals with the broad question of whether the patterns of dealing with combatants and captives have changed over the last 5 000 years and if so how In terms of context the first part of the book is about combatants and those who can lawfully take part in combat In many regards this part of the first volume is a series of less than ideal pathways This is because in an ideal world there would be no combatants because there would be no fighting Yet as a species we do not live in such a place or even anywhere near it either historically or in contemporary times This being so a second best alternative has been to attempt to control the size of military forces and therefore the bloodshed This is also not the case by which humanity has worked over the previous centuries Rather the clear assumption for thousands of years has been that authorities are allowed to build the size of their armed forces as large as they wish The restraints that have been applied are in terms of the quality and methods by which combatants are taken The considerations pertain to questions of biology such as age and sex geographical considerations such as nationality and the multiple nuances of informal or formal combatants These questions have also overlapped with ones of compulsion and whether citizens within a country can be compelled to fight without their consent Accordingly for the previous 3 000 years the question has not been whether there should be a limit on the number of soldiers but rather who is or is not a lawful combatant It has rarely been a question of numbers It has been and remains one of type The second part of this book is about people typically combatants captured in battle It is about what happens to their status as prisoners about the possibilities of torture assistance if they are wounded and what happens to their remains should they be killed and their bodies fall into enemy hands The theme that ties all of these considerations together is that all of the acts befall those who are to one degree or another captives of their enemies As such they are no longer masters of their own fate As a work of reference this first volume as part of a set of three is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

[The Histories](#) Polybius, 2010-11-11 Polybius account of Rome's rise to world power and her method of rule is a major source for the history of the years 220-146 BC This new translation includes Books 1-5 in their entirety and all of the

fragmentary Books 6 and 12 on the Roman constitution and historiography It is accompanied by an illuminating introduction and notes The Interpretation of Dreams Artemidorus,2020 Artemidorus The Interpretation of Dreams Oneirocritica is the richest and most vivid pre Freudian account of dream interpretation and the only dream book to have survived complete from Graeco Roman times Written in Greek around AD 200 when dreams were believed by many to offer insight into future events the work is a compendium of interpretations of dreams on a wide range of subjects relating to the natural human and divine worlds It includes the meanings of dreams about the body sex eating and drinking dress the weather animals the gods and much else Artemidorus technique of dream interpretation stresses the need to know the background of the dreamer such as occupation health status habits and age and the work is a fascinating social history revealing much about ancient life culture and beliefs and attitudes to the dominant power of Imperial Rome **Generic Interfaces in Latin Literature** Theodore D. Papanghelis,Stephen J. Harrison,Stavros Frangoulidis,2013-03-22 Neither older empiricist positions that genre is an abstract concept useless for the study of individual works of literature nor the recent post modern reluctance to subject literary production to any kind of classification seem to have stilled the discussion on the various aspects of genre in classical literature Having moved from more or less essentialist and or prescriptive positions towards a more dynamic conception of the generic model research on genre is currently considering pushing beyond the boundaries impurity instability enrichment and genre bending The aim of this volume is to raise questions of such generic mobility in Latin literature The papers explore ways in which works assigned to a particular generic area play host to formal and substantive elements associated with different or even opposing genres assess literary works which seem to challenge perceived generic norms highlight along the literary historical the ideological and political backgrounds to dislocations of the generic map *Estate Management and Symposium* Xenophon,2022-05-16 Xenophon was acknowledged in Antiquity as a philosopher a historian third in the triad of great Classical historians alongside Herodotus and Thucydides and a literary artist His narrative was appreciated for its literary qualities including its charm wit vigour and sweetness for which he was hailed as Attic Muse Diogenes Laertius 2 6 57 The Oeconomicus describes Socrates conversing on the topic of successful management of one s oikos household estate The focus is a well to do Athenian household which proves a testing ground for the moral qualities or gentlemanliness of the male head of household but also a space in which the role and agency of women turns out to be key Symposium shifts to the male space of the men s quarters of the private home to describe an evening of conversation and entertainment at the house of an Athenian plutocrat Far from being simply a lighthearted affair the conversation probes timeless questions regarding wisdom love and female capacity and over it looms the deadly serious matter of Socrates trial and death Both works are rich sources for Athenian social history of the Classical period Oeconomicus in particular offers insights on the role and status of women in Ancient Athens Xenophon doesn t however passively reflect the social realities he saw around him or supply snapshots of historical actuality Memories of Socrates Xenophon,2023 Xenophon s Memorabilia and Apology provide a

passionate defence of Socrates against the charges brought against him that lead to his execution The two texts together provide a moving account of what happened immediately before during and after his trial The Fall of the Roman Republic Cassius Dio,2024 This book presents the first English translation to appear for over a hundred years of a key text Books 36 40 of Cassius Dio s Roman History which is not only the fullest surviving account of the last twenty years before the Roman Republic collapsed 69 50 BCE but is also a vivid and compelling historical narrative **Wasps and Other Plays** Aristophanes,2024-03-14 This is the third and final volume of a new verse translation of the complete plays of Aristophanes by Stephen Halliwell The translations combine accuracy with an attempt to capture the rich dramatic and literary qualities of Aristophanic comedy **Anecdotes and Antidotes** Aḥmad ibn al-Qāsim Ibn Abī Uṣaybi'ah,Ibn Abi Usaybi'ah,2020 Ibn Abi Usaybi ah was a Syrian Arab physician of the 13th century who compiled a biographical encyclopedia of notable physicians and scholars from the Greeks Romans Syriacs and Indians including Galen and Avicenna
