**Hard-boiled Masculinities** Christopher Breu, 2005 The persona of the American male in the period between the two world wars was characterized by physical strength emotional detachment aggressive behavior and an amoral worldview This ideal of a hard boiled masculinity can be seen in the pages and even more vividly on the covers of magazines such as Black Mask which shifted from Victorian influenced depictions of men in top hats and mustaches in the early 1920s to the portrayal of much more overtly violent and muscular men Looking closely at this transformation Christopher Breu offers a complex account of how and why hard boiled masculinity emerged during an unsettled time of increased urbanization and tenuous peace and traces the changes in its cultural conception as it moved back and forth across the divide between high and low culture as well as the color line that bifurcated American society Examining the work of Ernest Hemingway Dashiell Hammett Chester Himes and William Faulkner as well as many lesser known writers for the hypermasculine pulp magazines of the 1920s and 1930s Breu illustrates how the tough male was a product of cultural fantasy one that shored up gender and racial stereotypes as a way of lashing out at the destabilizing effects of capitalism and social transformation Christopher Breu is assistant professor of English at Illinois State University

**Hard Boiled Masculinities** Christopher Breu, 2000 **Hard Boiled Masculinities** Christopher Breu, 2000 *Food, Consumption, and Masculinity in American Hardboiled Fiction* Marta Usiekniewicz, 2023-07-12 Food Consumption and Masculinity in American Hardboiled Fiction draws on three related bodies of knowledge crime fiction criticism masculinity studies and the cultural analysis of food and consumption practices from a critical eating studies perspective In particular this book focuses on food as an analytical category in the study of tough masculinity as represented in American hardboiled fiction Through an examination of six American novels Dashiell Hammett's *The Maltese Falcon* Raymond Chandler's *The Big Sleep* Leigh Brackett's *No Good from a Corpse* Dorothy B Hughes's *In a Lonely Place* Jim Thompson's *The Killer Inside Me* and Rex Stout's *Champagne for One* this book shows how these novels reflect the gradual process of redefining consumption and consumerism in America which traditionally has been coded as feminine Marta Usiekniewicz shows that food and eating also reflect power relations and larger social and economic structures connected to class gender geography sexuality and ability to name just a few

**Criminal Femmes Fatales in American Hardboiled Crime Fiction** Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the

constraining forces of patriarchy and misogyny *Clues: A Journal of Detection, Vol. 42, No. 2 (Fall 2024)* Elizabeth Foxwell, 2025-03-07 For over two decades *Clues* has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction *Clues* is essential reading for literature

and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe

Men, Masculinities, and Earth Paul M. Pulé, Martin Hultman, 2021-08-03 This book considers issues of social and ecological significance through a masculinities lens Earth our home for aeons is reeling The atmosphere is heating up causing reefs to bleach fisheries to collapse regions to flood and dry vast tracts to burn the polar ice caps to melt ancient glaciers to retreat biodiversity to decline exacerbated by the sixth great extinction and more Meanwhile social and economic disparities are widening Pandemics are cauterising global communities and altering our social mores Nationalism is feeding divisiveness and hate especially through men's violence Politically extreme individuals and groups are exalting freedom while scapegoating the marginalised Such are the symptoms of an emerging Anthropocene This anthology contends with these alarming trends pointing our attention towards their gendered origins Building on our monograph *Ecological Masculinities Theoretical Foundations and Practical Guidance* 2018 this collection of essays is framed as a dinner party conversation grouped into six discursive themes Their views reflect a growing community of practice whose combined efforts capture the most recent perspectives on masculine ecologisation Together they aim to help create a more caring world for all moving the ecological masculinities conversation forward as it becomes an established international and pluralised field of study

*Unwilling Executioner* Andrew Pepper, 2016 *Unwilling Executioner* is the first book to examine the deep rooted relationship between the development of crime fiction as a genre and the consolidation of the modern state It offers a far reaching and wide ranging perspective on this unfolding relationship over a three hundred year period but is not a straightforward and conventional narrative history of the genre It is part of a new and exciting critical move to read crime fiction as a transnational phenomenon and to examine

crime novelists in an innovative comparative context taking them out of their discreet national traditions Considers Anglo American crime writing as well as works published in France Italy Germany Ireland Japan South Africa and elsewhere it addresses the related questions of why crime fiction is political and how particular examples of the genre engage with the complicated issue of political commitment The Routledge Introduction to Canadian Crime Fiction Pamela Bedore, 2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre Cornell Woolrich and the Tough-Man Tradition of American Crime Fiction Christine Photinos, 2015-11-02 In recent years and with increasing frequency Cornell Woolrich has been categorized as a member of the hard boiled school of American crime fiction and one of its most important early practitioners Objections to this categorization notwithstanding Woolrich's stories provide critical counterpoints to the work of his better known contemporaries and to some of the taken for granted conventions of early hard boiled crime fiction This article originally appeared in Clues A Journal of Detection Volume 28 Issue 2 The Cambridge Companion to the Twentieth-Century American Novel and Politics Bryan M. Santin, 2023-10-12 This volume analyzes how political movements ideas and events shaped the American novel **A Taste of Power** Katharina Vester, 2015-10-02 Since the founding of the United States culinary texts and practices have played a crucial role in the making of cultural identities and social hierarchies A Taste of Power examines culinary writing and practices as forces for the production of social order and at the same time points of cultural resistance Culinary writing has helped shape dominant ideas of nationalism gender and sexuality suggesting that eating right is a gateway to becoming an American a good citizen an ideal man or a perfect wife and mother In this brilliant interdisciplinary work Katharina Vester examines how cookbooks became a way for women to participate in nation building before they had access to the vote or public office for Americans to distinguish themselves from Europeans for middle class authors to assert their class privileges for men to claim superiority over women in the kitchen and for lesbian authors to insert themselves into the heteronormative economy of culinary culture A Taste of Power engages in close reading of a wide variety of sources and genres to uncover the intersections of food politics and privilege in American culture Representations of Masculinity in Literature and Film Sara Martin, 2020-09-11 How are men represented on the printed page the stage and the screen What do these representations say about masculinity in the past the present and the future

The twelve essays in this volume explore the different ways in which men and masculinity have been represented from the plays of William Shakespeare to the science fiction of Richard K Morgan passing through classic fiction by Emily Bront and Charles Dickens and popular favourites by Terry Pratchett and Isaac Asimov without forgetting the Star Wars saga Collectively these essays argue that although much has been written about men it has been done from a perspective that does not see masculinity as a specific feature in need of critical appraisal Men need to be made aware of how they are represented in order to alter the toxic patriarchal models handed down to them and even break the extant binary gender models For that it is important that men distinguish patriarchy from masculinity as is done here and form anti patriarchal alliances with each other and with women This book is then an invitation to men s liberation from patriarchy by raising an awareness of its crippling constraints **A Companion to Twentieth-Century United States Fiction** David Seed,2010-01-21

Through a wide ranging series of essays and relevant readings **A Companion to Twentieth Century United States Fiction** presents an overview of American fiction published since the conclusion of the First World War Features a wide ranging series of essays by American British and European specialists in a variety of literary fields Written in an approachable and accessible style Covers both classic literary figures and contemporary novelists Provides extensive suggestions for further reading at the end of each essay **Faulkner and History** Jay Watson,James G. Thomas Jr.,2017-03-15 Contributions by W Fitzhugh Brundage Jordan Burke Rebecca Bennett Clark James C Cobb Anna Creadick Colin Dayan Wai Chee Dimock Sarah E Gardner Hannah Godwin Brooks E Hefner Andrew B Leiter Sean McCann Conor Picken Natalie J Ring Calvin Schermerhorn and Jay Watson William Faulkner remains a historian s writer A distinguished roster of historians are drawn to him as a fellow historian a shaper of narrative reflections on the meaning of the past as a historiographer a theorist and dramatist of the fraught enterprise of doing history and as a historical figure himself especially following his mid century emergence as a public intellectual after winning the Nobel Prize for Literature This volume brings together historians and literary scholars to explore the many facets of Faulkner s relationship to history the historical contexts of his novels and stories his explorations of the historiographic imagination his engagement with historical figures from both the regional and national past his influence on professional historians his pursuit of alternate modes of temporal awareness and the histories of print culture that shaped the production reception and criticism of Faulkner s work Contributors draw on the history of development in the Mississippi Valley the construction of Confederate memory the history and curriculum of Harvard University twentieth century debates over police brutality and temperance reform the history of modern childhood and the literary histories of antislavery writing and pulp fiction to illuminate Faulkner s work Others in the collection explore the meaning of Faulkner s fiction for such professional historians as C Vann Woodward and Albert Bushnell Hart In these ways and more **Faulkner and History** offers fresh insights into one of the most persistent and long recognized elements of the Mississippian s artistic vision **Thomas Pynchon, Sex, and Gender** Ali Chetwynd,Joanna Freer,Georgios

Maragos,2018-11-15 Thomas Pynchon's fiction has been considered masculinist misogynist phallogocentric and pornographic its formal experimentation irony and ambiguity have been taken both to complicate such judgments and to be parts of the problem To the present day deep critical divisions persist as to whether Pynchon's representations of women are sexist feminist or reflective of a more general misanthropy whether his writing of sex is boorishly pornographic or effectually transgressive whether queer identities are celebrated or mocked and whether his departures from realist convention express masculinist elitism or critique the gendering of genre Thomas Pynchon Sex and Gender reframes these debates As the first book length investigation of Pynchon's writing to put the topics of sex and gender at its core it moves beyond binary debates about whether to see Pynchon as liberatory or conservative instead examining how his preoccupation with sex and gender conditions his fiction's whole worldview The essays it contains which cumulatively address all of Pynchon's novels from V 1963 to Bleeding Edge 2013 investigate such topics as the imbrication of gender and power sexual abuse and the writing of sex the gendering of violence and the shifting representation of the family Providing a wealth of new approaches to the centrality of sex and gender in Pynchon's work the collection opens up new avenues for Pynchon studies as a whole

Detoxing Masculinity in Anglophone Literature and Culture Sara Martín,M. Isabel Santaullària,2023-03-07 This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non fictional texts The editors show how ideas of hegemonic and toxic masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical personal and socially accepted patterns Bringing together research from different periods and genres this collection provides broad multidisciplinary insights into alternative representations of masculinity

**Pulp Virilities and Post-War American Culture** Arthur Redding,2022-09-10 This book interrogates the repertoire of masculine performance in popular crime fiction and cinema from the 1940s 50s and 60s This critical survey of the back alleys of pulp culture reveals American masculinities to be unsettled contentious crisis ridden racially fraught and sexually anxious Libertarian in their sensibilities self aggrandizing in their sentiments resistant to the lures of upper mobility scornful of white collar and corporate culture the protagonists of these popular and populist works viewed themselves as working class heroes cast adrift Pulp Virilities explores the enduring traditions of hard boiled and noir literature casting a critical eye on its depictions of urban life and representations of gender crime labor and race Demonstrating how anxieties and possibilities of American masculinity are hammered out in works of popular culture Pulp Virilities provides a rich cultural genealogy of contemporary American social life

*Modern Sentimentalism* Lisa Mendelman,2019 Modern Sentimentalism discusses how the iconic modern woman as presented in interwar American literature It reveals how this literary figure carries the weight of sentiment and how the question of feminine feeling is

central to modernism s preoccupations and styles
