

Thank you for purchasing a Harman Kardon AVR 225. This Quick-Start Guide will help you with a basic system installation. For detailed information on any step in this Guide, please refer to the pages referenced in the Owner's Manual. We strongly recommend that you read the Owner's Manual for complete details on how to install, configure and operate the AVR 225, as well as for the important safety information it contains.

**Figure 1 – Speaker Placement**

The colors shown for each speaker correspond to the matching output terminal connection on the back of the AVR 225 (see page 1-4).

Step 1. Place your speakers in the listening room (see page 1-6).

| Connections Color Guide          |      |       |

| Surround                         |      |       |
| Subwoofer                        |      |       |
| <b>Digital Audio Connections</b> |      |       |
| Cox                              |      |       |
| Optical                          |      |       |
| <b>Video Connections</b>         |      |       |
| Composite                        |      |       |
| S-Video                          |      |       |

Match the colored jacks on the AVR 225 to the appropriate jacks on your source equipment or speakers. The colors are standardized, but not all equipment or connectors use them.
