Harriet And The Promised Land:

Harriet and the Promised Land Jacob Lawrence,1968 Bold powerful paintings by a great African American artist vividly capture the drama of Harriet Tubman s life long struggle to free her people from slavery Striking rhythmic verse conveys the urgency and danger of Harriet s work on the Underground Railroad A New York Times Best Illustrated Book Full color

Harriet and the Promised Land Jacob Lawrence,1968 Brief biography in verse about Harriet Tubman and her dedicated efforts to lead her fellow slaves to freedom *Harriet and the Promised Land* Jacob Lawrence,1997-01-01 A brief biography in verse about Harriet Tubman and her dedicated efforts to lead her fellow slaves to freedom Bound for the Promised Land Kate Clifford Larson,2004-12-28 The essential richly researched biography of Harriet Tubman revealing a complex woman who led a remarkable life one that her race her sex and her origins make all the more extraordinary The New York Times Book Review Harriet Tubman is one of the giants of American history a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War Now in this magnificent biography historian Kate Clifford Larson gives us a powerful intimate meticulously detailed portrait of Tubman and her times Drawing from a trove of new documents and sources as well as extensive genealogical data Larson presents Harriet Tubman as a complete human being brilliant shrewd deeply religious and passionate in her pursuit of freedom A true American hero Tubman was also a woman who loved suffered and sacrificed Praise for Bound for the Promised Land Bound for the Promised Land appropriately reads like fiction for Tubman s exploits required such intelligence physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook Larson captures Tubman s determination and seeming imperviousness to pain and suffering coupled with an extraordinary selflessness and caring for others The Seattle Times Essential for those interested in Tubman and her causes Larson does an especially thorough job of uncovering relevant documents some of them long hidden by history and neglect The Plain Dealer Larson has captured Harriet Tubman s clandestine nature reading Ms Larson made me wonder if Tubman is not in fact the greatest spy this country has ever produced The New York Sun **Harriet Tubman** Kristen T. Oertel,2015-08-20 Escaped slave Civil War spy scout and nurse and champion of women s suffrage Harriet Tubman is an icon of heroism Perhaps most famous for leading enslaved people to freedom through the Underground Railroad Tubman was dubbed Moses by followers But abolition and the close of the Civil War were far from the end of her remarkable career Tubman continued to fight for black civil rights and campaign fiercely for women s suffrage throughout her life In this vivid concise narrative supplemented by primary documents Kristen T Oertel introduces readers to Tubman s extraordinary life from the trauma of her childhood slavery to her civil rights activism in the late nineteenth century and in the process reveals a nation s struggle over its most central injustices *Force, Religion, and the Quest for African American Justice* Daniel A. Morris,2025-06-26 This study argues that Black calls for force in the struggle against white supremacy have echoed concepts and principles in the Western just war

tradition After establishing that just war theory has ignored Black calls for force and that the Trans Atlantic Slave Trade relied on just war ethics for its justification this book turns to African American resistance rhetoric in three crucial periods of U S history In the antebellum period the Civil Rights movement and the era of mass incarceration African American thinkers have drawn on ideas and forms of logic that run parallel to just war ethics This makes Black rhetoric of forceful resistance morally normal rather than radical or extremist Figures in the Black just war tradition such as David Walker Henry Highland Garnet Harriet Tubman Huey Newton Bree Newsome and others should be included in the discipline of just war ethics and white American Christians should recognize that their endorsements of force are consistent with widely accepted moral positions

Harriet's Legacies Ronald Cummings, Natalee Caple, 2022-05-15 Historic freedom fighter and conductor of the Underground Railroad Harriet Tubman risked her life to ferry enslaved people from America to freedom in Canada Her legacy instigates and orients this exploration of the history of Black lives and the future of collective struggle in Canada Harriet s Legacies recuperates the significance of Tubman s time in Canada as more than just an interlude in her American narrative it is a new point from which to think about Black diasporic mobilities possibilities and histories Through essays and creative works this collection articulates new territory for Tubman in relation to the Black Atlantic archive connecting her legacies of survival freedom and cultural expression within a transnational framework Contributors take up the question of legacy in ways that remap discourses of genealogy and belonging positioning Tubman as an important part of today s freedom struggles Integrating scholarship with creative and curatorial practices the volume expands conversations about culture and expression in African Canadian life across art literature performance politics and public pedagogy Considering questions of culture community and futures Harriet s Legacies explores what happened in the wake of Tubman s legacy and situates Canada as a key part of that dialogue

On Freedom Road David Goodrich, 2023-02-07 A thoughtful and illuminating bicycle journey along the Underground Railroad by a climate scientist seeking to engage with American history The traces of the Underground Railroad hide in plain sight a great church in Philadelphia a humble old house backing up to the New Jersey Turnpike an industrial outbuilding in Ohio Over the course of four years David Goodrich rode his bicycle 3 000 miles east of the Mississippi to travel the routes of the Underground Railroad and delve into the history and stories in the places where they happened He followed the most famous of conductors Harriet Tubman from where she was enslaved in Maryland on the eastern shore all the way to her family sanctuary at a tiny chapel in Ontario Canada Travelling South he rode from New Orleans where the enslaved were bought and sold through Mississippi and the heart of the Delta Blues As we pedal along with him Goodrich brings us to the Borderland along the Ohio River a kind of no mans land between North and South in the years before the Civil War Here slave hunters roamed both banks of the river trying to catch people as they fled for freedom We travel to Oberlin Ohio a town that staunchly defended freedom seekers embodied in the life of Lewis Leary who was lost in the fires of Harpers Ferry but his spirit was reborn in the Harlem Renaissance On Freedom Road enables us

to see familiar places New York and Philadelphia New Orleans and Buffalo in a very different light from the vantage point of desperate people seeking to outrun the reach of slavery Join in this journey to find the heroes and stories both known and hidden of the Underground Railroad Leaders General Stanley McChrystal, Jeff Eggers, Jay Mangone, 2018-10-23 An instant national bestseller Stanley McChrystal the retired US Army general and bestselling author of Team of Teams profiles thirteen of history's great leaders including Walt Disney Coco Chanel and Robert E Lee to show that leadership is not what you think it is and never was Stan McChrystal served for thirty four years in the US Army rising from a second lieutenant in the 82nd Airborne Division to a four star general in command of all American and coalition forces in Afghanistan During those years he worked with countless leaders and pondered an ancient question What makes a leader great He came to realize that there is no simple answer McChrystal profiles thirteen famous leaders from a wide range of eras and fields from corporate CEOs to politicians and revolutionaries He uses their stories to explore how leadership works in practice and to challenge the myths that complicate our thinking about this critical topic With Plutarch's Lives as his model McChrystal looks at paired sets of leaders who followed unconventional paths to success For instance Walt Disney and Coco Chanel built empires in very different ways Both had public personas that sharply contrasted with how they lived in private Maximilien Robespierre helped shape the French Revolution in the eighteenth century Abu Musab al Zarqawi led the jihadist insurgency in Iraq in the twenty first We can draw surprising lessons from them about motivation and persuasion Both Boss Tweed in nineteenth century New York and Margaret Thatcher in twentieth century Britain followed unlikely roads to the top of powerful institutions Martin Luther and his future namesake Martin Luther King Jr both local clergymen emerged from modest backgrounds to lead world changing movements Finally McChrystal explores how his former hero General Robert E Lee could seemingly do everything right in his military career and yet lead the Confederate Army to a devastating defeat in the service of an immoral cause Leaders will help you take stock of your own leadership whether you're part of a small team or responsible for an entire nation Moses and the Monster and Miss Anne Carole C. Marks, 2024-03-18 This engaging history presents the extraordinary lives of Patty Cannon Anna Ella Carroll and Harriet Tubman three dangerous women who grew up in early nineteenth century Maryland and were vigorously enmeshed in the social and political maelstrom of antebellum America The monstrous Patty Cannon was a reputed thief murderer and leader of a ruthless gang who kidnapped free blacks and sold them back into slavery whereas Miss Anna Ella Carroll a relatively genteel unmarried slaveholder foisted herself into state and national politics by exerting influence on legislators and conspiring with Governor Thomas Holliday Hicks to keep Maryland in the Union when many state legislators clamored to join the Confederacy And of course Harriet Tubman slave rescuer abolitionist and later women's suffragist was both hailed as the Moses of her people and hunted as an outlaw with a price on her head worth at least ten thousand dollars All three women lived for a time in close proximity on the Eastern Shore of Maryland an isolated region that thrived on tobacco and then lost it procured slaves and then lost them and

produced strong minded women and then condemned them Though they never actually met and their backgrounds and beliefs differed drastically these women s lives converged through their active experiences of the conflict over slavery in Maryland and beyond the uncertainties of economic transformation the struggles in the legal foundation of slavery and most of all the growing dispute in gender relations in America Throughout this book Carole C Marks gleans historical fact and sociological insight from the persistent myths and exaggerations that color the women s legacies and she investigates the common roots and motivations of three remarkable figures who bucked the era s expectations for women She also considers how each woman s public identity reflected changing ideas of domesticity and the public sphere spirituality and legal rights and limitations Cannon Carroll and Tubman each in her own way passionately fought for the future of Maryland and the United States and from these unique vantage points Moses and the Monster and Miss Anne portrays the intersecting and conflicting forces of race economics and gender that threatened to rend a nation apart The Better Angels Robert C. Plumb,2020-03 Harriet Tubman Harriet Beecher Stowe Clara Barton Julia Ward Howe and Sarah Josepha Hale came from backgrounds that ranged from abject enslavement to New York City s elite Surmounting social and political obstacles they emerged before and during the worst crisis in American history the Civil War Their actions became strands in a tapestry of courage truth and patriotism that influenced the lives of millions and illuminated a new way forward for the nation In this collective biography Robert C Plumb traces these five remarkable women s awakenings to analyze how their experiences shaped their responses to the challenges disappointments and joys they encountered on their missions Here is Tubman fearless conductor on the Underground Railroad alongside Stowe the author who awakened the nation to the evils of slavery Barton led an effort to provide medical supplies for field hospitals and Union soldiers sang Howe s Battle Hymn of the Republic on the march And amid national catastrophe Hale s campaign to make Thanksgiving a national holiday moved North and South toward reconciliation **Bound for the North Star** Dennis B. Fradin,2000 True stories of fugitive slaves

African Founders David Hackett Fischer,2022-05-31 In this sweeping foundational work Pulitzer Prize winning historian David Hackett Fischer draws on extensive research to show how enslaved Africans and their descendants enlarged American ideas of freedom in varying ways in different regions of the early United States African Founders explores the little known history of how enslaved people from different regions of Africa interacted with colonists of European origins to create new regional cultures in the colonial United States The Africans brought with them linguistic skills novel techniques of animal husbandry and farming and generations old ethical principles among other attributes This startling history reveals how much our country was shaped by these African influences in its early years producing a new distinctly American culture Drawing on decades of research some of it in western Africa Fischer recreates the diverse regional life that shaped the early American republic He shows that there were varieties of slavery in America and varieties of new American culture from Puritan New England to Dutch New York Quaker Pennsylvania cavalier Virginia coastal Carolina and Louisiana and Texas This landmark

work of history will transform our understanding of America's origins *Gendered Resistance* Mary E. Frederickson, Delores M. Walters, 2013-10-30 Inspired by the searing story of Margaret Garner the escaped slave who in 1856 slit her daughter's throat rather than have her forced back into slavery the essays in this collection focus on historical and contemporary examples of slavery and women's resistance to oppression from the nineteenth century to the twenty first Each chapter uses Garner's example the real life narrative behind Toni Morrison's *Beloved* and the opera *Margaret Garner* as a thematic foundation for an interdisciplinary conversation about gendered resistance in locations including Brazil Yemen India and the United States Contributors are Nailah Randall Bellinger Olivia Cousins Mary E Frederickson Cheryl Janifer LaRoche Carolyn Mazloomi Cathy McDaniels Wilson Catherine Roma Huda Seif S Pearl Sharp Raquel Luciana de Souza Jolene Smith Veta Tucker Delores M Walters Diana Williams and Kristine Yohe *Extremists for Love* J. T. Young, 2024-08-23 The histories of race and religion in America are inextricably intertwined From the antebellum South to the civil rights era and the modern BlackLivesMatter movement Christianity has played a key role It may be tempting to believe in light of the way far right politics has hijacked Christian language and ideas in recent decades that religion was used exclusively as an oppressive tool but the ways in which Christianity played a key role in active resistance to white supremacy from its earliest days cannot be overlooked *Extremists for Love* gives readers a critical overview of twenty central figures from the history of the black liberation struggle in the United States exposing the theological trappings of their work and what they mean for the church today Accessible in style and academic in quality this volume examines civil rights activists scholars theologians pop culture icons and collectives who either implicitly or explicitly deployed Christian ideas in their work for black liberation **A History of African-American Leadership** John White, Bruce J. Dierenfield, 2014-06-11 The story of black emancipation is one of the most dramatic themes of American history covering racism murder poverty and extreme heroism Figures such as Malcolm X and Martin Luther King are the demigods of the freedom movements both film and household figures This major text explores the African American experience of the twentieth century with particular reference to six outstanding race leaders Their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned The book also examines the grass roots of black protest movements in America paying particular attention to the major civil rights organizations as well as black separatist groups such as the Nation of Islam **Borderland Blacks** dann j Broyld, 2022-05-25 Winner of the OHS Fred Landon Award In the early nineteenth century Rochester New York and St Catharines Canada West were the last stops on the Niagara branch of the Underground Railroad Both cities handled substantial fugitive slave traffic and were logical destinations for the settlement of runaways because of their progressive stance on social issues including abolition of slavery women's rights and temperance Moreover these urban centers were home to sizable free Black communities as well as an array of individuals engaged in the abolitionist movement such as Frederick Douglass Harriet Tubman Anthony Burns and Hiram Wilson dann j Broyld's

Borderland Blacks explores the status and struggles of transient Blacks within this dynamic zone where the cultures and interests of the United States Canada Great Britain and the African Diaspora overlapped Blacks in the two cities shared newspapers annual celebrations religious organizations and kinship and friendship ties Too often historians have focused on the one way flow of fugitives on the Underground Railroad from America to Canada when in fact the situation on the ground was far more fluid involving two way movement and social collaborations Black residents possessed transnational identities and strategically positioned themselves near the American Canadian border where immigration and interaction occurred Borderland Blacks reveals that physical separation via formalized national barriers did not sever concepts of psychological memory or restrict social ties Broyld investigates how the times and terms of emancipation affected Blacks on each side of the border including their use of political agency to pit the United States and British Canada against one another for the best possible outcomes

Colored Insane Diana Martha Louis, 2025-10-28 The nineteenth century in the United States witnessed the end of slavery and the expansion of another form of confinement the asylum How did enslaved and free Black people encounter psychiatric institutions How were notions of mental disability used to reinforce slavery and Jim Crow And how did Black people express alternative ideas about individual and communal mental health Diana Martha Louis explores Black experiences and views of mental disability in the nineteenth century shedding light on the lives and struggles of the colored insane She demonstrates how psychiatric discourses made Blacks mad both by inflicting real psychological harm within asylums plantations jails and society writ large and by constructing mental disorders according to prevailing notions of race class gender and sanity Yet even as white medical professionals pathologized the enslaved as suffering from drapetomania runaway slave syndrome portrayed slavery as beneficial to Black mental health or cast African derived spiritual beliefs and practices as signs of madness Black people developed their own complex perspectives on mental disability Louis considers the lives and writings of Black intellectuals and cultural figures including James McCune Smith Harriet Jacobs Harriet Tubman and Charles Chesnutt as well as a group of Black women who were incarcerated in Georgia Lunatic Asylum showing how mental disability was entangled with questions of freedom spirituality and self determination Combining literary and historical analysis *Colored Insane* is a rich account of nineteenth century Black Americans experiences of mental illness and wellness
