**100 Years of Children's Book Week Posters** Leonard S. Marcus,2019-03-05 Celebrate a century of children s book illustration For families art lovers and history buffs alike Leonard S Marcus s visual history tour of 100 years of children s book illustration gathers in one glorious volume the posters of the annual Children s Book Week Featuring work from early luminaries such as N C Wyeth and Marcia Brown to more contemporary illustrators like David Wiesner Mary GrandPr Christian Robinson and Jillian Tamaki this beautiful collection showcases the conceptual and iconic images that have defined children s books for generations of young readers While the posters within these pages are linked in their resounding advocacy for young people s literacy they are distinguished by the styles and mediums of their creators and by the historical

social and cultural influences of their times. Renowned historian Leonard S. Marcus traces these developments in the children's book field with incisive descriptions to accompany each poster. Children's Book Week has grown over the past one hundred years from a modest grassroots effort to a full-throttle nationwide annual celebration of literacy and the pleasures of reading. The posters in this book beautifully emphasize Book Week's mission with slogans such as "Build the Future with Books," "Get Lost in a Book," and "One World, Many Stories."

**Always On** Naomi S. Baron, 2010-03-03. Baron reveals that online and mobile technologies including instant messaging, cell phones, multitasking, Facebook blogs, and wikis are profoundly influencing how we read and write, speak and listen, but not in the ways we might suppose. She reveals that email, IM, and text messaging have had surprisingly little impact on student writing. More troubling is the myriad ways in which we block incoming IMs and screen incoming calls. Our ability to decide who to talk to, she argues, is likely to have a lasting influence on the way we communicate with one another. Also, what kind of people will we become if the relationships we form must increasingly compete for our attention with digital media.

**Using Young Adult Literature to Work through Wobble Moments in Teacher Education** Dawan Coombs, Jon Ostenson, 2022-07-25. This volume offers a novel approach to exploring how literary response groups can be used as part of teacher education programs to help preservice teachers navigate wobble moments. Focusing uniquely on the potential of young adult literature (YAL), the text draws on the first-hand experiences of teacher candidates and uses a range of well-known books to demonstrate how narrative-based inquiry and analysis of fictional depictions of teaching and learning can support reflection on a range of common challenges. The volume presents how YAL literary response groups are shown to enhance participants' ability to reflect on practice, build resilience, and develop deeper understanding of pedagogical principles by offering a shared dialogical space. These insights ultimately contribute to teacher education program improvement by enhancing teacher candidates' understanding of pedagogy. This text will benefit researchers, doctoral students, and academics in the fields of teaching, teacher mentoring, and teacher education, more specifically. Those interested in literature studies and young adult literature (YAL) more broadly will also benefit from this volume.

**Teaching Languages Online** Carla Meskill, Natasha Anthony, 2010-05-17. Novice and experienced educators who have considered moving some or all of their language courses online will find this text an invaluable starting point and resource throughout the process. In non-technical prose with emphasis throughout on excellence in pedagogical practice, the text takes both the new and experienced language instructor through the nuts and bolts of online teaching practices and uses multiple examples of online instructional conversations to illustrate these practices. Teaching in asynchronous, written, asynchronous, aural, synchronous, written, synchronous, aural, and combinations of these environments are discussed, and exemplary practices are provided for each. An excellent place to both begin and augment language teaching online.

**Females and Harry Potter** Ruthann Mayes-Elma, 2006-08-02. This book explores the sexism inherent in the Harry Potter series and explains how traditional gender constructions of both men and women are common throughout the series.

Melanie Ramdarshan Bold,2019-01-04 This book examines diversity or the lack thereof in young adult fiction YA publishing It focuses on cultural hegemony in the United Kingdom and explores how literary culture aimed at young adults reproduces and perpetuates racial and ethnic cultural hierarchies Diversity is described by the We Need Diverse Books project as all diverse experiences including but not limited to LGBTQIA Native people of color gender diversity people with disabilities and ethnic cultural and religious minorities This study focuses on people of colour While previous studies have looked at the representation of ethnic minorities in books for children and young adults this book examines the experiences of own voice cultural producers that create a counter narrative Specifically this book will investigate the output and experiences of British young adult fiction authors of colour BAME authors published in the UK during the period 2006 2016 drawing upon semi structured interviewswith a sample of authors Slender Man Is Coming Trevor J. Blank,Lynne S. McNeill,2018-09-21 The

essays in this volume explore the menacing figure of Slender Man the blank faced long limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on and offline among children and young people Slender Man is arguably the best known example in circulation of creepypasta a genre derived from copypasta which in turn derived from the phrase copy paste As narrative texts are copied across online forums they undergo modification annotation and reinterpretation by new posters in a folkloric process of repetition and variation Though by definition legends deal largely with belief and possibility the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication Slender Man is therefore a new kind of creation one intentionally created as a fiction but with the look and feel of legend Slender Man Is Coming offers an unprecedented folkloristic take on Slender Man analyzing him within the framework of contemporary legend studies creepypastas folk belief and children s culture This first folkloric examination of the phenomenon of Slender Man is a must read for anyone interested in folklore horror urban legends new media or digital cultures Contributors Timothy H Evans Andrea Kitta Mikel J Koven Paul Manning Andrew Peck Jeffrey A

Tolbert Elizabeth Tucker      **Writing, Retelling, and Critically Reading Children's and Young Adult Tales** Bernard Montoneri, 2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children's and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children's literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences

**Children's Reading of Film and Visual Literacy in the Primary Curriculum** Jeannie Hill Bulman, 2017-08-12 This book draws on a longitudinal study which highlights the beneficial impact of film in the primary curriculum It provides detailed accounts of both the reading process as understood within the field of literacy education and of film theory as it relates to issues such as narration genre and audience The book focuses on a small cohort of children to explore how progression in reading film develops throughout a child's time in Key Stage 2 it also examines how the skills and understanding required to read film can support the reading of print and vice versa in an asset model approach Since children's progression in reading film is found to be not necessarily age related but rather built on a period of experience and opportunity to read and or create moving image media Bulman clearly illustrates the importance of the inclusion of film in the primary curriculum The book provides an accessible study to a large audience of primary teachers and practitioners and will be a valuable resource for students and researchers in the fields of education English and media studies      **Reflections**
