**Has the Church Replaced Israel?** Michael J. Vlach, 2010-10-01 A theological evaluation of replacement theology the doctrine that suggests the church supersedes the nation of Israel in God's plan revealed in the Old Testament [Has the Church Replaced Israel?](#) Michael J. Vlach, 2010 A theological evaluation of replacement theology the doctrine that suggests the church supersedes the nation of Israel in God's plan revealed in the Old Testament [The Future Restoration of Israel](#) Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

**The People, the Land, and the Future of Israel** Bock, Darrell L. , Glaser, Mitch, 2014-08-21 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God's plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God's peace process in the Middle East The People the Land and the Future of Israel walks through the Bible's account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion *Essential Christian Doctrine* John MacArthur, 2021-03-03 A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God it also shapes your affections toward him and directs your actions for him but it can be difficult to know where to begin This concise handbook developed from John MacArthur's larger work Biblical Doctrine is an entry point for studying theological topics such as the Bible the Holy Spirit the church and more As MacArthur walks through the essentials of the Christian faith doctrine by doctrine he'll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints Jude 3 *The Usefulness of Scripture* Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The

essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall s conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this volume include Frank Anthony Spina Andrew Knapp Shannon Nicole Smythe Daniel Castelo Anthony B Robinson Eugene E Lemcio Sara M Koenig Jack Levison Laura C S Holmes John Painter and Stephen E Fowl

**Israel, the Church, and the Middle East** Darrell L. Bock, Mitch Glaser, 2018-04-25 The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history In recent years the traditional pro Israel stance of evangelicals has come under fire by those who support the Palestinian cause calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God s covenants and promises Israel the Church and the Middle East challenges the supersessionist drift of the modern church showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel s right to the land The book explores the hermeneutics and wider effects of the conflict such as the growing antipathy within the church toward the evangelization of the Jewish people It provides readers with an objective and interdisciplinary treatment which is irenic and respectful in tone The book is directed toward pastors global Christian leaders theological students and well read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict The contributors represent a broad evangelical spectrum

**Dual Citizenship** Kayko Driedger Hesslein, 2015-06-18 Jesus particular Jewish existence his human nature and his universal transcendence his divine nature are brought together here in the construction of a Christology that proposes the equality unity and full participation of both natures Using frameworks from multicultural theory it identifies the processes by which Christologies have historically negotiated difference in the Incarnation and explains why uniting the two natures of Christ consistently and problematically supplants Jesus Jewishness This conceptual framework unites the two natures without sublimating their differences by proposing a contextual universalism Overlapping membership offers the means whereby the particular Jewish human nature and the universal divine nature of Jesus Christ engage in an ongoing dialogue and formation in the one person of the Incarnation This work offers a new way of understanding the two natures of Christ that brings together historical understandings with contemporary contextual Christologies enabling us to find a way to understand Christ as both truly human and fully divine

**A Ransom for Israel** Nicholas J. Schaser, 2025-05-09 In this study of the Gospel of Matthew Nicholas J Schaser proposes that Matthew intended to narrate the corporate salvation of ethnic Israel rather than its replacement by an ethnically diverse Christian church Instead of presenting Jesus as a new Israel to replace the old Matthew highlights Jesus s salvific value in exchange for the nation of Israel when he dies as a ransom for

their sins This book presents one of the most comprehensive challenges to the prevalent interpretation that Matthew locates Israel in an ongoing exile from which Jesus offers redemption only if they follow him Rather the gospel when read alongside Israel s Scriptures presents Israel at risk of an eschatological exile from God s kingdom and Jesus removes his people s exile inducing sins by being cast out in their place Schaser s compelling reading has the potential to open new dialogue between Jews and Christians

**Reading Ephesians and Colossians after Supersessionism** Lionel J. Windsor,2017-10-31 The apostolic mission from Israel to the nations forms the explicit framework for Ephesians and Colossians Yet the concrete dynamics of this mission seldom play any significant role in modern interpretation Scholars frequently approach these letters as if the Jew gentile dynamics inherent in the early Christ preaching mission are either irrelevant or are negated by the letters themselves This book seeks to redress this deficiency Windsor approaches Ephesians and Colossians with an evangelical post supersessionist perspective By highlighting rather than downplaying Israel s special place in salvation history Windsor demonstrates that Jew gentile dynamics and missionary concerns are highly significant for understanding the overall argument of these two letters The resulting readings offer a deeper appreciation of the biblical Israel centered contours in which the theological and ethical concerns of the letters are expressed Along the way Windsor demonstrates how certain texts in Ephesians and Colossians which are often read as evidence of a supersessionist perspective are capable of more fruitful and satisfactory post supersessionist interpretations He demonstrates that in these letters Christ does not negate Jewish distinctiveness Rather Christ s mission proceeds through Israel to the nations creating mutual blessing in the Messiah

**The Law and the Spirit of Life** Bill D. Blackmon,2022-10-24 The Apostle Paul is a larger than life figure within the Christian world and his letter to the believers in Rome is considered his most important writing Powerful and passionate The Law and the Spirit of Life offers a fresh and broadly researched perspective on the book of Romans More than just a study of the biblical text this enlightening book engages in a study of the studies on Paul and this epistle Bill Blackmon takes readers on a geographical historical and theological journey answering questions such as Why did God direct Paul to write this letter What was its primary purpose As the author definitively establishes Romans embodies the core of the Christian faith and without it the Church would not exist as it does today Inviting a myriad of voices to contribute their insights to the study Dr Blackmon crafts a valuable resource for all those clergy or laity believer or not who want to deepen their understanding of God and His salvation offered to humanity

**The Multinational Kingdom in Isaiah** Andrew H. Kim,2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God s dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a

multinational kingdom which includes national Israel In *The Multinational Kingdom* in Isaiah Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions

**The Community of Jesus** Kendell H. Easley, Christopher W. Morgan, 2013-09-15 A biblical historic systematic and missional theology of the church with contributions from noted academic leaders including Andreas J K stenberger David S Dockery Kendell H Easley Christopher W Morgan and several others

*The Figure of Hagar in Ancient Judaism and Galatians* Ryan Heinsch, 2022-10-11 In this study Ryan Heinsch considers Paul's portrayal of Hagar in Gal 4 21-31 and argues that Paul stands in continuity with ancient Judaism in that he portrays Hagar and her descendants as non Jews As a result the author demonstrates that the passage in Galatians is an allegory Paul develops about the experience of gentiles in general and the once pagan Galatian gentiles in particular

Jewish Scholarship on the Resurrection of Jesus David Mishkin, 2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship

**Like Birds in a Cage** David M. Crump, 2021-10-28 When Christians collude in crimes against humanity they betray their citizenship in the kingdom of God demonstrating that Christ's Lordship does not rule over every area of their lives The popular ideology known as Christian Zionism is a prime enabler of such widespread discipleship failure in western Christianity As the state of Israel continues to violate international law with colonial settlement in lands captured by warfare legalized racial discrimination and the creation of what many have called the world's largest open air prison in Gaza Christian Zionists continue their unqualified support for Zionist Israel Though Israel advertises itself as the only democracy in the Middle East it is actually a rigid ethnocracy its entire society built on the foundations of Jewish supremacy over a Palestinian underclass History will eventually judge Christian Zionist support for Israel's crimes against the Palestinians in the same way people of conscience now condemn the Christian church in the American South for its defense of slavery and hostility towards the civil rights movement Just as the Southern Baptist church finally repudiated its pro slavery past so everyone genuinely devoted to Jesus Christ must repudiate both the ideology and the legacy of Christian Zionism

Restoring the Fortunes of Zion Rob Yule, 2017-09-20 Restoring the Fortunes of Zion tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt It shows how the return of the Jewish people from two millennia of exile realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future Rob

Yule brings together accessible scholarship biblical historical geographical political and theological with strong advocacy to create a book that I found riveting and moving I commend *Restoring the Fortunes of Zion* to all those who wish for a clearer sense of Israel its emergence from desolation to vitality and those who helped and hindered its progress It is an exceptionally valuable resource Dame Lesley Max Auckland The publication of *Restoring the Fortunes of Zion* is extraordinarily timely and vital for our understanding of current world events It enables us to better understand from a biblical perspective what has happened in Israel's past what is happening in Israel today as well as what is going to happen to Israel in the future Revd Murray Dixon Palmerston North Rob Yule's book weaves together a carefully researched erudite scholarly but eminently readable and fascinating account of Israel He intertwines and interprets the history politics military strategy theology and culture of the region in the past present and future The sweep of his vision is as breath taking as the intriguing subject matter that he covers Revd Owen Hoskin Auckland

*The Medieval Archive of Antisemitism in Nineteenth-Century Sweden* Cordelia Heß, 2021-12-20 The significance of religion for the development of modern racist antisemitism is a much debated topic in the study of Jewish Christian relations This book the first study on antisemitism in nineteenth century Sweden provides new insights into the debate from the specific case of a country in which religious homogeneity was the considered ideal long into the modern era Between 1800 and 1900 approximately 150 books and pamphlets were printed in Sweden on the subject of Judaism and Jews About one third comprised of translations mostly from German but to a lesser extent also from French and English Two thirds were Swedish originals covering all genres and topics but with a majority on religious topics conversion supersessionism and accusations of deicide and bloodlust The latter stem from the vastly popular medieval legends of Ahasverus Pilate and Judas which were printed in only slightly adapted forms and accompanied by medieval texts connecting these apocryphal figures to contemporary Jews ascribing them a physical essential and biological coherence and continuity a specific Jewish temporality shaped in medieval passion piety which remained functional and intelligible in the modern period Relying on medieval models and their combination of religious and racist imagery nineteenth century debates were informed by a comprehensive and mostly negative knowledge about Jews

**New Creation Eschatology and the Land** Steven L. James, 2017-09-27 What will the final state of the redeemed look like Throughout the history of the church conceptions of the final state have tended to minimize the promise of the new heavens and new earth In contrast to the historical dominance of spiritual heavenly non temporal conceptions of the final state the last two decades have witnessed a rise in conceptions that include the redemption of material earthly and temporal reality These new creation conceptions have included proposals regarding the fulfillment of Old Testament land promises In *New Creation Eschatology and the Land* Steven L. James argues that in recent new creation conceptions of the final state there is a logical inconsistency between the use of Old Testament texts to inform a renewed earth and the exclusion of the territory of Israel from that renewed earth By examining a select group of new creationists James shows that the exclusion of the territorial restoration of Israel in a new

creation conception fails to appreciate the role of the particular territory in Old Testament prophetic texts and results in an inconsistent new creationism      **Target Israel** Tim LaHaye, Ed Hindson, 2015-06-01 As the conflicts in the Middle East grow in intensity we cannot help but wonder what lies ahead for the nation of Israel and whether any of it means we are drawing closer to the last days In their exciting new book Target Israel prophecy experts Tim LaHaye and Ed Hindson explain why Israel is at the center of God s prophetic plan for the future As you carefully review the Scriptures with them you ll learn about the miracle of Israel s modern day existence Israel s unique purpose in the world the ways in which Israel serves as a super sign of the end time the coming alliance of nations that will attempt to annihilate Israel Christ s return to Jerusalem to rule the world You ll be inspired as you see how God will bring all His prophetic promises to pass and be encouraged to share your faith with greater urgency in light of Christ s second coming
