**HaShamayim 1A** Adonijah Ogbonnaya, M.d.,2015-11-01 If a believer is born from above is it not logical then that the believer should return there as often as he or she desires or is able If the believer is seated in the heavenlies does it not call forth a need to understand what the heavens looks like I began very early in my journey to ask for understanding of how heaven is structured and also to seek for a language on how to narrate my experiences These experiences are the results of my travel to the heavens through the person of Jesus who is the way and door to enter those realms of heaven To me the primary purpose of the coming of Jesus into the world is to open the gates and the door to the heavenly dimension for me and for all of humanity The true message of Christianity then is that the door to the heavens has opened to all who by their freewill choose to believe the Messiah whom God has sent in the Person of Yeshua Jesus HaMashiach The Christ In my journey towards understanding who I am in the Father through the Son Jesus Christ I have had many experiences whose examination and analysis instead of proffering final solutions to intractable spiritual questions has rather fueled more burning questions So rather than offer you a final answer to your questions about the heavens I hope this book spurs you to ask more questions and to press into the heavens and to search the Scriptures to find more of what the Father has for us as God s Children Dr O     A Study of Angels Edward P. Myers,2010-06-15 This study of angelology discusses the origin nature activities and destiny of angels all based on solid biblical teaching assuring readers that they are not alone in this world The interest in angels has never been greater But with so much speculation and misinformation out there how can readers separate truth from fiction This study of angelology discusses the origin nature activities and destiny of angels all based on solid biblical teaching While comprehensive in scope and biblical in foundation this book is easy to read and understand This fascinating and informative book assures readers that they are not alone in this world     **Angels** Howard B. **Angels: God's Messengers and Spirit Army** United Church of God,2017-05-01 Angels are God s messengers and His spirit army and they are very numerous Make no mistake angels do exist They exist to serve those who will inherit salvation But because they are invisible we tend to forget their role in carrying out God s purpose and plan Many angels have been given the duty of serving our needs and their responsibilities and assignments may change with circumstances Inside study aid The Origin of the Spirit Realm The Vast Multitudes of Heaven s Armies Should We Worship or Pray to Angels Appearing in Human Form Did Angels Interbreed With Women to Produce Giants Popular But Wrong Ideas About Angels Where Did the Idea of Angels as Babies Originate Leading Angels Michael and Gabriel What Is the Origin of Satan and Demons Different Kinds of Angels Serving God and Mankind Personal Stories of Angelic Encounters     **A Book of Angels** Marigold Hunt,2006-09 Angel stories from the Bible for kids Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical allegorical or unimportant So that children will come to know and

learn to revere angels Marigold Hunt explains what angels are and are not and gathers here in one volume most of the stories of angels in the Bible including exciting tales of The fallen angels beginning with the devil himself tempting Adam and Eve The angel who barred the gates of Eden so Adam and Eve could never enter again The angels who announced that Sara Abraham s aged wife would have a baby The angels who tried to save Lot from destruction with the city of Sodom The angel who stayed Abraham s hand as he was about to sacrifice his son Isaac The angels in Jacob s dream who climbed the stairway to Heaven The angels who saved Sidrach Misach and Abdenago from the fiery furnace The angel Raphael who shielded Tobias from death and protected his wife Sara The angels at the Ascension who chided the apostles for staring at the sky The angel Gabriel who foretold the birth of Jesus and John the Baptist The choirs of angels who sang above Bethlehem when Jesus was born The angel who carried food to Daniel when he was imprisoned in the lion s den The angel who freed Peter from prison and of course The countless angels who fill the marvelous pages of the Book of Revelation Children will be charmed by these exciting tales Read an excerpt      **Angels Among Us** Michael Daniels, 2012-11-24 In my mind s eye I can see Lucifer rebelling in the Presence of God and God having to remove him before any more angels are coerced away from Truth So God Created Light the Firstborn Rom 8 29 and separated the darkness from The Light of Christ casting satan out of Heaven and down to earth To add insult to injury God then Creates Mankind from this same dust specifically to rule over satan and Have dominion over every living thing When satan tried to stand up before God and claim authority he was cast out of Heaven for it Along comes man and God praises him for the same action Forever in lucifer s face sent to contain him subdue him and take back whatever he tries to steal mankind has become satan s mortal enemy The devil knows he only has so much time before the Creator returns and this is why he will try to kill steal and destroy everything he can before that day comes Learn more about the role Man plays in the thing called Creation and stop being a victim of circumstance Accidents are no accident they are set up by the evil one himself      **Angels, Demons and all the Hosts of Heaven and Earth** Prof.M.M. Ninan, 2018-09-12 Since there can be nothing outside of God the creation forms the body of God who appears in a person the Primal Person Adam Kadamon who has the body inclusive of all dimensions including material dimension I have tried to explain the existence of different types of angels as beings created by God in the various dimensions of creation which are the different organs of the Adam Kadamon Just as we have an infinite series of life forms on earth from Amoebae to Man in the material kingdom we should expect infinite variations life forms in other dimensions This will explain the various forms of angels Just as man is a being who is created with Divine dimension within I presume that there are angelic beings with similar or more complex Divine dimensional existence in all other planes These are therefore Sons of God Sons of God reflect God and are beings with free will which will explain the fall of the Angels and introduces the Demonology as part of Angelology      **Chariots of Fire** Charles Taylor, 2018-01-05 The Bible reveals much about angels however as it is with other subject matters in the Bible the subject of angels could be treated superficially with its deeper truths overlooked or missed

This book does not attempt to address all there is to angels but intends to uncover profound truths about angels which otherwise have remained obscured Many may resist the thought of angels possessing physical bodies let alone the possibility of them engaging in sexual activities What really is the image of God and do angels possess that This book addresses these questions and other intriguing facts about angels The inevitable topic of man is also treated in limit perhaps you would like to know how and where Adam and his wife Eve were created I hope you appreciate and come to the realization of the possibilities of what this book offers in the light of scriptures

**Angels** Dr. David Jeremiah, 2009-12-22 The remarkable truth about angels the agents of Heaven unveiled through Scripture from the New York Times best selling author of Everything You Need Outstanding As one would expect from David Jeremiah this book reflects a theologian's concern a pastor's heart and a Biblicist's accuracy Dr Bruce Wilkinson People have long been fascinated by stories of angel sightings yet many contemporary beliefs about angels are based on misconception and myth rather than solid biblical truth As he's done so brilliantly for decades respected Bible teacher Dr David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives What are angels What is their role in God's plan Are they present Do they appear Do they give us personal insight about our work and our worship In this broad and thorough survey of Scripture Dr Jeremiah clearly and simply separates fact from fiction as it relates to angels His enlightening findings are supported with illustrations and insights from prominent teachers such as Billy Graham Corrie ten Boom C S Lewis and more Dr Jeremiah's down to earth style guides readers around the hype about angels and directly into everything you need to know about the substance of things unseen

Angels Michael S. Heiser, 2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren't based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you're not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It's a book about the loyal members of God's heavenly host and while most people associate them with the word angel that's just one of many terms the Bible uses for supernatural beings In The Unseen Realm Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book Angels Dr Heiser reveals what the Bible really says about God's supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate Angels is not guided by traditions stories speculations or myths about angels Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host

he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible s view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God s holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today

Fallen Angels / Sons of God Robert Barry Davis,2015-11-09 The Bible is a spiritual book Strangely enough many ministers have a problem with that and try to interpret spiritual things with their carnal mind For they that are after the flesh do mind the things of the flesh but they that are after the Spirit the things of the Spirit For to be carnally minded is death but to be spiritually minded is life and peace Because the carnal mind is enmity against God for it is not subject to the law of God neither indeed can be Romans 8 5 7 Paul clearly stated here that if a person thinks with their natural mind they will not understand spiritual significance of the Spiritual Book or it s Author Opinion is not necessarily truth in any circumstance It is impossible to comprehend the Bible with the natural mind People need to seek the Lord for revelation of His Word and study that Word The subject of this work is one of these for the author Originally there was the taken for granted idea he had always heard in church As he started to study he found that Biblical history did not bear out the basic conclusion Therefore the entire conception of the study had to be altered to truth and not opinions of men But in vain they do worship me teaching for doctrines the commandments of men Mt 15 9 We need to know Truth **Angels, Prophecy and the Holy Spirit**

Evangelist Virginia Mckinley,2011-08-19 We all want to know something about Heaven and in this book it is the angels prophecy and the Holy Spirit that will give one a clearer mind about what these beings are about and how prophecy and the Holy Spirit is meant to enhance and give growth to a vast number of individuals There is sufficient proof of all that is read by the reader The scriptures in the book will verify the authenticity of God s creation and gifts that are a great blessing to all who believe *The Fallen Angels and the Heroes of Mythology* John Fleming,2017-10-15 In the beginning God created the Heavens and the earth Soon thereafter however the harmonious communion that God intended for mankind to live within was interrupted by a sinister intervention from the enemy As days turned into years this ancient agenda of corruption continued to intertwine even more deeply with the human story affecting the very makeup of mankind And it came to pass when men began to multiply on the face of the earth and daughters were born unto them That the sons of God saw the daughters of men that they were fair and they took them wives of all which they chose Who were these sons of God and daughters of men This and many parallel questions are what author Rev John Fleming researched and addressed nearly a century and a half ago in this thorough antiquarian work Finally this extensive work is available to the main stream collector who may again access these ancient writings gaining the ability to Understand what scripture is really telling us about the genetic trend taking
