Sex Work and Hate Crime Rosie Campbell, Teela Sanders, 2021-11-09 This book brings together literature empirical research findings from two projects and policy analysis to examine how some forces in England have adopted the approach of treating crimes against sex workers as hate crimes This book identifies some of the benefits of the hate crime approach to crimes against sex workers both operationally and for some of the victims of crime The authors argue that the hate crime approach should not be seen as an alternative to decriminalisation of sex work but can provide a pathway to achieving more sensitive but robust policing of crimes against sex workers and support in accessing justice through the criminal justice system They also examine the broader context of hate crime policy and scholarship as they debate the relevance problems and merits of the sex work hate crime model The book provides another dimension to current theoretical and policy debates about widening definitions and law around hate crime to include other groups beyond existing protected characteristics

Responding to Hate Crime Chakraborti, Neil, Garland, Jon, 2015-07 The policy makers that govern responses to hate crimes and the institutions that research those crimes have up to this point been separate policy makers have not taken research into consideration and researchers have conducted their studies with little reference to policies This book bridges the gap between the two by bringing together internationally renowned hate crime experts from the domains of academia policy making and activism The contributors provide new perspectives on the nature of hate crimes their victims and their perpetrators exploring a range of themes challenges and solutions that have otherwise received little attention The result is a collection of innovative ways of combating hate crime that combines cutting edge research with the latest in professional innovations while remaining accessible to a wide audience

Hunting Season Mirta Ojito, 2013-10-15 Ojito has done truth an invaluable service Extraordinary Junot Diaz author of *The Brief Wondrous Life of Oscar Wao* 2014 International Latino Awards Finalist A Pulitzer Prize winning journalist uncovers the true story of an immigrant s murder that turned a quaint village on the Long Island shore into ground zero in the war on immigration In November 2008 37 year old Marcelo Lucero an unassuming worker at a dry cleaner s and an undocumented Ecuadorean immigrant was attacked and murdered by a group of teenagers as he walked the streets of the Long Island village of Patchogue accompanied by a childhood friend The attackers were out hunting for beaners Some of the kids later confessed that chasing harassing and assaulting defenseless

beaners their slur for Latinos was part of their weekly entertainment In recent years Latinos have become the target of hate crimes as the nation wrestles with swelling numbers of undocumented immigrants Public figures fan the flames and advance their careers by spewing anti immigration rhetoric In death Lucero became a symbol of everything that was wrong with our broken immigration system fewer opportunities to obtain travel visas to the United States porous borders a growing dependency on cheap labor and the rise of bigotry Drawing on firsthand interviews and on the ground reporting journalist Mirta Ojito has crafted an unflinching portrait of one community struggling to reconcile the hate and fear underlying the idyllic veneer of their all American town With a strong commitment to telling all sides of the story Ojito unravels the engrossing narrative with objectivity and insight providing an invaluable look at one of America s most pressing issues Reminds us how we might think of each other and how we treat all of our neighbors whether or not they look like us This is our human story Wes Moore author of The Other Wes Moore Islamophobic Hate Crime Imran Awan,Irene

Zempi,2019-07-16 In recent years there has been a sharp increase in anti Muslim attacks What is driving the proliferation of these hate crimes Why are Muslims being demonised Building on current research and drawing upon real life examples and case studies this book provides an accessible introduction to Islamophobia and Islamophobic hate crimes along with the various responses to this form of victimisation Chapters cover a range of topics including Definitions of hate crime and Islamophobia Islamophobic hate crime online Gender and Islamophobia Media representations of Islamophobia Institutional Islamophobia As one of the first student resources dedicated to the subject of Islamophobia this book will be instructive and important reading for those engaged in a range of topics in criminology including hate crime victimology and victimisation crime and media and gender and crime The Language of Hate Andrew Brindle,2016-05-20 In this book Andrew Brindle analyzes a corpus of texts taken from a white supremacist web forum which refer to the subject of homosexuality drawing conclusions about the discourses of extremism and the dissemination of far right hate speech online The website from which Brindle s corpus is drawn Stormfront has been described as the most powerful active influence in the White Nationalist movement Kim 2005 Through a linguistic analysis of the data combining corpus linguistic methodologies and a critical discourse analysis approach Brindle examines the language used to construct heterosexual white masculinities as well as posters representations of gay men racial minorities and other out groups and how such groups are associated by the in group Brindle applies three types of analysis to the corpus a corpus driven approach centered on the study of frequency keywords collocation and concordance analyses a detailed qualitative study of posts from the forum and the threads in which they are located and a corpus based approach which combines the corpus linguistic and qualitative analyses The analysis of the data demonstrates a convergence of reactionary responses to not only women gay men and lesbians but also to racial minorities Brindle s findings suggest that due to the forum format of the data topics are discussed and negotiated rather than dictated unilaterally as would be the case in a hierarchical organization This research based study of white supremacist

discourse on the Internet facilitates understanding of hate speech and the behavior of extremist groups with the aim of providing tools to combat elements of extremism and intolerance in society

Encyclopedia of Trauma Charles R. Figley, 2012-06-19 Trauma is defined as a sudden potentially deadly experience often leaving lasting troubling memories Traumatology the study of trauma its effects and methods to modify effects is exploding in terms of published works and expanding in terms of scope Originally a narrow specialty within emergency medicine the field now extends to trauma psychology military psychiatry and behavioral health post traumatic stress and stress disorders trauma social work disaster mental health and most recently the subfield of history and trauma with sociohistorical examination of long term effects and meanings of major traumas experienced by whole communities and nations both natural Pompeii Hurricane Katrina and man made the Holocaust 9 11 One reason for this expansion involves important scientific breakthroughs in detecting the neurobiology of trauma that is connecting biology with human behavior

which in turn is applicable to all fields involving human thought and response including but not limited to psychiatry medicine and the health sciences the social and behavioral sciences the humanities and law Researchers within these fields and more can contribute to a universal understanding of immediate and long term consequences both good and bad of trauma both for individuals and for broader communities and institutions Trauma encyclopedias published to date all center around psychological trauma and its emotional effects on the individual as a disabling or mental disorder requiring mental health services This element is vital and has benefited from scientific and professional breakthroughs in theory research and applications Our encyclopedia certainly will cover this central element but our expanded conceptualization will include the other disciplines and will move beyond the individual
