### **Have New Husband Friday Communication:**

The Birth Order Book Dr. Kevin Leman, 2004-09-01 Dr Leman's ever popular book on birth order is ready for a new generation of readers. With insight and wit, Dr Leman offers readers a fascinating and often funny look at how birth order affects personality, marriage and relationships, parenting style, career and children. Whether at home or on the job, birth order powerfully influences the way people interact with others. This is a great book for anyone who wants to learn more about how they react to their world. Dr Leman even shows readers how to overcome ingrained tendencies they never thought they'd be rid of all by focusing on their birth order.

When Your Way Isn't Working Kyle Idleman, 2023-06-06 Equips you to discover authentic connection to God and others so that you can be free to live the life you long for. When you are worn out, when you feel discouraged, when you think you don't have what it takes, what is the one thing that Jesus wants you to never forget? In some of his final words to his closest friends, Jesus didn't suggest a five-year plan for success or a checklist of things to do. Instead, he offered a metaphor about what the good life really looks like: I am the vine, You are the branches. Abide in me. In other words, No matter what happens next, the most important thing is to stay connected to me. In When Your Way Isn't Working, pastor and bestselling author of Not a Fan, Kyle Idleman offers a unique exploration of John 15 for all of us who are going through the motions and feel frustrated. Idleman reminds us that it's connection, not production, that leads to a fruitful life: relationships, not circumstances, that bring joy. He offers his distinctive biblical perspective on how to find greater rest, depth and connection in your life. Embrace freedom from the pressures of performance and production. Recognize what you can't do, makes room for what God can do. Step out of isolation, even when it feels scary. Discover the top distractions that keep you from connecting to God and how to counter them. In the end, the fruit of your life won't have to do with what you accomplished, but with whom you stayed connected. Because no matter what happens next in this uncertain world, what matters most, lasts the longest, and brings the greatest joy is staying connected to the God who never leaves you.

**Education a la Carte** Dr. Kevin Leman, 2017-09-05 Every parent wants the best possible education for their child, one that fits their child's unique needs, challenges them to grow, and equips them to succeed. But there are so many options: public, private, and charter schools, plus homeschooling and online schooling, that it's easy for parents to feel overwhelmed and well undereducated about the choices. What's more, while one schooling option may be right for one child, it may be challenging for another. And sometimes the same child will thrive in one environment in elementary school but falter in that same environment in middle school. What's a parent to do? Parenting expert and longtime educator Dr. Kevin Leman can help. In this practical book, he clearly explains the pros and cons of various schooling options so that parents can make an informed choice about the kind of education that will help their child thrive. He shows parents how to stay involved and engaged with their child's education every step of the way, knowing that the choices they make about school now will reverberate long into that child's future.
