These groups are made up of people of various ages and backgrounds who are interested in the environment. They are usually organized as non-profit organizations and often have a focus on a specific environmental issue, such as climate change or biodiversity. They may also have a focus on a specific geographic area, such as a local park or watershed. Environmental groups often work to raise awareness of environmental issues, lobby for policy changes, and engage in direct action to protect the environment.

La medicina fondamentale opera nel territorio dove vive il cittadino e compie azioni preventive e diagnostiche. Con una semplice telefonata (112) non si può fare nulla. E' il ruolo della medicina che si occupa di curare i malati e di prevenire le malattie. Il medico deve infatti intervenire quando il malato non può più mantenere la libertà di movimento.
