Loser Sons Politics And Authority By Ronell Avital 2013 Paperback:

The Autobiography Effect Dennis Schep, 2019-07-24 Since the advent of post structuralism various authors have problematized the modern conception of autobiography by questioning the status of authorship and interrogating the relation between language and reality Yet even after making autobiography into a theoretical problem many of these authors ended up writing about themselves This paradox stands at the center of this wide ranging study of the form and function of autobiography in the work of authors who have distanced themselves from its modern instantiation Discussing Roland Barthes Jacques Derrida Hélène Cixous and others this book grapples with the question of what it means to write the self when the self is understood as an effect of writing Combining close reading intellectual history and literary theory The Autobiography Effect traces how precisely its theoretically problematic nature made autobiography into a central scene for the negotiation of philosophical positions and anxieties after structuralism

Administering Interpretation Peter Goodrich, Michel Rosenfeld, 2019-05-21 Populism in politics and policy orientations in law have thrown the jurisdiction of the academy and the disciplines of interpretation into disarray Critique flounders in abstraction and negativity law loses itself in particularity Administering Interpretation brings together philosophers humanists and jurists from both continental and Anglophone jurisdictions to reassess the status and trajectory of interpretative theory as applied in the art of law Tracking the thread of philosophical influences upon the community of legal interpretation the essays move from the translation and wake of Derrida to the work of Agamben from deconstruction to oikonomia Sharing roots in the philological excavation of the political theology of modern law contributors assess the failure of secularism and the continuing theological borrowings of juridical interpretation The book brings contemporary critique to bear upon the interpretative apparatuses of exclusion the law of spectacular sovereignty and the bodies that lie in its wake Contributors Giovanna Borradori Marinos Diamantides Allen Feldman Stanley Fish Pierre Legrand Bernadette Meyler Michel Rosenfeld Bernhard Schlink Jeanne Schroeder Laurent de Sutter Katrin Tretter Marco Wan

The Technological Introject Jeffrey Champlin, Antje Pfannkuchen, 2018-01-02 The Technological Introject explores the futures opened up across the humanities and social sciences by the influential media theorist Friedrich Kittler Joining the German tradition of media studies and systems theory to the Franco American theoretical tradition marked by poststructuralism Kittler's work has redrawn the boundaries of disciplines and of scholarly traditions The contributors position Kittler in relation to Marshall McLuhan Jacques Derrida discourse analysis film theory and psychoanalysis Ultimately the book shows the continuing relevance of the often uncomfortable questions Kittler opened up about the cultural production and its technological entanglements

Complaint Avital Ronell, 2018-04-02 It is not nor it cannot come to good But break my heart for I must hold my tongue Thus spoke Hamlet one of the great kvetchers of literature Every day grippers challenge our patience and compassion Yet Pollyannas rile us up with their grotesque contentment and unfathomable rejection of protest Avital Ronell considers how literature and philosophy treat bellyachers

wailers and grumps and the complaints they lavish on the rest of us Combining her trademark jazzy panache with a fearless range of readings Ronell opens a dialogue with readers that discusses thinkers with whom she has directly engaged Beginning with Hamlet and with a candid awareness of her own experiences Ronell proceeds to show how complaining is aggravated distracted stifled and transformed She moves on to the exemplary complaints of Friedrich Nietzsche Hannah Arendt and Barbara Johnson and examines the complaint riven history of deconstruction Infused with the author's trademark wit Complaint takes friends colleagues and all of us on a courageous philosophical journey
