

If Love Were King

*If Love were king,
That sacred Love which knows not selfish pleasure,
But for its children spends its fondest treasure,
Sad hearts would sing,
And all the hosts of misery and wrong
Forget their anguish in the happy song
That joy would bring.*

*If Love were king,
Gaunt wickedness would hide his loathsome features,
And virtue would to all the world's sad creatures
Her treasures fling;
Till drooping souls would rise above their fate,
And find sweet flowers for all the desolate
And sorrowing.*

*If Love were king,
Before the scepter of his might should vanish
Toil's curse and care, and happiness should banish
Want's awful sting;
While laughing plenty from sweet hands would throw
Delightful raptures over all below,
And gladness bring.*

*If Love were king,
The nations would eternal sunshine borrow,
And conquer all the heavy clouds of sorrow
And every thing
That binds the race in groans and agony;
Life's changing seasons would forever be
Unvaried spring.*

*If Love were king!
O, broken feet that wander worn and weary
Beneath the crags and awful mountains dreary,
With rapture cling
Your anguished arms about him; drink delight
Upon his perfect bosom soft and white
And comforting!*

Freeman Edwin Miller

IF LOVE WERE KING & OTHER POEM Edward Willard 1843-1925 Watson,2016-08-26 King's Road to Pleasant Street (And Other Poems to Nowhere) Jace Paul,2020-03-07 In his second volume of poetry Jace Paul takes a retrospective look at the works of his early years Roughly divided into two eras the King s Road years of his childhood and the time spent in a Pleasant Street apartment during college the poems are deeply confessional and richly textured with strong and often conflicting emotions From the award winning Breakfast and The Serpent to poignant set pieces like Bill and L Americain Paul consistently employs colorful straightforward language to capture his subjects and experiences Though poetry has lost much of its appeal and value in the twenty first century Paul charges it with new energy by making it more about stories than images more compassionate than abstract

Easter Egg and other poems of faith, hope, & love Daniel W Pannebaker,2014-07-29 ONE OF THE most well known passages in the Bible and perhaps in all of literature is the thirteenth chapter of St Paul s first

letter to the Corinthians often called the love chapter In it Paul extols the qualities of love and ends his writing by stating And these three abide faith hope and love These three virtues have guided me during my days on this earth A faith that draws me daily to admit my inadequacies and to ask for the grace to live a life worthy of His calling A hope that continuously compels me to be a stronger person a brighter light a better writer A deep and abiding love for God my family my friends I have tried to express these virtues in the poems I share with you here The majority of my poems do not rhyme Instead I like to build a rhythm in my writing by how I break each line in a verse so that your eye is constantly yearning for the next word For something different I have included two examples escape and Lovers and Other Strangers of concrete poetry a form developed in the 1950s in which the physical shape of the words on the page adds as much meaning to the poem as the words themselves And with a nod to my Bachelor s degree in Russian I also give you with its translation on the following page I recently took one of those online quizzes about what type of writer are you My results said that You write because you feel a deeper calling to the work and because you want to explore the soul element of life You re not shy of adding a moral to the story and most want to reach readers who will understand your unique view on life Writing is more than just putting words on paper for you it is a written prayer And to that I can say only Amen

The Canterbury Tales and Other Poems Geoffrey Chaucer,2024-02-26 The Canterbury Tales and Other Poems by Geoffrey Chaucer stands as a cornerstone in English literature offering a captivating glimpse into the social fabric of medieval England Written in the late 14th century Chaucer s magnum opus is a collection of stories narrated by a diverse group of pilgrims en route to the shrine of Thomas Becket in Canterbury Cathedral At the heart of The Canterbury Tales is Chaucer s keen observational wit as he paints vivid portraits of individuals from various walks of life Through the tales told by knights clerics merchants and more Chaucer explores themes of love morality and human nature providing a rich tapestry of medieval society The General Prologue sets the stage for the pilgrimage introducing readers to the colorful cast of characters and their unique personalities Each pilgrim s tale reflects their worldview creating a dynamic mosaic that encompasses romance tragedy comedy and moral allegory Beyond The Canterbury Tales Chaucer s collection includes a variety of shorter poems such as the dream vision The Parliament of Fowls and the elegiac The Book of the Duchess These poems showcase Chaucer s poetic range and depth of expression The Canterbury Tales and Other Poems is a literary treasure that not only entertains with its narrative flair but also provides profound insights into the complexities of human experience Immerse yourself in the linguistic richness and cultural panorama of Chaucer s work where each tale unfolds as a masterpiece in the mosaic of medieval storytelling

Elliott's Poems: The village patriarch, Love, and other poems Ebenezer Elliott,1834 *The Canterbury Tales, and Other Poems* - Geoffrey Chaucer Geoffrey Chaucer,2016-09-01 THE object of this volume is to place before the general reader our two early poetic masterpieces The Canterbury Tales and The Faerie Queen to do so in a way that will render their popular perusal easy in a time of little leisure and unbounded temptations to intellectual languor and on the same conditions to

present a liberal and fairly representative selection from the less important and familiar poems of Chaucer and Spenser. There is it may be said at the outset peculiar advantage and propriety in placing the two poets side by side in the manner now attempted for the first time. Although two centuries divide them yet Spenser is the direct and really the immediate successor to the poetical inheritance of Chaucer. Those two hundred years eventful as they were produced no poet at all worthy to take up the mantle that fell from Chaucer's shoulders and Spenser does not need his affected archaisms nor his frequent and reverent appeals to Dan Geffrey to vindicate for himself a place very close to his great predecessor in the literary history of England. If Chaucer is the Well of English undefiled Spenser is the broad and stately river that yet holds the tenure of its very life from the fountain far away in other and ruder scenes. The Canterbury Tales so far as they are in verse have been printed without any abridgement or designed change in the sense. But the two Tales in prose Chaucer's Tale of Meliboeus and the Parson's long Sermon on Penitence have been contracted so as to exclude thirty pages of unattractive prose and to admit the same amount of interesting and characteristic poetry. The gaps thus made in the prose Tales however are supplied by careful outlines of the omitted matter so that the reader need be at no loss to comprehend the whole scope and sequence of the original. With *The Faerie Queene* a bolder course has been pursued.

Kingship and Love in Scottish Poetry, 1424-1540 Joanna Martin, 2016-04-22 Looking at late medieval Scottish poetic narratives which incorporate exploration of the amorousness of kings this study places these poems in the context of Scotland's repeated experience of minority kings and a consequent instability in governance. The focus of this study is the presence of amatory discourses in poetry of a political or advisory nature written in Scotland between the early fifteenth and the mid sixteenth century. Joanna Martin offers new readings of the works of major figures in the Scottish literature of the period including Robert Henryson, William Dunbar and Sir David Lyndsay. At the same time she provides new perspectives on anonymous texts among them *The Thre Prestis of Peblis* and *King Hart* and on the works of less well known writers such as John Bellenden and William Stewart which are crucial to our understanding of the literary culture north of the Border during the period under discussion.

The Classified Index to the London Catalogue of Books Published in Great Britain 1816 to 1851 ... Thomas Hodgson, 1853 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
