love has created a tale for the ages *The Age* This book so beautifully evokes the power of places in shaping our consciousness and perception As readers of Alex Miller we feel ourselves to be in the presence of a great heart and a penetrating sensibility and in the thrall of one of our nation's most beloved writers Tom Griffiths Emeritus Professor of History ANU Max tells of Alex Miller's search in turns fearful and elated for the elusive past of Max Blatt a man he loves who loved him and who taught him that he must write with love Miller discovers that he is also searching for a defining part of himself formed by his relation to Max Blatt but whose significance will remain obscure until he finds Max complete in his history With Max Miller the novelist has written a wonderful work of non fiction as fine as the best of his novels Always a truth seeker he has rendered himself vulnerable unprotected by the liberties permitted to fiction Max is perhaps his most moving book a poignant expression of piety true to his mentor's injunction to write with love Raimond Gaita award winning author of *Romulus My Father* I began to see that whatever I might write about Max discover about him piece together with those old shards of memory it would be his influence on the friendships of the living that would frame his story in the present According to your 1939 Gestapo file you adopted the cover names Landau and Maxim The name your mother and father gave you was Moses We knew you as Max You had worked in secret From an early age you concealed yourself like the grey box beetle in the final country of your exile maturing on its journey out of sight beneath the bark of the tree You risked death every day And when at last the struggle became hopeless you escaped the hell and found a haven in China first and then Australia where you became one of those refugees who in their final place of exile chose not death but silence and obscurity Alex Miller followed the faint trail of Max Blatt's early life for five years Max's story unfolded slowly at first from the Melbourne Holocaust Centre's records then to Berlin's Federal Archives From Berlin Miller travelled to Max's old home town of Wroclaw in Poland And finally in Israel with Max's niece Liat Shoham and her brother Yossi Blatt at Liat's home in the moshav Shadmot Dvora in the Lower Galilee the circle of friendship was closed and the mystery of Max's legendary silence was unmasked Max is an astonishing and moving tribute to friendship a meditation on memory itself and a reminder to the reader that history belongs to humanity
