## **Loving Amy A Mothers Story:**

**Loving Amy** Janis Winehouse,2024-08-06 Amy was one of those rare people who made an impact She was a bundle of emotions at times adorable and at times unbearable Amy s passing did not follow a clear line It was jumbled and her life was unfinished not life s natural order at all She left no answers only questions and in the years since her death I ve found myself trying to make sense of the frayed ends of her extraordinary existence Arguably the most gifted artist of her generation Amy Winehouse died tragically young aged just twenty seven With a worldwide fan base and millions of record sales to her name she should have had the world at her feet Yet in the years prior to her death she battled with addiction and was frequently the subject of lurid tabloid headlines Amy s mother Janis knew her in a way that no one else did In this warm poignant and at times heartbreaking memoir she tells the full story of the daughter she loved so much As the world watched the rise of a superstar then the free fall of an addict to her tragic death Janis simply saw her Amy the daughter she d given birth to the girl she d raised and stood by despite her unruly behavior the girl whose body she was forced to identify two days after her death and the girl she s grieved for every day since Including rare photographs and extracts from Amy s childhood journals Loving Amy offers a new and intimate perspective on the life and untimely death of a musical icon Toxic: Women, Fame, and the Tabloid 2000s Sarah Ditum,2024-01-23 A scathing reexamination of the lives of nine female celebrities in the 2000s Britney Paris Lindsay Aaliyah Janet Amy Kim Chyna and Jen and the sexist exploitative culture that let them down Welcome to celebrity culture in the early aughts the reign of Perez Hilton celebrity sex tapes and dueling tabloids fed by paparazzi who were willing to do anything to get the shot The internet was still the Wild West slut shaming fat shaming and revenge porn were all fair game and celebrity was seen as a commodity to be consumed And for the famous women of this era they were never as popular or as vulnerable as when they were in crisis In Toxic journalist Sarah Ditum tells the stories of nine famous women who defined this era and explores how they were devoured by fame how they attempted to control their own narratives and how they succeeded or more often failed Whatever you think you already know leave it at the door Toxic reveals these women neither as pure victims nor as conniving strategists but as complex individuals trying to navigate celebrity while under attack from a vicious and fast changing media It s time to come to terms with how these iconic women and their experiences living under the public gaze shaped the way we see ourselves our bodies our relationships and our aspirations We are all products of the toxic decade **Back to Black** Donald Brackett,2016-11-01 Book Be a fly on the wall of sound get the inside history and behind the scenes events in the making of a masterpiece In this refreshing book which focuses solely on Amy Winehouse s musical artistry stylistic influences and creative collaborations with great producers and musicians instead of her personal problems Donald Brackett explores pertinent questions about the importance of pop music in contemporary culture In this incisive and fascinating study of Amy Winehouse s second and last album released in 2006 Back to Black he opens the door not only to the full experience of this great record but also explores the seductive sonic hook

that pop artists always strive for and unearths what makes the record unique influential and unforgettable He reveals the creative steps in its inception and production the technical virtuosity that makes it special and why it deserves to be considered a pop classic In an album that continually strips down the branches of popular music to draw from its muscular trunk Amy Winehouse with significant help from producers Mark Ronson and Salaam Remi used the deep longing of 60s girl group pop such as the Ronettes to fuel the torch sound she perfected in her debut Brackett fully considers Winehouse's legacy ten years after her multi Grammy winning album exploring the origins of a global cultural phenomenon by examining her roots as a storyteller studying her swift arrival as a demonic pop diva the crucially important creative role played by her gifted producers in the studio the historical musical influences on her style the soul magic of her superb backup band the Dap Kings her live performance style onstage and her magnetic public image as a video star Back to Black is also explored song by song in an appreciation of its status as a true pop art artifact In the end it's the songs that make up Back to Black which go far beyond our potentially prurient fascination with the unique singer's early demise five years ago and instead bring vibrantly to life the surprising pop majesty she personified

*From Cradle to Stage* Virginia Hanlon Grohl, 2017-04-18 Written by Virginia Grohl the mother of Dave Grohl former Nirvana drummer and current frontman for the Foo Fighters *From Cradle to Stage* shares stories and exclusive photos featuring mothers of rock icons the icons themselves and their Behind the Music style relationships While the Grohl family had always been musical the family sang together on long car trips harmonizing to Motown and David Bowie Virginia never expected her son to become a musician let alone a rock star But when she saw him perform in front of thousands of screaming fans for the first time she knew that rock stardom was meant to be for her son And as Virginia watched her son's star rise she often wondered about the other mothers who raised sons and daughters who became rock stars Were they as surprised as she was about their children's fame Did they

worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers Did they encourage their children's passions despite the odds against success or attempt to dissuade them from their grandiose dreams Do they remind their kids to pack a warm coat when they go on tour Virginia decided to seek out other rock star mothers to ask these questions and so began a two year odyssey in which she interviewed such women as Verna Griffin Dr Dre's mother Marianne Stipe Michael Stipe of REM's mother Janis Winehouse Amy Winehouse's mother Patsy Noah Adam Levine's mother Donna Haim mother of the Haim sisters Hester Diamond Mike D of The Beastie Boys mother With exclusive family photographs and a foreword by Dave Grohl From Cradle to Stage will appeal to mothers and rock fans everywhere **Eyeliners** Zahra
