Grow A Novel In Verse:

Grow Juanita Havill, 2008-04-01 This verse novel about the creation of a community garden reveals the extraordinary magic that occurs when ordinary people work together Everything about Berneetha is big especially her dreams And when Berneetha decides to create a garden on a vacant lot twelve year old Kate Sibley just has to help make that dream a reality At first the neighbors think Kate and Berneetha are crazy but slowly a community begins to grow much like the plants do But just as the garden and Kate are both beginning to bloom a sign goes up a parking garage will be built on the lot Can Kate and Berneetha and their friends keep the garden and the dream alive Award winning author Juanita Havill s story of a community garden in an urban neighborhood is told through the eyes of an impressionable girl in a series of richly detailed prose poems The result is an affecting lasting portrait of community life and the power of shared commitment and hope [Celebrating Poetry Across the K-12 Curriculum](#) Napoli, Mary, Day, Deanna, Ward, Barbara A., 2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today s youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections *Celebrating Poetry Across the K 12 Curriculum* aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more **Creating a Tween Collection** Karen M. Smith, 2019-04-15 Specialized collections for tweens or middle schoolers are relatively new and becoming increasingly popular This Practical Guide gives librarians everything they need to create such a collection Beginning with a brief description of the early adolescent brain and developmental stages and a history of youth and teen services in libraries *Creating a Tween Collection* provides a solid foundation on which librarians can build support for such a collection In addition librarians will be given specific criteria for what constitutes tween literature guidelines for forming parameters that will work for their community and suggestions for using reviews and other sources in selecting appropriate materials and dealing with controversial titles Finally readers will learn how to re allocate spaces and budgets and how to market their new collection to patrons This is a must read for librarians who are looking to build a middle school collection in order to better serve their patrons This book Provides rationale about the importance of a specialized Tween Collection Gives

specific examples for both fiction and nonfiction books databases and websites Provides guidance for creating diverse collections and tips for dealing with possible challenges Includes numerous case studies and booklists Book Review Index - 2009 Cumulation Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *One Book/Five Ways* Association of American University Presses,1994-05-02 A testament to the ingenuity of scholarly presses One Book Five Ways is a fascinating experiment in comparative publishing This book records the history of a single manuscript entitled No Time for Houseplants submitted to five different university presses Chicago MIT North Carolina Texas and Toronto and then actually published by the University of Oklahoma Press Each of the five model publishers agreed to treat the book as a real project accepted for publication and to compile a log of procedures they followed These logs include correspondence budgets forms layouts and specifications providing an insider's look at the path a manuscript takes through the various departments of each press from editorial to marketing With a new Foreword discussing changes in publishing since 1978 and an Afterword commenting on the actual publication of No Time for Houseplants One Book Five Ways is a unique educational tool for anyone interested in the publishing process

Phenomenology and the Human Positioning in the Cosmos Anna-Teresa Tymieniecka,2012-10-11 The classic conception of human transcendental consciousness assumes its self supporting existential status within the horizon of life world nature and earth Yet this assumed absoluteness does not entail the nature of its powers neither their constitutive force This latter call for an existential source reaching beyond the generative life world network Transcendental consciousness having lost its absolute status its point of reference it is the role of the logos to lay down the harmonious positioning in the cosmic sphere of the all establishing an original foundation of phenomenology in the primogenital onto-poiesis of life **Historical**
