Howard, 2017-03-29 One of the only books to offer a behind the scenes look at the role of school librarians in student success this guide offers everything you ll need to develop

align and evaluate curriculum with your library collection in mind This reference provides school library professors with strategies and tips for creating future school leaders out of current LIS students Drawing upon her extensive experience as a school librarian author Jody K Howard heralds the library professional s role as information specialist instructional partner and curriculum advocate Her insider s perspective is rich with tested strategies to help students seamlessly integrate the responsibilities of their multiple roles into daily activities The work explains the process of curriculum mapping and collection development with an eye on teaching these tools to those new to the profession The content provides methods for developing guided inquiry lessons in collaboration with teachers illustrates ways to develop leadership skills while aligning the collection with the curriculum and offers strategies for working alongside curriculum committees and classroom teachers to build a cohesive educational program The final chapter explores the roles and responsibilities of school librarians at the district state and national level

Conducting Action Research to Evaluate Your School Library Judith Anne Sykes, 2013-05-01 How should teacher librarians or instructional leaders engage in action research to improve their school library and benefit students learning This book provides the answers Teacher librarians need to get directly involved with the research process in the learning commons in order to create actions and strategies that will enhance student learning and benefit their own professional development as well as demonstrate accountability through their action research efforts This book provides practical tips and work spaces for educators at the local state and national levels clearly modeling and explaining the process and the tools for conducting action research in a school library setting that will identify the program s strengths and weaknesses The author coalesces current expert opinions on the topic of action research in the school library environment and highlighting what other teacher librarians in the field have identified as the pros and cons of using the process Readers are directed to focus on mitigating the cons through the use of specific working pages and templates and by initially exploring five favorite links thereby encouraging those who are new to action research to try what might otherwise seem a daunting process School principals K 12 who read this book will be better equipped to support their teacher librarians and teachers in this important professional process

The Whole School Library Learning Commons Judith Anne Sykes, 2016-08-29 Introduce your teachers librarians and administrators to the roles and responsibilities of educators in advocating a whole school library learning commons using this step by step guide for creating shared learning space in your school It is no surprise that technology has shifted the way we educate bearing on how what and where we learn This guide lays the framework for helping turn your school library into a whole school library learning commons WSLLC a space where traditional academics merge with the latest technologies to engage learners in a way never before realized Author Judith Anne Sykes contends that since the WSLLC philosophy allows staff and students to co create knowledge in a shared space it is more effective than the traditional approach Sykes addresses the differences between a school library and a WSLLC provides reasons to champion its creation in your institution and discusses how to use mentoring as a means to sustain its

survival The book explores the roles and responsibilities of educators in developing WSLLC goals and presents strategies for using typical assessment tools including standardized tests report cards and anecdotal assessments to help support its philosophy *The Many Faces of School Library Leadership* Sharon Coatney,Violet H. Harada,2017-03-29 Completely revised with even more contributions added by practicing school librarians this book further examines the responsibility to lead in many areas and identifies the real world day to day application of established theory and best practices In today s educational landscape school librarians need to lead the way in many areas including advocacy literacy technology curriculum vision collaborative instruction and intellectual freedom All of these areas are vital to building and sustaining a school library program that enhances and encourages student achievement as well as to providing enhanced services to students and faculty This revised edition of *The Many Faces of School Library Leadership* offers invaluable insights from recognized leaders in the field of school librarianship that detail leadership roles embraced by accomplished practitioners and consider the research regarding best practices An essential read for practicing school librarians as well as for pre service school librarians it offers today s school librarians actionable advice for strengthening their roles underlining their value and protecting their future all while boosting student learning and achievement The expert guidance and perspectives in this book will bolster those who are facing enormous challenges to meet them and allow school library staff to protect their jobs and to save school library programs from extinction *The School Library Manager* Blanche Woolls,Sharon Coatney,2017-11-27 This sixth edition of *Library Unlimited* s classic school library management text describes new approaches to management and addresses the realities that school librarians face in today s quickly evolving information based world In recent years nearly all school libraries and school librarians have been targeted for having their funding or staffing cut as a result of reductions in school budgets How does a newly graduated LIS professional prepare for a career in this volatile environment How do established librarians and administrators prove their value and necessity to decision makers This freshly updated edition of *The School Library Manager* is an invaluable textbook that leads readers through the many essential management tasks and skills required to administer the successful school library program and beyond It promotes the leadership role of the school librarian in the school and addresses the need for school librarians to provide students with equal access to information The information presented will not only enable librarians to keep their jobs but also supply specific guidance and inspiration that gives readers the ability to make their positions and libraries undeniably relevant and valuable and to ensure a path of upward mobility in their LIS careers *Inquiry and the Common Core* Violet H. Harada,Sharon Coatney,2013-12-16 Practicing librarians and library educators demonstrate the power of inquiry to achieve the Common Core State Standards CCSS and promote school librarians as key partners in implementing this type of critical teaching and learning in K 12 schools With the adoption of the CCSS in most of the nation s schools educators and administrators at K 12 schools have a pressing need to find the best ways to implement these rigorous and comprehensive

standards that challenge students to understand informational text and digital content at increasing levels of complexity This text provides faculty with much needed support in achieving this critical goal thoroughly describing inquiry learning and how it links to the CCSS The authors nearly 30 contributors total comprising librarians library media specialists educational leaders teachers from the kindergarten level to college professors and administrators each with direct experience and knowledge regarding the subject matter explain how the standards emphasis on in depth investigation and evidence based reading and writing skills dovetail perfectly with inquiry based learning initiatives Acclaimed thought leaders such as Jean Donham Kristin Fontischiaro Leslie Maniotes and Barbara Stripling clearly define and illuminate the librarian s role in school initiatives today and share lesson plans that have been proven effective in actual practice *Full STEAM Ahead* Cherie P.
