Naval Warfare (Classic Reprint) James R. Thursfield, 2017-10-13 Excerpt from Naval Warfare I should hope that readers who have found this volume useful to them will not confine their studies to it Abundant materials for a deeper and more comprehensive study of the subject will be found in the several works incidentally mentioned or quoted in my text and in the writings Of those other contemporary authors with whom Sir Charles Ottley has done me the high honour to associate myself In these several works further guidance to a still more sustained study Of the subject will be found and in this regard I would specially mention the admirable Short History of the Royal Navy by Mr David Hannay two volumes which in addition to their other and more conspicuous merits contain a well selected list of authorities to be consulted prefixed to each chapter These references which in truth cover the whole subject will I trust better serve the purpose of the advanced or advancing student than any such Bibliography as I could compile on a scale commensurate with the form and purpose of the present Manual About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
