Dean Mathiowetz

Routledge Innovators in Political Theory

Hanna Fenichel Pitkin Routledge Innovators

Alyson Cole, George Shulman

Hanna Fenichel Pitkin Routledge Innovators:

Hanna Fenichel Pitkin Dean Mathiowetz, 2016-05-26 Hanna Fenichel Pitkin has made key contributions to the field of political philosophy pushing forward and clarifying the ways that political theorists think about action as the exercise of political freedom. In so doing, she has offered insightful studies of the problems of modern politics that theorists are called to address and has addressed them herself in a range of theoretical genres. This collection of her works approaches each of these dimensions of Pitkin's contributions in turn. *The Modern Condition* and *The Impetus to Theorize* Pitkin has offered sustained reflection on what aspects of modern political life prompt the impulse to theorize politics. Highlighting the pitfalls that modern life and philosophy also present for that enterprise, she suggests an agenda for political theorizing that engages the dilemmas of modernity in ways that grasp the importance of paradox as a portal of insight into the modern condition and eschews attempts at easy resolution. *Moral Philosophy*, *Judgment*, *Justice* Pitkin has turned at several points in her career to the concept of justice as one that particularly brings together questions of agency and responsibility, the insights of moral philosophy and judgment. Drawing upon a variety of methodological resources and theoretical inspirations, her work engages ordinary language philosophy, pedagogical practice, and textual study to yield a complex and subtle set of observations, all of which open moral philosophy and matters of judgment to questions of action and responsibility in the exercise of political freedom. *Action* Political agency and its obstacles are a key theme in Pitkin's work and a main area of her theoretical innovation. She has examined the appeal of autonomy as a picture of political agency, explored the ways that the institutional arrangements of modern liberal societies attempt to link individual and political agency, and offered a picture of political freedom as maintaining the tension between individual parts and collective wholes. Finally, Pitkin has meditated on the political and social conditions that most impede our ability to grasp agency as a practice of political freedom and gestured to paths that may lead forward.

Drawing upon a variety of methodological resources and

theoretical inspirations her work engages ordinary language philosophy pedagogical practice and textual study to yield a complex and subtle set of observations all of which open moral philosophy and matters of judgment to questions of action and responsibility in the exercise of political freedom Action Political agency and its obstacles are a key theme in Pitkin's work and a main area of her theoretical innovation She has examined the appeal of autonomy as a picture of political agency explored the ways that the institutional arrangements of modern liberal societies attempt to link of individual and political agency and offered a picture of political freedom as maintaining the tension between individual parts and collective wholes Finally Pitkin has meditated on the political and social conditions that most impede our ability to grasp agency as a practice of political freedom and gestured to paths that may lead forward

Jane Mansbridge Melissa Williams, 2018-09-20 Jane Mansbridge's intellectual career is marked by field shifting contributions to democratic theory feminist scholarship political science methodology and the empirical study of social movements and direct democracy Her work has fundamentally challenged existing paradigms in both normative political theory and empirical political science and launched new lines of scholarly inquiry on the most basic questions of the discipline the sort of equality democracy needs the goods of political participation the nature of power the purposes of deliberation the forms of political representation the obstacles to collective action and the inescapable need for coercion The editor has focused on work in three key areas Participation and power Mansbridge's early work on participatory democracy generated a key insight that has informed all of her subsequent work the kind of equality we need to legitimate decisions under circumstances of common interests equal respect differs from the kind of equality we need when interests conflict equal power Deliberation and representation In the chapters in this section Mansbridge adds nuance to democratic theory by disaggregating different modes of political representation and explicating the ways in which each can contribute to the deliberative aggregative and expressive functions of democratic institutions Legitimate coercion Mansbridge exemplifies a collaborative spirit through the practice of deliberative co authorship through which she and colleagues construct a taxonomy of procedures that can legitimize enforceable collective decisions Essential reading for anyone interested in liberal conceptions of equality participation representation deliberation power and coercion

Michael Paul Rogin Alyson Cole, George Shulman, 2019-02-18 Michael Paul Rogin's scholarship profoundly altered the scope content and disposition of political theory He reconstituted the field by opening it to an array of texts performances and methods previously considered beyond the purview of the discipline His work addressed the relationship between dimensions of politics typically split apart institutional power and cultural forms material interests and symbolic meanings class projects and identity politics the public and the private Rogin's scholarship enlarges our sense of the borders and genres defining political theory as a field and enriches our capacity to think critically and creatively about the political The editors have focused on three categories of substantive innovation Demonology and Countersubversion Rogin used the concepts countersubversive tradition and political demonology to theorize how constitutive exclusions and charged images of

otherness generated imagined national community He exposed not only the dynamics of suppressing and delegitimizing political opposition but also how politics itself is devalued and displaced The *Psychic Life of Liberal Society* Rogin addressed the essential contradiction in liberalism as both an ideology and a regime how a polity professing equality liberty and pluralist toleration engages in genocide slavery and imperial war Political Mediation Institutions and Culture Rogin demonstrated how cultural forms pervasive myths literary and cinematic works mediate political life and how political institutions mediate cultural energies and aspirations

Richard E. Flathman P.E. Digeser, 2016-08-25 Richard E Flathman is a ground breaking theorist of key political concepts a fierce defender of individuality a close and original reader of Hobbes and an advocate of a willful conception of liberalism In this volume P E Digeser draws together some of his key works The collection is framed by an introduction and an interview with Flathman where he reflects on his contributions By thinking through and with Wittgenstein's later philosophy of language his work clarifies and refines terms that are central to politics and to the tradition of political thought His work also seeks to cure certain persistent muddles and confusions in our political concepts as well as create and defend a space for the opaque and opalescent features of ourselves Flathman advances a liberalism that is more open to and celebratory of the idiosyncratic as well as to voices not ordinarily associated with the liberal tradition The editor has focused on her work in three key areas The first part focuses on Flathman as a theorist of meaning and presents excerpts from his analyses of quality authority and rights The second part focuses on his contributions to understanding the meaning and value of freedom The final part presents selections that illustrate his conception of liberalism and individuality Helping to highlight how the innovations in Flathman's thought have shaped the field of political theory this collection will be of interest to students and scholars

Fred Dallmayr Farah Godrej, 2017-06-26 Fred Dallmayr's work is innovative in its rethinking of some of the central concepts of modern political philosophy challenging the hegemony of a modern subjectivity at the heart of Western liberalism individualism and rationalism and articulating alternative voices claims and ideas His writings productively confound the logocentrism of Western modernity while providing alternative conceptions of political community that are post individualist post anthropocentric and relational The editor has focused on work in three key areas Critical phenomenology and the study of politics The first selections focus on the philosophical roots of Dallmayr's work in two of the most innovative intellectual trends of the twentieth century phenomenology and critical theory These chapters outline some of the main arguments advanced by practitioners of phenomenology particularly existential phenomenology as well the guiding ideas of critical theory and critical Marxism while tracing Dallmayr's debt to thinkers such as Heidegger Gadamer Habermas Adorno and Merleau Ponty Cross cultural theory These readings illustrate Dallmayr's explorations beyond the confines of Western culture as this phase of his thinking turns toward what is now called cross cultural or comparative political theory In an approach that maintains its linkage with critical phenomenology Dallmayr asserts that Western or European American political theory can no longer claim undisputed

hegemony rather it must allow itself to be contested amplified and corrected through a comparison with non Western theoretical traditions and initiatives Cosmopolitanism These selections explore the final phase of Dallmayr s work in which he applies his insights on cross cultural studies to the context of global politics rebutting Samuel Huntington s clash of civilizations thesis and instead arguing for a cosmopolitanism that takes a middle path between both global universalism and restrictive particularism advocating sustained dialogue and respectful mutual learning between countries and civilizations

John G. Gunnell Christopher C. Robinson, 2016-10-14 John Gunnell has compelled political theorists to rethink their relation to political science the history of political thought the philosophy of social science and political reality His thinking has been shaped by encounters with Heidegger and Plato Wittgenstein and Austin the Berkeley School and migr s such as Strauss and Arendt His writings have challenged the idealist assumptions behind the idea of a Great Tradition of Political Thought and the philosophical claims about mind and language Gunnell has engaged and challenged colleagues in political theory political science and the philosophy of social science on a range of issues from political action time pluralism ideology concepts conventions the political and democracy to the roles of philosophy science literary theory cognitive science mind and history on the enterprise of theorizing today The book focuses on his work in three key areas Political Theory and Political Science Gunnell s work has often focused on the historical emergence of the study of political theory as a subdiscipline of political science and its critical relation to and alienation from political science from the postwar era His argument has been consistent political theory self identified as an interpretative social science and mode of historical reflection is an invention of political science Political theory divorced from political science weakens both activities in their ties to concerns with and relevance to political society and the contemporary university Interpretation and Action Gunnell has been particularly interested in the nature of concepts and how they change These investigations begin with analysis of theory and theorizing as they are constituted and practiced in historiography the philosophy of social sciences the philosophy of science political science and metatheory He engages with thinkers whose positions inform and oppose his own and explores concepts such as democracy justice time pluralism science liberalism and action Theorists Philosophers and Political Life Gunnell s work has developed through a series of encounters with theorists and philosophers He has rejected attempts to present politics as a stable and essential set of phenomena There are common themes that guide conversations with the German migr s ordinary language philosophers and theorists from the history of political thought This book includes works that focus on Max Weber Leo Strauss and Eric Voegelin Gilbert Ryle J L Austin and Ludwig Wittgenstein

Decoding **Hanna Fenichel Pitkin Routledge Innovators**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Hanna Fenichel Pitkin Routledge Innovators**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Hanna Fenichel Pitkin Routledge Innovators Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hanna Fenichel Pitkin Routledge Innovators has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hanna Fenichel Pitkin Routledge Innovators has opened up a world of possibilities. Downloading Hanna Fenichel Pitkin Routledge Innovators provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hanna Fenichel Pitkin Routledge Innovators has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hanna Fenichel Pitkin Routledge Innovators. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hanna Fenichel Pitkin Routledge Innovators. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hanna Fenichel Pitkin Routledge Innovators, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Hanna Fenichel Pitkin Routledge Innovators has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Hanna Fenichel Pitkin Routledge Innovators Books

1. Where can I buy Hanna Fenichel Pitkin Routledge Innovators books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Hanna Fenichel Pitkin Routledge Innovators book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Hanna Fenichel Pitkin Routledge Innovators books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Hanna Fenichel Pitkin Routledge Innovators audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Hanna Fenichel Pitkin Routledge Innovators books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
