*Happily Ever Now* Nicole S. Rouse, 2013-06-20 All Renee Thomas ever wanted was to have a fulfilling life So she married Jerome her high school sweetheart had two beautiful children and was steadily climbing the ladder of success Months before her thirty fifth birthday however she realizes that her life is slowly crumbling Her oldest son has become rebellious and her once stable career seems like it is about to end In addition Renee learns that Jerome has been involved in a long term affair with Taylor Kimball a thirty three year old bus driver After a few bad relationships Taylor has given up hope on finding the perfect man She settles on Jerome believing he will eventually leave Renee When Taylor grows tired of being the other woman she pressures Jerome to commit to their relationship When he cannot give Taylor the answer she wants to hear she spirals into a slow depression At a low point in their lives both Renee and Taylor find themselves longing for true happiness The phrase happily ever after has lost its attraction they want the happily ever now Through God s love can both women learn to forgive those who have caused them pain and discover the true joy of life s happiness **Someone to Love Me**

Nicole S. Rouse, 2013-06-20 What s done in the dark comes to light eventually says the pastor of First Baptist Church in Chicago Those words enter Jerome Thomas spirit and release bittersweet memories of his past memories he worked hard to suppress for the sake of his family In the early years of his marriage to Renee Jerome made several mistakes He neglected his family struggled with bouts of alcoholism and wasted money But the one mistake he regrets the most was cheating on his wife with Taylor Every morning before she opens her eyes Taylor Belle says a quick prayer for forgiveness The guilt of the affair she had with Jerome and the lives of the people she hurt weigh heavy on her heart Several years have passed since the affair but there is still unfinished business between them As life becomes more complicated Taylor knows that she needs to settle things with Jerome before God will lift the burden on her heart Although Jerome and Taylor now live in different states they share a secret that could potentially destroy their families What will happen when the actions of their last intimate encounter catch up with them Once the truth is exposed Jerome and Taylor are alienated by their loved ones and are forced to rely on faith and the power of God s love to repair the sins of the past Will God mend old wounds and restore the love and peace they once knew Or are Jerome and Taylor destined to live in sorrow because of the shame of their past **The First**

**Urban Christians** Wayne A. Meeks, 2003-01-01 Meeks analyzes the letters of Paul to see what kind of people joined the Christian groups in the urban centers and what it was like to be a Christian then **China's Urban Christians** Brent Fulton, 2016-12-29 China s Urban Christians A Light at Cannot Be Hidden looks at how massive urbanization is redrawing not only the geographic and social landscape of China but in the process is transforming China s growing church as well The purpose of this book is to explore how Christians in China perceive the challenges posed by their new urban context and to examine their proposed means of responding to these challenges Although not primarily political in nature these challenges nonetheless illustrate the complex interplay between China s Christian community and the Chinese party state as it comes to

terms with the continued growth and increasing prominence of Christianity in modern China      **Something Happened on the Way to Happily Ever After** Rick Walston, 2006-01-15 What does the Bible really say about marriage divorce and remarriage Where does the divorced person stand with regard to remarriage or ministry This book is an easy reading explanation of what God has to say about these important issues It is truly A Biblical View of Marriage Divorce and Remarriage      *Tender to the Touch* Nicole S. Rouse, 2013-08-01 For the past eleven years Reverend J Amanda King served as an anointed and powerful leader for the women s ministry of Faith Tabernacle Church Though thousands of women have been blessed by her leadership J Amanda is most fond of the ministry she built with five of her sorority sisters To them she is more than a spiritual leader and counselor She is their sister and true friend The bond of the sisterhood is tested when J Amanda s old flame Hunky Crawford resurfaces and pleasant memories of their life together seem more appealing than the one she shares with her husband David In time J Amanda remembers why she ultimately chose David over Hunky but is she too late Hunky exposes secrets that threaten to destroy J Amanda s relationship with her husband and line sisters forever and lead to a startling death Will J Amanda salvage her relationships and get her life back on track or will she give up on God and accept the consequences for turning her back on her faith      **The History of the Popes** Archibald Bower, 1845

**Christian Values in Communist China** Gerda Wielander, 2013-10-08 This book argues that as new political and social values are formed in post socialist China Christian values are becoming increasingly embedded in the new post socialist Chinese outlook It shows how although Christianity is viewed in China as a foreign religion promoted by Christian missionaries and as such at odds with the official position of the state Christianity as a source of social and political values rather than a faith requiring adherence to a church is in fact having a huge impact The book shows how these values inform both official and dissident ideology and provide a key underpinning of morality and ethics in the post socialist moral landscape Adopting a variety of different angles the book investigates the role Christian thought plays in the official discourse on morality and love and what contribution Chinese Christians make to charitable projects It analyses key Christian publications and dedicates two chapters to Christian intellectuals and their impact on political liberal thinking in China The concluding chapter highlights gender roles the role of the Chinese diaspora and the overlap of the government and Christian agenda in China today The book challenges commonly held views on contemporary Chinese Christianity as a movement in opposition to the state by showing the diversity and complexity of Christian thinking and the many factors influencing it      **The Rise of Christianity Through the Eyes of Gibbon, Harnack and Rodney Stark** Jan N.

Bremmer, 2010 The rise of Christianity up to the victory of Constantine has often been studied and remains a puzzling phenomenon In this valedictory lecture Jan N Bremmer concentrates on the explanations adduced focusing in particular on the works of three iconic figures from the last two hundred and fifty years The History of the Decline and Fall of the Roman Empire of Edward Gibbon the most famous ancient historian of all time at the end of the eighteenth century Die Mission und

Ausbreitung des Christentums of Adolf von Harnack the greatest historian of early Christianity of all time around 1900 and The Rise of Christianity of Rodney Stark the most adventurous sociologist of religion of our times at the end of the twentieth century Bremmer locates their concerns and explanations within their own times but also takes them seriously as scholars discussing their analyses and approaches In this way he shows both the continuities and the innovations in the evolving view which scholarship presents of early Christianity Bremmer's exceptional knowledge of the huge range of scholarship and his humane and balanced judgment make this lecture the ideal introduction to the many problems raised by Christianity's displacement of paganism
