*Work* Thich Nhat Hanh, 2008-11-08 Thich Nhat Hanh presents Buddhist teachings for managing the stressors of daily life revealing the power of bringing mindfulness to business leadership and livelihood. Features 30 ways to reduce workplace stress plus other tips on how to stay present and calm. We all need to chop wood and carry water. Most of us experience work hardship, traffic jams, and everything modern urban life offers. But by carefully examining our everyday choices, we can move in the direction of right livelihood. We can be a lotus in a muddy world by building mindful communities, learning about compassionate living, or by coming to understand the concept of Buddha nature. In Thich Nhat Hanh's latest teachings on applied Buddhism for both the workplace and daily life, he offers guidance on how to start your day with advice on how to set intentions, practice mindful breathing, walking, and even meditation at work. Deal with tense daily scenarios with 30 ways to reduce workplace stress. Be present and relaxed at home and with family. Create a new way of working that is built on peace, compassion, and co-responsibility. And much more. *Work* also discusses mindful consumption or the mindful use of limited resources. Instead of living large in lean times or ramen to riches, we can learn to appreciate living less large and think about what kind of riches we want for ourselves and others. Designed for beginner and experienced meditation practitioners, *Work* shows us how we can apply Buddhism to everyday life, including how we lead and do business. Happiness Thich Nhat Hanh, 2009-10-05 Zen Master Thich Nhat Hanh's key teaching is that through mindfulness we can learn to live in the present moment and develop a sense of peace.
