Free Fall Caden,2015-11-25 Free Fall is a novel written as a series of journal entries chronicling the strange yet intertwined events involving Michael Cardazia a quirky high school science teacher and his longtime spy girlfriend Erika Nirvona Life for the couple proceeds routinely until strange and unexplainable events begin to creep into their lives Michael is one day catapulted into a world beyond anyones imagination In this alternate universe he befriends some of Earths most well known individuals including Abraham Lincoln Elvis Presley

Walt Disney and Marilyn Monroe but in starkly different roles from the ones we earthlings remember them for This whirlwind journey takes the characters from the streets and monuments of Washington DC to a world in which scientists strive to secretly create more perfect human specimens Full of history and trivia yet also offering lighthearted humor this book follows Michaels free falling nonstop journey to get back to the woman he loves on Earth But she too is caught in a series of mysterious events and Michael soon realizes that despite the most valiant efforts of his newfound friends his journey back to Earth has become more complicated than anyone could have foreseen *The Harry Potter Generation* Emily Lauer,Balaka Basu,2019-04-10 The generation of readers most heavily impacted by J K Rowling s Harry Potter series those who grew up alongside the boy who lived have come of age They are poised to become teachers parents critics and writers and many of their views and choices will be influenced by the literary revolution in which they were immersed This collection of new essays explores the many different ways in which Harry Potter has shaped this generation s views on everything from politics to identity to pedagogical spaces online It seeks to determine how the books have affected fans understanding of their place in the world and their capacity to create it anew *Harry Potter* S. Gunelius,2008-06-03 The Harry Potter books are the bestselling books of all time In this fascinating study Susan Gunelius analyzes every aspect of the brand phenomenon that is Harry Potter Delving into price wars box office revenue and brand values amongst other things this is the story of the most incredible brand success there has ever been *Harry Potter: Film Vault: Volume 5* Jody Revenson,2020-01-21 Discover the filmmaking secrets behind Fawkes the phoenix the Whomping Willow and so much more Rediscover the creature companions magical plants and shapeshifters of the Wizarding World with Harry Potter Film Vault Volume 5 Fans will be treated to an in depth look at the illustrations paintings and behind the scenes photography that helped develop everything from Harry s owl Hedwig to werewolves and Animagi Harry Potter Film Vault compiles the filmmaking secrets and visionary artistry behind the Harry Potter films into a series of twelve deluxe collectible volumes Intricately designed and packed with gorgeous concept art and unit photography from the Warner Bros archive each volume in the series gives fans striking insights about bringing the Wizarding World to the big screen Included in each book is a collectible art print making this series a must have for all Harry Potter fans and collectors everywhere *A Study Guide for J.K. Rowling's Harry Potter and the Order of the Phoenix* Gale, Cengage Learning,2015-03-13 A Study Guide for J K Rowling s Harry Potter and the Order of the Phoenix excerpted from Gale s acclaimed Literary News For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Literary News For Students for all of your research needs *Islands and Captivity in Popular Culture* Laura J. Getty,2021-07-20 The choices that individuals make in moments of crisis can transform them By focusing on fictional characters trapped on fictional islands the book examines how individuals react when forced to make hard choices within the liminal space of a prison island At stake is the perception of choice do characters believe that they have the power to choose

or do they think that they are at the mercy of fate The results reveal certain patterns psychological historical social and political that exist across a variety of popular public cultures and time periods This book focuses on how the interplay between liminality and the Locus of Control theory creates dynamic sites of negotiated meaning This psychological concept has never before been used for literary analysis Offered here as an alternative to the defects of Freudian psychology the Locus of Control theory has been proven reliable in thousands of studies and the results have been found with few exceptions to be consistent in both women and men That consistency is explored through close readings of islands found in popular culture books films and television shows with suggestions for future research An International Law Perspective on Harry Potter Frauke Heidemann,2024-06-13

This textbook introduces readers to international law by linking it to the Harry Potter universe Given the current changes in the international sphere away from a state centric system to a multitude of non state actors it tests the legal regime by applying it to the out of the box concept of wizards and thus rids the doctrinal debate of political factors More specifically the book explains core concepts of public international law covering the elements of a state state responsibility jurisdiction enforcement of international law and immunity In the wizarding world it addresses questions of statehood by discussing when a wizarding state is responsible for the crimes committed by its wizards who has jurisdiction over crimes and how international law is enforced In addition it introduces and explains the fundamentals of international humanitarian law international human rights law international criminal law and air law by applying them to the wizarding world The textbook is intended for anyone looking for an accessible introduction to public international law and its application
