prince J. K. Rowling, 2015 *Dark Academe* Jeffrey R. Di Leo, 2024-04-27 This book argues that a critical understanding of dark academe is vital to the futures of democracy and education Drawing upon contemporary literary and cultural theory particularly affect theory queer epistemology and critical race theory as well as critiques of capitalism and accounts of the death drive it builds a case for identifying dark academe as anything that prohibits the pursuit of democratic education and critical citizenship It also argues that dark times require a reassessment of the ways theory and knowledge are approached in the humanities This is necessary if the aim is to truly understand the darkness at the heart of the higher education today Dark academe works to negate education and learning by continuously telling us that the quest for knowledge is empty and the pursuit of critique is blind In this educational darkness the death drive of neoliberal academe becomes a force that works against intellectual transformation and the deepening of critical sights **J.K. Rowling: A Bibliography** Philip W.

Errington, 2017-09-21 This is the definitive bibliography of the writings of J K Rowling In addition to bibliographical details of

each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This edition has been fully revised and updated to include over 50 new editions published since 2013 including the newly jacketed 2014 children s editions of the Harry Potter books as well as the 2015 illustrated edition of Harry Potter and the Philosopher s Stone The works of Robert Galbraith are also included **Affiliate Millions** Anthony Borelli,Greg Holden,2007-07-09 Affiliate Millions For more than a decade the Internet has allowed people to make substantial amounts of money on both a full time and part time basis Today with even more online opportunities available than ever before you can achieve a level of financial success that most people only dream about and in Affiliate Millions author Anthony Borelli will show you how With the help of coauthor Greg Holden Borelli will show you how to make thousands and eventually tens of thousands of dollars each month through the process of paid search marketing and affiliate advertising Along the way they ll also share the secrets to mastering this often overlooked strategy and provide you with the tools and techniques needed to maximize your potential returns Since making one million dollars through paid search marketing and affiliate advertising in his first full year of operations Anthony Borelli has never looked back Now he wants to help you do the same Filled with in depth insights and practical advice Affiliate Millions will introduce you to this profitable endeavor and show you how to make it work for you **Harry Potter and the Myth of Millennials** Priscilla Hobbs,2022-05-16 The publication of the Harry Potter series in the United States coincided with the coming of age of its main target audience the millennial generation Harry Potter and the Myth of Millennials Identity Reception and Politics takes an interdisciplinary view of Harry Potter as a series and a phenomenon to uncover how the appeal of Harry became a lifestyle a moral compass and a guiding light in an era fraught with turbulence and disharmony As a new phenomenon at the time Harry Potter provided comfort through the heroism of the main characters showing that perseverance and constant vigilance to quote one of the professors could overcome the darkest of times Hobbs argues that Harry Potter prepared an entire generation for the chaotic present marked by the 2016 Election and 2020 Pandemic by shaping the political attitudes of its readers many of whom were developing their political identities alongside Harry Her analysis focuses on both the novels themselves and the ways in which fans connected globally through the Internet to discuss the books commiserate about the events swirling around them and answer calls to action through Harry Potter inspired activism In short Harry Potter and the Myth of Millennials examines how Harry Potter became a generation s defining mythology of love unity and transformation **Seriality and Texts for Young People** M. Reimer,N. Ali,D. England,M. Dennis Unrau,Melanie Dennis Unrau,2014-12-23 Seriality and Texts for Young People is a collection of thirteen scholarly essays about series and serial texts directed to children and youth each of which begins from the premise that a basic principle of seriality is repetition **Four Shades of Gray** Simon Peter Rowberry,2022-04-05 This first book length analysis of Amazon s Kindle explores the platform s technological bibliographical and social impact on

publishing *Four Shades of Gray* offers the first book length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology texts and uses he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade yet despite industry pushback he says the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights an account of the digitization of books published after 1922 and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon doing so has had adverse consequences for publishers in the mid and long term limiting opportunities for developing an inclusive and forward thinking digital platform. While it has forced publishers to embrace digital forms the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets the printing press and offset printing the shockwaves of the Kindle continue to shape publishing.

J.K. Rowling: A Bibliography 1997-2013 Philip W. Errington, 2015-02-26 As someone who respects comprehensive research I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind boggling bibliography. J. K. Rowling This is the definitive bibliography of the writings of J. K. Rowling. In addition to complete bibliographic details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction. This will be the first source on Rowling consulted by textual scholars book dealers and collectors auction houses critics and researchers. The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series. **Applied Computer Sciences in Engineering** Juan Carlos

Rediscover the creature companions magical plants and shapeshifters of this cinematic universe with *Harry Potter Film Vault Volume 5*. Fans will be treated to an in depth look at the illustrations paintings and behind the scenes photography that

helped develop everything from Harry's owl Hedwig to werewolves and Animagi Harry Potter Film Vault compiles the filmmaking secrets and visionary artistry behind the Harry Potter films into a series of twelve deluxe collectible volumes. Intricately designed and packed with gorgeous concept art and unit photography from the Warner Bros archive, each volume in the series gives fans striking insights about bringing the Wizarding World to the big screen. Praise for the Harry Potter Film Vault series: A detailed behind-the-scenes look at creating some aspect of the wizarding world for the films. The Leaky Cauldron: These are great. They're gorgeous and because they break down the different aspects of the films into twelve volumes, they may have more detail than some of the other compendiums out there. These might just be my new favorite Potter film books. MuggleNet: A super cool behind-the-scenes series of the Harry Potter films. Twelve volumes that take the viewer on distinct adventures that unveil various aspects of the beloved movies. Apartment Therapy: You're going to want to collect them all. Wizards and Whatnot: **I Want to Be Where the Normal People Are** Rachel Bloom, 2020-11-17. From the charming and wickedly funny co-creator and star of *Crazy Ex-Girlfriend*, a collection of hilarious personal essays, poems, and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more. Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her different, she's come to realize that a lot of people also feel this way, even people who she otherwise thought were normal. In a collection of laugh-out-loud funny essays, all told in the unique voice, sometimes singing voice, that made her a star, Rachel writes about everything from her love of Disney, OCD, and depression, weirdness, and Spanx to the story of how she didn't poop in the toilet until she was four years old. Rachel's pieces are hilarious, smart, and infinitely relatable, except for the pooping thing. HARRY POTTER NARAYAN CHANGDER, 2023-01-23.
