Abstract *After decades, Southern U.S. public high schools continue to have the lowest graduation rates. To be included in the 2012 federal college grant program, schools must have graduation rates of 80% or higher. This study reports on the results of a study of 10 high schools in the Southern U.S. that have achieved 80% or higher graduation rates. The study found that the schools had a variety of strategies in place to improve graduation rates. The study also found that the schools had a variety of strategies in place to improve graduation rates.
