Silly Elephant - Peace with Bees Nadh Poduri, 2016-10-02 Ephan is a silly elephant who loves to do silly things He is

forever teasing his friends and playing practical jokes on them As he is going to bed one night his mother tells him to prepare for school the next day and teaches him how to tell the time so he ll know when he needs to get there But when he wakes up far too early the next day he decides to use the time visiting the neighborhood to see what fun he can have All of the animals are asleep but he soon finds ways to be silly at their expense First he finds his elephant friends Billy and Jilly asleep in their hammock and ties their tails together Next he sees mice sleeping in a den and ties balloons to their tails And finally the sleeping snakes are put into cardboard boxes One by one the animals realize the only one who could have done any of these things is silly Ephan They are so tired of his silly games they decide to teach him a lesson by being silly themselves Ephan apologizes for playing practical jokes on them and asks them to let him go to school The animals agree but insist on hugging him As they hug him they paint the words I am silly on his back As Ephan rushes to school the animals laugh at him At first he is happy they have forgiven him until one of the birds calls to him Hi Silly He is annoyed that his name is not Silly and wonder why they all are looking at his back He turns around and around to look at his back but he can t see anything Finally he meets his friend Sid who also greets him with Hi Silly and explains what is written on his back Ephan is shocked but realizes it s the reason everyone was laughing at him Sid washes the paint away with water and tries to hurry Ephan to school but Ephan knows the time and tells him not to worry because they are right on time
