Nancy Eshelman: A Piece of My Mind Nancy J. Eshelman, 2007-10-08 Plenty of people have come up to me over the years and said You ought to write a book My response has always been to ask them to imagine they are a hairdresser All day they work in a salon cutting hair coloring hair styling hair Now I ask When you go home at night do you want to cut hair color hair and style hair The last thing I wanted to do after a long day in the newsroom was construct sentences edit paragraphs and compile a manuscript Then one day I had an awakening All those words I had been stringing together in columns in The Patriot News since 1989 were just hanging around in a computer library A few were clipped from newspapers and shoved in people's drawers Some dangled from magnets on refrigerators Why not gather a bunch of them together and create a book And so this work began taking shape What I have gathered here are columns written over the years about the joys and sorrows that come from caring about someone and about the changes I've observed as I've passed from child to adult from daughter to mother to grandmother

she only trusts Him And yes there IS a formula It s written right there in His Word the Bible and when it s all said and done Val doesn t mind waiting Wait on the Lord be of good courage and He shall strengthen thine heart wait I say on the Lord Psalm 27 14 *Traveling Through My Mind: Volume 1* Elmo Kelley,2022-01-16 When I started writing poetry thirty years ago I never imagined that I would be doing it for this long and touch so many peoples lives in different and fascinating ways When I write my first purpose is to express how I feel about something and get my emotions on paper This has become to me in many ways a sort of therapy that allows me to deal with something creatively and at times hopefully find an answer I also tend to write about situations that I m trying to figure out or things that are bothering me I always try to make my poems contain a large amount of imagery so that someone reading one of my them feels like they have entered my world for a little bit Often that world is full of humor but also mixed with passion heartache and hope My poems have covered subjects like our current pandemic schooling the trials and tribulations of all kinds of relationships just to name just a few I want someone to read one of my poems and be able to find what it means to them I have realized that a poem can mean different things to different people I love to pull the heart strings but also entertain and make people laugh with my poems What started as a creative writing class at UCR back in 1991 has turned into one of my passions I hope you can find the beauty of my poems the humor the emotion and share them with your friends So enjoy the voyage through my mind Strap on your seatbelt and be prepared for a journey that may take you to places you have never been before and maybe to a few places you have visited as well **Hazard in Hawaii (paranormal mystery supernatural suspense)** Heather Silvio,2021-08-17 One man is dead boiled alive by an unexplained fever illness He is just the first When locals fall ill on the Big Island of Hawai i a team with a reputation for solving unusual cases is recruited to discover why Assistant investigator Sarah Danger can barely contain her excitement at being flown with her boss to a tropical paradise After all she expects this is a client overreaction to a natural event and a routine medical explanation for the deadly fever illness will surely come But hidden beneath the lush beauty of Hawai i is something that science can t explain and the key to saving everyone may well be as old as the Big Island itself When unexpectedly thrust into a leadership role Sarah must rely on her empath abilities and background in comparative mythology to solve the case Can she uncover the truth in time or will she fall victim herself Don t miss out on the first Doctor Danger supernatural mystery Hazard in Hawaii from the author of the Paranormal Talent Agency Topics Paranormal cozy mystery rated PG 13 first in series paranormal mystery mythology Hawaii supernatural suspense Hawaii Statehood.
