WORKSHOP MANUAL 1967-1974 SINGLE EXHAUST Floyd Clymer,2025-05-05 126 pages and profusely illustrated with
more than 260 illustrations diagrams and charts size 8 250 x 10 750 inches Originally published by Floyd Clymer in 1969
with coverage for the 1969 and earlier 4 speed and 5 speed 250cc and 360cc models While this 2025 edition includes all of
the data from the original publication it has also been expanded to include data for the 125cc and 380cc engines which
extends the coverage through 1974 CZ motorcycles of this era were identified by a three digit Type number occasionally
followed by a numerical suffix for example Type 984 9 The suffix number identifies model variations and or year of
manufacture within each Type group Unfortunately the use of the Type number is extremely model specific and in order to
eliminate any confusion the data included in this manual is appropriate for the Single exhaust Pipe 4 speed and 5 speed CZ
Motocross Enduro and Ruff Country models However for the sake of completeness the manual states that coverage includes
the following model Types Type 984 125cc Motocross Type 968 250cc Motocross Single Pipe Type 980 250cc Motocross Type
988 250cc Enduro Type 969 360cc Motocross Single Pipe Type 981 380cc Motocross From 1964 to 1966 the Type 968 and
Type 969 were available with Twin Pipe engines they are not covered in this manual However as many of the other
mechanical components are shared with the Single Pipe machines this manual will also be of use to owners of those Twin
Pipe models We encourage you to exercise caution when purchasing technical publications for your classic motorcycle or
automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by
individuals that really have no idea what they are selling Many are nothing more than poor quality digital comb bound or ring
bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are deceptively
described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model
years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our
publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product Honda
