The Forever Rule Carrie Ann Ryan, 2025-01-06 What happens when the man you'd thought could be the one turns out to be your new boss? Blakely. The moment I met Aston Cage, I knew my life had changed. A single dance later, we're both all in. Until he ghosted me. Then my boss fires me for dancing with the enemy. Three months later, working for the Cages is my last resort. Now I'll work beside him day by day, trying not to let my feelings take control. It's heaven and hell. Except I'm starting to think there's a part of this story I'm missing. Aston. I made myself walk

away from Blakely after my family's dirty laundry hit the news. My father's secret family complicates everything. In order to keep our inheritance intact, we're forced to do monthly dinners with both sides of the family: the brothers I grew up with and the new set of siblings we never knew about. An additional obstacle: Blakely is my new sister's best friend. Meaning the moment I give into temptation, I not only risk the woman I'm falling for, but the family legacy just starting to reveal itself. But Blakely is worth it. I just have to prove I am as well.

Inside Paradise Lost David Quint, 2014-02-02 *Inside Paradise Lost* opens up new readings and ways of reading Milton's epic poem by mapping out the intricacies of its narrative and symbolic designs and by revealing and exploring the deeply allusive texture of its verse. David Quint's comprehensive study demonstrates how systematic patterns of allusion and keywords give structure and coherence both to individual books of *Paradise Lost* and to the overarching relationship among its books and episodes. Looking at poems within the poem, Quint provides new interpretations as he takes readers through the major subjects of *Paradise Lost*: its relationship to epic tradition and the Bible, its cosmology and politics, and its dramas of human choice. Quint shows how Milton radically revises the epic tradition and the Genesis story itself by arguing that it is better to create than destroy, by telling the reader to make love, not war, and by appearing to ratify Adam's decision to fall and die with his wife. The Milton of this *Paradise Lost* is a Christian humanist who believes in the power and freedom of human moral agency. As this indispensable guide and reference takes us inside the poetry of Milton's masterpiece, *Paradise Lost* reveals itself in new formal configurations and unsuspected levels of meaning and design.

Age Past: The Incian Sphere Jeff Mechlinski, 2013-10-01 *Age Past* is a fantasy RPG that incorporates a novel character creation and dice rolling mechanic. *Age Past: The Incian Sphere* was written to provide you a completely customized gaming experience. Characters are built using an archetype system that is only limited by your imagination. Cast from over 150 spells without restriction and select from over 140 powers. Most powers can be taken 4 times as your character levels, so no two characters will ever be the same. The system encourages player balance so your character will be successful regarding her purpose, and all characters will be equally important. The game's world is unique and open enough for a GM to tailor his own adventure, yet has guidelines to keep expectations in check. *Age Past* also has many optional rules that allow you to further customize your gaming experience. Choose to use pulp gaming rules or high lethality or both. Build your perfect hero and conquer the world. Incia awaits.
