CaveBear IV Freedom Shannon van Slyke, 2012-04-01 This book is a fictionalized attempt to chronicle our time much the same way that Tale of Two Cities and War and Peace chronicled the time of the French Revolution and its aftermath I believe that there are three phases to any revolution I The events that divide the population by class and institutionalize the classes II The revolution and III The chaos of building a new social structure I believe we are in a Phase I right now This book and the other three in this series may not match the literary achievement of Dickens and Tolstoy but they may give the reader more insight into what is happening in our time What happens next depends on what we have learned from the past but will probably follow a pattern that is beyond the control of any one person or any group of people **Charlie the Great White Horse** Kenneth Mullinix, Sarah Crooks, 2012-03-20 Charlie has taken ill at the North Pole because the magic that lies within the string of Magic Jingle Bells has been broken and now Christmas might be lost forever The The Missouri Rats and Squint Eye Pete are no good crooks who have devised a sinister plan take over the daily operations of Santa's Village from Charlie
