Bowing to Love: The Noble and the Gladiator Saki Aida, 2025-10-30 Lucianus is a noble who believes that love is nothing more than a waste of time and energy That is until the day he s saved by the handsome and powerful gladiator Dominatus Suddenly wasting time doesn t seem like such a bad idea with the right company Unable to confess the overwhelming feelings he has for his savior Lucianus pays for a night of pleasure with Dominatus triggering a series of sexy trysts between them Lucianus craves the other man yet fears that if their relationship is discovered the vast gulf between their social standings could cause trouble But when Dominatus is pitted against a gladiator favored by the emperor he leaps into battle without hesitation knowing the fight could cost him his life Will Dominatus emerge victorious or will love be lost to the sands of the arena before Lucianus can bare his heart

Debussy and His World Jane Fulcher, 2001-08-06 Claude Debussy s Paris was factionalized politicized and litigious It was against this background of ferment and change which

characterized French society and music from the Franco Prussian War to World War I that Debussy re thought music This book captures the complexity of the composer s restless personal and artistic identity within the new picture emerging of the musical social and political world of fin de si cle Paris Debussy s setting did not simply mold his style Rather it challenged him to define a style and then to revamp it again and again as he situated himself simultaneously via the present and the past These essays trace Debussy s perpetual reinvention both social and creative from his earliest to his last works They explore tensions and contradictions in his best known compositions and examine lesser known pieces that reveal new aspects of Debussy s creative appropriation from poetry painting and non Western music The contributors reveal the extent to which Debussy s personal and professional lives were intertwined and sometimes in conflict Belonging to no one group or class but crossing many Debussy abjured the orthodox A maverick who reviled all convention and searched for a music that authentically reflected experience Debussy balked at entering any situation salons musical societies or factions that would categorize and thus distort him Because of this music lovers still argue over the degree to which Debussy s music is Impressionist symbolist or even French Aptly the volume s editor reads Debussy s last works as a dialogue with himself that reflects his inherently pluralistic paradoxical negotiated and ever changing identity William Austin s description of Debussy as one of the most original and adventurous musicians who ever lived is often repeated This book illustrates how right Austin was and shows why Debussy s unclassifiable art continues to fascinate and perplex his historians even as it entralls new listeners The contributors are Leon Botstein Christophe Charle John Clevenger Jane F Fulcher David Grayson Brian Hart Gail Hilson Woldu and Marie Rolf *"A Hero Will Endure": Essays at the Twentieth Anniversary of 'Gladiator'* Rachel L. Carazo,2023-05-16 This volume adds to previous historical and political studies about Gladiator with essays about the movie s relation to pop culture and contemporary discourses It not only relates Gladiator to traditional cinema aspects such as heroism music acting studio culture and visual effects but it also connects the film to sports religion and the environment expanding the ways in which the film can be evaluated by modern audiences The volume can be read by individuals or in classroom settings especially as a recommended text for students studying the ancient world in film **The History of the Christian Religion and Church During the First Three Centuries** August Neander,1831 **Five Pillars of the Gladiator Gospel, Form #17.004** Brooky R.
