The Matchmaker's Mistletoe Mission Jaci Burton, 2019-10-15 New York Times bestselling author Jaci Burton celebrates the gift of love and the holiday season with a snowy Christmas wedding at the Bellini family vineyard. Stranded at the Red Moss Vineyard a week before her best friend's wedding, LA native and professional matchmaker Alice Weatherford is not pleased with her first trip to Oklahoma or the epic snowstorm forcing her to stay. So much for Christmas cheer. What she needs is a project, something to distract her, and oh, has she found one in neighboring rancher Clay Henry. Gorgeous, charming, and unlike any other man she's ever met, finding the right woman for Clay should be easy. Having grown up with the Bellini sisters, it's no hardship for Clay to ride out the storm at their cozy family vineyard, especially since that means spending time with their savvy and smart houseguest. But despite Alice's best efforts, he's not the least bit interested in her matchmaking. Alice is the only woman Clay wants. Now he just has to convince the matchmaker herself to give love a chance. *Television Across Asia* Michael Keane, Albert Moran, 2003-10-16 This book explores the trade in television program formats, which is a crucially important ingredient in the globalisation of culture in Asia. It examines how much traffic there is in program formats, the principal direction of flow of such traffic, and the economic and cultural significance of this trade for the territories involved and for the region as a whole. It shows how new technology, deregulation, privatisation, and economic recession have greatly intensified competition between broadcasters in Asia, as in other parts of the world, and discusses how this in turn has multiplied the incidence of television format remakes, with some countries developing dedicated format companies and others becoming net importers and adapters of formats.

The Matchmaker's List Sonya Lalli, 2019-02-05 One devoted modern girl, a meddling traditional grandmother, a heartwarming multicultural romantic comedy about finding love where you least expect it. Raina Anand may have finally given in to family pressure and agreed to let her grandmother play matchmaker, but that doesn't mean she has to like it or that she has to play by the rules. Nani always took Raina's side when she tried to push past the traditional expectations of their tight-knit Indian

immigrant community but now she's ambushing Raina with a list of suitable bachelors. Is it too much to ask for a little space? Besides what Nani doesn't know won't hurt her. As Raina's life spirals into a parade of Nani-approved bachelors and disastrous blind dates, she must find a way out of this modern-day arranged marriage trap without shattering her beloved grandmother's dreams. [The Matchmaker's Surrender](#) Tammy L. Bailey, 2019-05-20 Surrendering her heart could be the scariest thing of all. Miss Jane Dalton, one of London's most successful matchmakers, believes it's much safer bringing couples together than falling in love herself. In fact, she could not think of anything more frightening than to have loved and lost. Fate, however, disrupts her plans to remain a single matchmaker when Mr. Nicholas Waverley, her brother's best friend, is forced to kidnap her after she becomes entangled in an assassin's web. Forced together under dangerous circumstances, Jane realizes her true feelings for Nicholas. In the end, however, is her love for him worth the fall? *The Matchmaker's Surrender* is a Regency romance novella and the second book in *The Matchmaker's Series*. *The Accidental Newlywed Game* Jaci

Burton, 2022-06-28 What happens in Vegas doesn't stay in Vegas when one night out turns into a wedding that neither newlywed can remember. From New York Times bestselling author Jaci Burton, wedding planner Honor Bellini is in Las Vegas for a work convention when she runs into her sister's ex-fiancé Owen Stone, who's also in town for his craft brewery business. They're both glad to see a familiar face from home until a night of drinking leads to waking up in bed together and a marriage certificate from a wedding that neither of them can recall. Horrified, Owen suggests an immediate annulment. Honor agrees, but when they spend the day together, their chemistry is overwhelming. Plus, Honor has a flash of memory of their steamy wedding night, and she definitely likes what she remembers. They decide to wait before cancelling the whole marriage thing, though they both head back to Oklahoma determined not to tell anyone at home what happened in Vegas. The problem is Honor and Owen can't seem to stay away from each other or keep their hands off one another. The longer they keep their secret, the harder it gets to deny how they really feel. Even worse, this huge secret has the potential to hurt someone they both care about. They need to get an annulment before this accidental marriage turns into love. *Housebroke* Jaci

Burton, 2023-12-12 A millionaire and a woman who thinks he's a house flipper are stuck living in a house together with a menagerie of rescue dogs as roommates in this heartfelt romantic comedy from New York Times bestselling author Jaci Burton. After her ex took all their money and bailed, Hazel Bristow is left broke and homeless. A kind friend whose home is on the market lets Hazel and her foster dogs stay there until it sells. It's the perfect setup until her friend forgets to tell Hazel she's sold the house. Linc Kennedy is shocked to find Hazel and her pups squatting in the house he just bought, but after some negotiating, she offers to cook amazing meals for him in return for a paycheck. He agrees to let her remain while he's renovating the place. Linc tells Hazel he's an investor who renovates homes for fun; he just leaves out the part about being wealthy. Hazel's intrigued by Linc. He's funny, sweet, ridiculously hot, and loves dogs almost as much as she does. But her track record with men? Not great. She worries her trust meter isn't in working order. Linc's never met anyone like the quirky beauty

who puts everyone's needs human and canine before her own. He didn't tell her about his wealth because he's been burned by women who only wanted him for his money. But with Hazel he's never felt more like himself. Now he has to figure out how to tell her the truth without losing her. Because Linc realizes what he feels for her isn't puppy love, it's true love. *Games in the Global Village* Anne Cooper-Chen, 1994 Q What is the most watched TV format in history seen by about 100 million people weekly around the world? A Wheel of Fortune, a game show. Without putdowns or pandering, the author looks at 260 such shows concluding that culture has triumphed over technology. For despite our capacity to transmit the same content world wide, McLuhan's global village has not come to pass. Technology has however encouraged already existing cultural continents to coalesce. About one third of the world's game shows have been licensed or adapted from another country, especially from the United States. Conversely, a single program can cross borders unchanged, such as *Sabado Gigante*, which appeals to Spanish speakers in 18 countries. The first truly global study of TV entertainment, this book includes interviews with producers, contestants, and licensors. With its tables, illustrations, and appendices, the text provides details on content and audiences, as well as explanatory overviews. *A Matchmaker's Christmas* Donna Lea Simpson, 2014-12-17 From the author of *The Rogue's Folly*, comes a Regency romance celebrating the witty and romantic world that fans of Georgette Heyer have fallen in love with. Twenty years ago, Beatrice Copland committed a reckless and foolish act of deceit that she's certain ruined the life of a man she'd fallen in love with and led to his wife's death. Now serving as companion to the stern Lady Bournaud, she leads a quiet life and attends to her duties as a kind of penance. But Lady Bournaud, trying to make amends for her own selfish ways, is opening her country estate to a few select guests for the holidays, including the man Beatrice wronged so many years ago. Sir David Chappell spent nearly two decades coming to terms with the haunting memory of his wife's death. When he receives an invitation to Lady Bournaud's for the Christmas season, he's reluctant to go at first, but he's sure the time away in Yorkshire will be a welcome change from London. Once there, he's immediately captivated by the youthful beauty and genuine compassion of the lady's companion, Beatrice Copland, all the while sensing that he's met her before. Even as David pursues her and Beatrice realizes she's still powerfully attracted to the man, she must gently rebuff his advances for fear that her damning secret will come to light and reopen his old wounds. And while Lady Bournaud watches happily scheming to make matches for all her guests, it may take more than a Christmas miracle for David to free Beatrice's conscience and her heart at last. **The Video Source Book** David J. The Riddle of Freud Estelle Roith,2005-08-12 In *The Riddle of Freud* Estelle Roith argues that certain important elements of Judaic culture were so integral a part of Freud s personality that they became visible in his work and especially in his attitudes to and theories of femininity Freud s formulation of femininity which the author contends is mistaken is seen not as a simple error but as resulting from a complex bias in which personal and social factors are interrelated The author proposes that the considerable ambivalence experienced by Freud about his sexual

cultural and social identity in which both overt and covert aspects of his Jewish culture survived could not be surmounted by him in the case of women Estelle Roith describes Freud's theory of femininity and its implications for psychoanalytic theories of human development and motivation in general She examines Freud's relationships with his women disciples and also the social and political conditions that obtained for Jews of Freud's time Finally her book helps illuminate the reasons for Freud's emphasis on the paternal power within the Oedipus complex It is essential reading for psychoanalysts and psychotherapists for students of women's issues and all those interested in Freud's impact on contemporary Western thought *New York Magazine*, 1997-10-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
