

To the One I Love,

*No one said marriage would be easy.
But I'm thankful that it's been hard.
I'm thankful because it means this is for
real. That we're for real. And that we're
going to make it through no matter what.
And when you know that, you realize
that everything else -- the worries and
the struggles and the bills -- can take a
backseat on this beautiful ride we're on
together, because it's going to last for so
many more years and there's a sunset I
plan on riding off into with you at the
very end.*

Love Letters To My Husband:

Love Letters to My Spouse Maia Berens, Bart Berens, 2022-01-01 I am a teacher I teach about relationships because after two failed marriages and add another two that failed for my husband I just had to learn how to do it and how to get it right It is said We teach what we have to learn Anyone who knows me will tell you that when I decide to do anything I do it with all of me When something works for me and helps me grow and improves the quality of my life I am steadfast Since I began to learn how emotions work and then began to recognize mine and the effects of healing those old ones that never got expressed I have been 100% committed to use what I learned and the results in my life have been almost unbelievable A few years ago I started looking at what we had in our relationship that most others don't seem to I wondered What are our secrets And can I help others with them too Following are those things that we believe have created the quality and depth of our relationship and we believe they can do the same for you When my husband died in 2015 we had had 31 years of a highly successful marriage and we'd like you to have the same The book is divided into 10 chapters The chapter headings are the 10 main secrets that we have learned and want to offer you They are Secret 1 You have to be real and you have to feel good enough about yourself to be real Secret 2 Making your commitment to the relationship and not each other works way better Secret 3 You can't expect your partner to do anything you are unwilling to do like forgiving and giving up being right Secret 4 You have to learn how to communicate honestly and appropriately Secret 5 You have to remember that love includes compassion and non judgment Secret 6 You have to be aware when the connection is dying and do something about it Secret 7 You have to let them know they're doing a good job Secret 8 You have to own up when you've messed up and learn from it Secret 9 You have to get that a good relationship is sacred and make time for it Secret 10 You have to own the whole job take full responsibility After four failed marriages between us we were determined to learn how to make this a good one We learned There are some very special things we noticed after all of those years and we wanted to help you learn them too so you can wake up one day and notice how many years have gone by and you still have the relationship of your dreams

Christmas Love Letters to My Husband Sheri Poyant, 2021-12-14 The Christmas Love Letter In 2011 a friend told us about a special gift that she and her husband gave each other every year and it was a Christmas Love Letter That same Christmas we started our own Christmas Love Letter and it has been our yearly gift to each other for 10 years There is nothing more special than having the person that you love tell you how much they love you and appreciate you Sometimes in the day to day activities we may forget to say how much we care or it may be hard for some to express how they feel The love letter is a chance to let your spouse know how much they mean to you Some ideas to include are the highlights of the year the challenges you have faced and overcome and what you are looking forward to in the year to come Now the best gift we have is our bundle of letters but letters can get lost or misplaced over the years and when moving like we just did so we created this journal that you can write your letting in each year At the beginning of December give your spouse your journal and then during the month they can write their letter to you On Christmas morning you can exchange journals and then you will have a collection

of love letters to read throughout the year Enjoy Sheri and Matt Poyant **Love Letters** Michelle Janning,2018-06-14 In today's world of Tinder and texting do we write and save love letters anymore Are we more likely to save a screenshot of a text exchange or a box of paper letters from a lover How might these different ways to store a love letter make us feel Sociologist Michelle Janning's *Love Letters Saving Romance in the Digital Age* offers a new twist on the study of love letters what people do with them and whether digital or paper format matters Through stories a rich review of past research and her own survey findings Janning uncovers whether and how people from different groups including gender and age approach their love letter curatorial practices in an era when digitization of communication is nearly ubiquitous She investigates the importance of space and time showing how our connection to the material world and our attraction to nostalgia matter in actions as seemingly small and private as saving storing stumbling upon or even burning a love letter Janning provides a framework for understanding why someone may prefer digital or paper love letters and what that preference says about a person's access and attachment to powerful cultural values such as individualization taking time in a hectic world longevity privacy and keeping cherished things in a safe place Ultimately Janning contends the cultural values that tell us how romantic love should be defined are more powerful than the format our love letters take **Love Letters** Debbie Macomber,2014-08-12 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL In this enchanting novel set at Cedar Cove's cozy Rose Harbor Inn Debbie Macomber celebrates the power of love and a well timed love letter to inspire hope and mend a broken heart Summer is a busy season at the inn so proprietor Jo Marie Rose and handyman Mark Taylor have spent a lot of time together keeping the property running Despite some folks good natured claims to the contrary Jo Marie insists that Mark is only a friend However she seems to be thinking about this particular friend a great deal lately Jo Marie knows surprisingly little about Mark's life due in no small part to his refusal to discuss it She's determined to learn more about his past but first she must face her own and welcome three visitors who like her are setting out on new paths Twenty three year old Ellie Reynolds is taking a leap of faith She's come to Cedar Cove to meet Tom a man she's been corresponding with for months and with whom she might even be falling in love Ellie's overprotective mother disapproves of her trip but Ellie is determined to spread her wings Maggie and Roy Porter are next to arrive at the inn They are taking their first vacation alone since their children were born In the wake of past mistakes they hope to rekindle the spark in their marriage and to win back each other's trust But Maggie must make one last confession that could forever tear them apart For each of these characters it will ultimately be a moment when someone wore their heart on their sleeve and took pen to paper that makes all the difference Debbie Macomber's moving novel reveals the courage it takes to be vulnerable accepting and open to love **BONUS** This edition includes an excerpt from Debbie Macomber's *Silver Linings Praise for Love Letters Romance* and a little mystery abound in this third installment of Macomber's series set at Cedar Cove's Rose Harbor Inn Readers of Robyn Carr and Sherryl Woods will enjoy Macomber's latest which will have
