Love Me Right His Touch:

Love Me Right Now B. Love, 2016-12-20 Her I had never done anything like this before Ever My life wasn't set up for me to do something this taboo This risky This sexy This reckless As a preacher's daughter there were just some things in this world I was not allowed or expected to do meeting a total and complete stranger for sex was probably on the top of the list This wasn't planned Okay well maybe it was Let me start from the beginning Him I ain't no fool I know sex could never lead to love I've never believed in love at first sight So what was this that I was feeling for Akela Akela Even her name speaks to what she is What she was Alone She didn't know that I knew that that was what her name meant We really didn't know too much about each other Just the basics All I know is when I laid eyes on her I wanted her And when I was inside of her I needed her I never wanted to let her go But she made it clear last night before we went to sleep that this was going to be a onetime thing She wanted to forget she ever knew him He wanted to be as close to her as her skin yet as distant as enemies After their night together they are forced to be together for two months because of her accident and his career Could a one night stand turn into something more

Love Me Right Now 2 B. Love, 2017-01-09 Him A few steps into my stroll towards her the gossip looked at me and nodded my way Creole looked up and we locked eyes Praying she wouldn't try to put me out and cause a scene my steps towards her slowed down but I kept going after her I would always go after her Her This was the man I promised to love and respect and spend the rest of my life with This was also the man that put my health and life in jeopardy because of a drunken night How could I separate the two Them They promised to love each other for better or worse Until death pulled them apart But before Creole could walk down the aisle to marry Nyameka they were slapped in the face with Kimberly Simpson's rape allegation Nyameka makes it his priority to not only clear his name but to regain the trust of the woman he wants to spend the rest of his life with Will he succeed Or will his infidelity whether intentional or unintentional be too much for Creole to handle
