Love The Unloved A Christian Short Story:

Love the Unloved Dustin Fife,2015-08-29 James had it all good looks a winning personality and parents who loved God and turned a blind eye to his shenanigans Then the divorce happened Struggling to find acceptance in a new town without the support of his perpetually working mother he lands in a crowd who lives from one high to the next When caught and imprisoned he must choose between conquering his addictions and succumbing to suicide Rachelle is a God fearing woman who struggles to cope with a history of abuse In an attempt to unchain herself from the past she ministers to others who ve suffered Yet when her own past haunts her marriage she must face her repressed trauma before her relationship collapses Based on a true story Love the Unloved is a Christian short story of a man s fight against temptation and a woman s struggle to heal With God s aid they must come together look outward and build a family founded on grace **Every Short Story by**

Alasdair Gray 1951-2012 Alasdair Gray,2012-11-15 Seventy three short tales from Gray s earlier books are here joined with sixteen new tales Droll Plausible all the original illustrations with some new and endnotes to inform every curious reader **In Conversation with Bessie Head** Mary S. Lederer,2019-06-27 In Conversation with Bessie Head shows how

reading the novels and letters of Botswana s most influential writer Bessie Head fosters an ongoing conversation between reader and writer and is in fact a very personal undertaking Each chapter tackles two parallel threads the first regarding Mary S Lederer s own history of reading Head from her first purchase of Maru through completing a Ph D on Head s trilogy through living in Botswana and connecting with various aspects of Head s life to examining how reading Head has affected her own development as a human being This history then ties each chapter into discussion of how Head develops her own vision of the brotherhood of man Alongside critically informed discussion Head s vision is examined through the prism of specific questions Why is madness not a useful concept for understanding Head s ideas Why did Head say she was not a feminist and what is the significance of male and female in her novels What is the relationship between individual race and community How can the nature of God be a clear expression of love but also an indistinct force for both good and evil Head s novels present opportunities for personal growth and through these conversations with her we become different readers

Short Story Criticism Thomas Votteler,1989-12 Presents literary criticism on the works of short story writers of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers pamphlets and scholarly papers Rescuing God from Christianity Sven E.

Erlandson,2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one s neighbor *Reference Guide to Short Fiction* Noelle Watson,1994 Devoted to those practitioners of the art of short fiction this new 2nd edition offers thorough coverage of approximately 375 authors and 400 of their works In a single volume

Unfriended Joe Battaglia, 2018-10-02 We live in a hyperconnected world and yet we're more disconnected than ever. We spend more time scrolling through Instagram than we do talking with our families. We've never had more friends, but we have no one to meet for coffee. Joe Battaglia understands that we are wired to have community and that smartphones cannot meet our needs for love, acceptance, touch, and connection. In *Unfriended*, Battaglia uses research, personal insight, and biblical truths to help you leave behind the anonymity of the Internet and get face-to-face with people beyond the like button and establish meaningful relationships. Get out from behind your screen and enjoy God's creation, avoid toxic social media debates, and become a vehicle of change. *Unfriended* will help you shake off your digital fatigue and get back to real life, real world relationships with real people. Additional guest chapters by Iris C. O'Brien, Michael Guillen, Donna Rice Hughes, and Delilah.

Searching for Madre Matiana Edward Wright-Rios, 2014-12-01 In the mid-nineteenth century, prophetic visions attributed to a woman named Madre Matiana roiled Mexican society. Pamphlets of the time proclaimed that decades earlier a humble laywoman foresaw the nation's calamitous destiny: foreign invasion, widespread misery, and chronic civil strife. The revelations, however, pinpointed the cause of Mexico's struggles: God was punishing the nation for embracing blasphemous secularism. Responses ranged from pious alarm to incredulous scorn. Although most likely a fiction cooked up amid the era's culture wars, Madre Matiana's persona nevertheless endured. In fact, her predictions remained influential well into the twentieth century as society debated the nature of popular culture, the crux of modern nationhood, and the role of women, especially religious women. Here Edward Wright-Rios examines this much maligned and sometimes celebrated character and her position in the development of a nation.
