Lovers Of The Place Monasticism Loose In The Church:

Lovers of the Place Francis Kline, 2012 Originally published Collegeville Minn Liturgical Press c1997 With new foreword *Lovers of the Place* Francis Kline, 2012-05-01 In *Lovers of the Place* Abbot Francis Kline provided a fresh vision of the monastic life as one form of the Christian vocation that must find its place alongside other expressions of Christian life. He firmly believed that as monasticism renews itself for the church it will in turn renew the church. Kline invites all the baptized to a participation in the monastic charism loose in the church at large. Francis Kline OCSO was the third abbot of Mepkin Abbey a Cistercian Trappist monastery near Charleston South Carolina until his death in 2006. He studied at The Julliard School in New York and at Sant Anselmo in Rome. Research in the Social Scientific Study of Religion Ralph L. Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond. In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice. *This Monastic Moment* John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss. Kairos is apocalyptic time and it is here and now. Such is the time in which we need to listen again to St Benedict of Nursia. Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility. Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now. So St Benedict _een hundred years a_er he wrote his Rule continues to tell us to listen wake up and run while there is still light _is is a time for both contemplation and action prayer.

and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue

Monastic Perspectives on Temporality Riitta Hujanen,2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one s concept of time How is time perceived towards the end of one s monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

Reclaiming Humility Jane Foulcher,2015-03-31 Does humility have a place in contemporary life Were Enlightenment thinkers wrong to reject humility as a monkish virtue Hume arising from a slave morality Nietzsche Australian theologian Jane Foulcher recovers the counter cultural reading of humility that marked early Christianity and examines its trajectory at key junctures in the development of Western monasticism Humility emerges not as a moral virtue achieved by human effort but as a way opened by grace as a divine climate Christian de Cherg that we are invited to inhabit From fourth century Egypt to twentieth century Algeria via Saint Benedict and Saint Bernard of Clairvaux Dr Foulcher s compelling analysis of theology and practice challenges the church to reclaim Christian humility as essential to its life and witness today

Soil and Sacrament Fred Bahnson, 2013-08-06 Recounts the author's experiences founding a faith based community garden in rural North Carolina and emphasizes how growing one's own food can help readers reconnect with the land and divine faith

Simplifying the Soul Paula Huston, 2011-12-19 Award winning author and Benedictine oblate Paula Huston invites readers to de-clutter their minds, hearts, relationships and souls in a book of daily Lenten practices woven from the gospels, the Desert Fathers and the author's own wealth of spiritual experience. What are you giving up for Lent this year? It's the expected question amongst Christian friends each spring. In *Simplifying the Soul: Lenten Practices to Renew Your Spirit*, Huston asks her readers a deeper, alternative sort of question: How will you rid your life of excess this Lent? She encourages readers to see Lent as a time to seek out silence and free themselves of stuff and to acknowledge the connections between what they pray about and what they do. With honesty, vulnerability and grace, Huston challenges readers to move outward and act, showing them how everyday actions like cleaning out a junk drawer, giving away something no longer used or spending fifteen minutes in silence can be surprisingly powerful ways of experiencing a more meaningful Lent and a simpler life. Whether cutting up a credit card, visiting someone at the hospital or forgiving someone with whom they are angry, readers experience under Huston's gentle and expert care how such practices lead to a more authentic Christian faith.

Seventy-Four Tools for Good Living Michael Casey, 2014-05-07 There is more in Benedict's Rule than meets the eye. Based on the rules of life of John Cassian and Saint Basil, Benedict invites us to go further back to the scriptural basis of all Christian and monastic living and pursue our spiritual journey by the guidance of the Gospel. This book of reflections on the tools for good living is intended to be read very slowly, one section at a time. In addition to communicating reflections on each verse of chapter 4, Casey invites readers to continue the process of reflection for themselves, apply what is written to their own lives, draw on their own wisdom and insight and ultimately broaden their experience of monastic spirituality.

Seeking Life Esther de Waal, 2017-11-27 In *Seeking Life: The Baptismal Invitation of the Rule of St. Benedict*, renowned author Esther de Waal returns to the Rule of Saint Benedict, the inspiration for *Seeking God*, her classic book published twenty-five years ago. Here she focuses on the prologue to the Rule and shows how it contains the clues we need to both understand and live by the vows made at our baptism. Baptism is so fundamental to our Christian identity that many congregations renew their baptismal promises each year on Easter. Yet how well do we understand the spirit and depth of those vows? How much do they shape our daily lives? Parts of the Rule of Saint Benedict are believed to be based on addresses given to those about to be or who had recently been baptized; they are a practical guide to choosing the road that leads to life. With her characteristic insight and wisdom, Esther de Waal draws out enduring spiritual teaching on how to live when reborn of water and the spirit.
