The second in Con Lehane's 42nd Street Library mystery series *Murder in the Manuscript Room* is a smart compelling mystery in which the characters themselves are at least as interesting as the striking sleuthing. Not to be missed. Megan Abbott. A story utterly relevant to the real life horror story unfolding in America's immigration politics. Sara Paretsky. When a murder desecrates the somber book lined halls of New York City's iconic 42nd Street Library. Raymond Ambler, the library's curator of crime fiction, has a personal interest in solving the crime. His quest to solve the murder is complicated by personal entanglements involving his friend or perhaps more than friend Adele Morgan. Not only does Adele's relationship with the young woman staffer who was murdered get in the way of Ambler's investigation, more disturbing for him is Adele's growing interest in a darkly handsome Islamic scholar. Soon the Intelligence Division of the New York Police Department takes over the case from NYPD homicide detective Mike Cosgrove. Ambler's friend and sometimes partner in crime solving. Ambler suspects that the murder of the young woman who'd been working at the library under an assumed name and the curious intervention of NYPD's intelligence division are connected. The trail of intrigue leads to a seemingly unrelated murder in an upstate prison and a long ago murder of a trade union reformer. No one else sees the connections. Ambler is sure there are. There is not an unusual state of affairs for Ambler. But with the city's law enforcement establishment determined to stop his investigation, the inquisitive and intrepid librarian faces challenges that may put his very life at risk. **Merry Murder**

Jill's store Coffee Books and More is co-sponsoring a charity dart tournament on Thanksgiving weekend with Chip's Bar where toys and cash will be collected. She and her new husband Greg will be competing as well, that is if Greg's brother and his girlfriend don't ruin the evening. But the event leads to something much worse than a family squabble when the bar owner is found dead the next morning after being used as a human dartboard. Jill and her police detective hubby both aim to find the killer but scoring a bullseye will be hard since the place was packed with a rowdy crowd of locals and a platoon of stuffed animal toting very competitive motorcyclists. And with the night's big haul of cash donations left untouched, what could possibly be the motive for this murder? **Litinary**

How Not to Kill Yourself Clancy Martin, 2024-03-26 FINALIST FOR THE KIRKUS PRIZE FOR NONFICTION ONE OF TIME'S 100 MUST READ BOOKS OF THE YEAR ONE OF THE NEW YORK TIMES BOOK REVIEW'S CRITICS PICKS ONE OF THE BOSTON GLOBE'S 55 BOOKS WE LOVED THIS YEAR ONE OF KIRKUS'S BEST NONFICTION BOOKS OF THE YEAR An intimate insightful at times even humorous blend of memoir and philosophy that examines why the thought of death is so compulsive for some while demonstrating that there's always another solution from the acclaimed writer and philosophy professor based on his viral essay I'm Still Here A deep meditation that searches through Martin's past looking for answers about why he is the way he is while also examining the role suicide has played in our culture for centuries how it has evolved and how philosophers have examined it Esquire A rock for people who've been troubled by suicidal ideation or have someone in their lives who is The New York Times If you're going to write a book about suicide you have to be willing to say the true things the scary things the humiliating things Because everybody who is being honest with themselves knows at least a little bit about the subject If you lie or if you fudge the reader will know The last time Clancy Martin tried to kill himself was in his basement with a dog leash It was one of over ten attempts throughout the course of his life But he didn't die and like many who consider taking their own lives he hid the attempt from his wife family coworkers and students slipping back into his daily life with a hoarse voice a raw neck and series of vague explanations In How Not to Kill Yourself Martin chronicles his multiple suicide attempts in an intimate depiction of the mindset of someone obsessed with self destruction He argues that

for the vast majority of suicides an attempt does not just come out of the blue nor is it merely a violent reaction to a particular crisis or failure but is the culmination of a host of long standing issues He also looks at the thinking of a number of great writers who have attempted suicide and detailed their experiences such as David Foster Wallace Yiyun Li Akutagawa Nelly Arcan and others at what the history of philosophy has to say both for and against suicide and at the experiences of those who have reached out to him across the years to share their own struggles The result combines memoir with critical inquiry to powerfully give voice to what for many has long been incomprehensible while showing those presently grappling with suicidal thoughts that they are not alone and that the desire to kill oneself like other self destructive desires is almost always temporary and avoidable
