A Flood of Evidence Ken Ham, Bodie Hodge, 2016-09-21 There are hosts of books and resources on the Flood and Noah s ark in the creation movement But there has been a glaring problem in this area for 50 years There isn t one basic laymen book on the Flood and ark to give answers to those questions asked all the time Most books are too shallow too specific or too technical for the average Christian to read or get much from Most people in pews could use a book like this to give them the basic answers they need about the Flood and the ark then they will be prepared to go into further technical books or specific books from there Answers the top questions Answers in Genesis receives about the Flood Addresses issues in a way that should be easy to read and yet still gives the reader some meat to chew on The perfect starter book for those interested in learning more or for believers wanting share the truth with non believers Most people in the pews could use a book like this to give them the basic answers they need about the Flood and Noah s Ark After reading it they will be prepared to go into further technical or specific books from there *How Do We Know the Bible Is True?* John Ankerberg, Dillon

Burroughs,2008-06 The Contenders study series of books combine Bible study with spiritual conversations that will lead readers to conclude that the Christian faith can stand up to any challenge

Divided Nation Ken Ham,2021-06-15 Divided Nation Cultures in Chaos A Conflicted Church provides families and their churches biblical mandates to awaken and arise as influencers in today s turbulent times As Christian persecution increases the Body of Christ needs to prepare to take a bold stand Ken Ham CEO and founder of Answers in Genesis US the highly acclaimed Creation Museum and the world renowned Ark Encounter sounds the call for Reformation bringing God s people back to the authority of the Word of God beginning in Genesis Can the church regain a position of influence among this generation of truth seekers who reject God and His Word To combat today s chaotic culture and the conflicted church Ham addresses five specific issues There is no neutral position There is no non religious position There are ultimately only two religions Creation apologetics How to think foundationally to develop a truly Christian worldview Make a stand for the soul of this generation Divided Nation shines an empowering light on the struggle of the church to retain young believers Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church Divided Nation is an excellent call to Christians pastors and thinkers alike to return to the supreme authority of God s Word and the God of all truth Jack Hibbs Calvary Chapel Chino Hills CA

The Debaters of This Age Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

The Growth of Religious Diversity - Vol 1 Gerald Parsons,2012-11-12 This two volume set considers the role and significance of religion in post war Britian focusing in particular upon the closely inter related themes of the decline of a specifically Christian Society and the emergence of a culturally and religiously plural society Three core questions are examined in depth to what extent and in what ways has religion remained a significant factor in British culture and society in the period since 1945 what role does religion play in interpreting and understanding the development of a multi cultural and multi ethnic society in post war Britain and to what extent has Britain remained or ceased to be a religious society during this period Volume 1 Traditions analyses the history

and development of the major religious groups present in Britain in the period since 1945 The major religious traditions examined include the traditional Christian churches Judaism Islam Hinduism Sikhism Afro Caribbean religious groups New Religious Movements and the implicit religion of the silent majority who remain detached from organised religion but are by no means simply secular Volume 2 Controversies explores some of the challenges tensions and controversies presented by the emergence of an increasingly religiously plural society in Britain since 1945 In particular it focuses on the impact of religious pluralism on both the Christian churches and other religious traditions the relationship between communal and national identities and religion women and religion and the relationship between religion and changing attitudes to personal and especially sexual morality *Streams of Civilization, Volume 1* , **Oneness Pentecostal Theology: Volume 1** Dr. Steve Joel Moffett, Sr., M.A., D.Min.,2016-10-11 DESTINED TO BECOME A BESTSELLER A Very Widely Read Theological Treatise This book is a compilation of three works by Rev Dr Steve Joel Moffett Sr 1 One Lord One Faith One Baptism Defending The Gospel Against Polytheism 2 A True Foundation Defending The Gospel Against Cults and 3 The Seven Revelations of God The Multifaceted One These three works together in one are truly Jewels of The Christian Faith Critically Reviewed by Author [The Complete Sermons of C. H. Spurgeon, Book 1 \(Vol. 1-3\)](#) C. H. Spurgeon,2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky *Exodus from Rome Volume 1* Dr. Todd D. Baker,2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of
