

How My Brother Leon Brought Home A Wife

I like this story because of its content, the way the author gives description to something or someone, like the way she describes Maria in the first part of the story. Another thing that I like about this story is the values that we should have. We can also be able to relate it to our daily lives, especially when we have to meet our special someone to our family. I only give you some details of the story and I hope you'll love to read it. :)
