

"Beginning to write is an intentional, particular, inner act; usually it seems like turning toward something unknown in my mind - an inward looking, listening. A clearer metaphor might be fishing. I go fishing in my mind. I put out bait, the bait of my own longing, my desire, and my hunger for connection, for a tug of something alive at the end of a line. Something that I may have to struggle with to pull in, but that will be wild and important to me, whether I keep it or let it go. In writing, my desire is for the flash of recognition, the image that I only partly glimpse, but recognize as a glimmer of something worth trying to capture in words on my page."

How The Light Gets In Writing As A Spiritual Practice:

How the Light Gets In Pat Schneider, 2013-04-25 When I begin to write I open myself and wait And when I turn toward an inner spiritual awareness I open myself and wait With that insight Pat Schneider invites readers to contemplate their lives and deepest questions through writing In seventeen concise thematic chapters that include meditations on topics such as fear freedom tradition in writing and in religions forgiveness joy social justice and death *How the Light Gets In* gracefully guides readers through the artistic and spiritual questions that life offers to everyone Praised as a fuse lighter by author Julia Cameron and the wisest teacher of writing I know by the celebrated writing guru Peter Elbow Pat Schneider has lived a life of writing and teaching passion and compassion With *How the Light Gets In* she delves beyond the typical how to s of writing to offer an extended rumination on two inner paths and how they can run as one Schneider s book is distinct from the many others in the popular spirituality and creative writing genre by virtue of its approach using one s lived experience including the experience of writing as a springboard for expressing the often ineffable events that define everyday life Her belief that writing about one s own life leads to greater consciousness satisfaction and wisdom energizes the book and carries the reader elegantly through difficult topics As Schneider writes All of us live in relation to mystery and becoming conscious of that relationship can be a beginning point for a spiritual practice whether we experience mystery in nature in ecstatic love in the eyes of our children our friends the animals we love or in more strange experiences of intuition synchronicity or prescience

profoundly present **The Yoga of Divorce** Mike MacConnell,2016-08-31 So far lawyers are the only ones getting any money There s no middle ground We only talk through lawyers I open my mouth and we end up screaming at each other Sound familiar What if there was a way to divorce with a minimum of hostility time and expense It is attainable even if you are working towards these goals without the cooperation of your spouse The Yoga of Divorce advocates that we shift our reactions and embrace the notion of cooperative opposition the idea that the same non adversarial process that works on the yoga mat can be used at the negotiation table The key to The Yoga of Divorce s strategy is to park ego at the door If we stop trying to win but instead seek a solution that is fair to both sides we make much smoother progress The mindful practice of cooperative opposition can simultaneously resolve physical stress and social conflict by intentionally balancing opposite forces It might seem simple but it takes conscious effort We urgently need to make calm decisions at those times when being calm is most difficult such as in the midst of emotional crisis When stakes are highest we feel most triggered to attack For the sake of our children our wealth and our personal well being we need to work past negative emotions and put ego in its place Only then will we find lasting peace and amicable resolutions *Le Point Vierge* Philip Krill,2021-01-27 At the Center of our being is a point of pure truth wrote Thomas Merton a point or spark which belongs entirely to God This little point of nothingness and of absolute poverty is the pure glory of God in us Merton called this Center Point Le Point Vierge the Virginal Point Here we and God are untied in a Mystery of inexpressible Presence LE POINT VIERGE Meditations on the Mystery of Presence is a year of daily meditations exploring the Mystery of Presence as we experience It in the Virginal Point in our hearts Practicing Presence is a sure and certain way to make fresh contact with God God is not an Object of our understanding but a Mystery of Presence encountered in the Virginal Point of our hearts It is hoped that by reading LE POINT VIERGE the reader will discover the truth of St Augustine s words You O God were more inward to me than my most inward parts and higher than my highest Confessions 3 6 11 *I Am Not a Juvenile Delinquent* Sharon Charde,2020-06-16 The metoo movement particularly the horrific Larry Nasser abuse shows with frightening clarity the vulnerability of young women to male predators all the Touchtone girls I encountered suffered similar or worse fates The book is a pilgrimage a quest story divided into five sections Part I explores the authors first year at the facility the difficulty and eventual success of establishing my group in such a chaotic and contradictory culture It recreates their writing sessions and features the vivid dramatic personalities of the girls who participated as well as the steep learning curve on which she found herself daily Part II moves swiftly through the trials and victories between the first and last years and offers brief profiles of three of the residents who held special resonance to the author During this time she published an award winning anthology of poems by the girls a NYC filmmaker created a documentary film many readings and public performances took place and received several awards for the program Part III tells of the joint venture with The Hotchkiss School revealing the differences yet common ground between the two groups of girls *The Luminous In-Between* Cynthia Leslie-Bole,2016-01-22 In this
