Health and Illness in Close Relationships Ashley P. Duggan, 2019-02-07 Health and Illness in Close Relationships provides an integrated theoretical framework for understanding the complexities of health trajectories and relationship processes It is the first volume to review and synthesize current empirical evidence and associated theoretical constructs from the literature on health and illness in close relationships across the social and behavioral sciences In doing so it provides a unique cross disciplinary understanding of how health and illness redefine relationships The volume also maps out an explanatory framework of how the pathways and processes of close relationships pose considerations for resilience and flourishing or on the contrary for relational and health decline It will appeal to researchers and students across psychology communication and relationship studies as well as to health professionals who are interested in understanding how health

conditions can shape or be shaped by patients close relationships

Health and Religious Rituals in South Asia Fabrizio Ferrari, 2011-03-07 Drawing on original fieldwork this book develops a fresh methodological approach to the study of indigenous understandings of disease as possession and looks at healing rituals in different South Asian cultural contexts Contributors discuss the meaning of disease possession and healing in relation to South Asian religions including Hinduism Islam Buddhism and Sikhism and how South Asians deal with the divine in order to negotiate health and wellbeing The book goes on to look at goddesses gods and spirits as a cause and remedy of a variety of diseases a study that has proved significant to the ethics and politics of responding to health issues It contributes to a consolidation and promotion of indigenous ways as a method of understanding physical and mental imbalances through diverse conceptions of the divine Chapters offer a fascinating overview of healing rituals in South Asia and provide a full length sustained discussion of the interface between religion ritual and folklore The book presents a fresh insight into studies of Asian Religion and the History of Medicine

The Fallible Body: Narratives of Health, Illness & Disease Vera Kalitzkus, Peter L. Twohig, 2020-09-25 There is perhaps no subject that lends itself to interdisciplinarity better than corporeal finitude and it is a recognition of this fact that from 12 to 15 July 2006 a group of international scholars policy makers and practitioners were brought together for the 5th annual conference Making Sense of

Health Illness and Disease *The Aesthetics of the Body* Pasquale De Marco, 2025-07-10 The Aesthetics of the Body explores the human body as a canvas for artistic expression celebrating its beauty and diversity while examining our complex and often contradictory relationships with it From ancient cave paintings to contemporary performance art artists have used the body to communicate their ideas about the world This book traces the history of body art from its ritualistic origins to its modern manifestations examining its role in photography fashion dance and other performance art forms It also delves into the mind body connection and the impact of culture on body image exploring how the media portrays the body and how we internalize these messages The book emphasizes the importance of body awareness and self care recognizing the body's crucial role in overall health and well being Ultimately The Aesthetics of the Body invites readers to embrace the human body in all its complexity and beauty It is a reminder that our bodies are not merely objects but powerful tools for creative expression and social change If you like this book write a review [Effective Communication Skills for Health Professionals](#) Philip Burnard, 1997 This work discusses strategies for teaching presentation computing listening management and interview skills within each area **Psychiatric and Mental Health Nursing for Canadian Practice** Wendy Austin, Mary Ann Boyd, 2010-01-01 Rev ed of Psychiatric nursing for Canadian practice Wendy Austin Mary Ann Boyd
